AN ORDINANCE—Authorizing the execution of a contract with the Borough of Sharpsburg for the maintenance of a City water main in said Borough in lieu of contract between the City of Allegheny and the Borough of Sharpsburg, as authorized by ordinance of the Borough of Sharpsburg approved June 3, 1895, and accepted by the City of Allegheny by Ordinance approved July 23, 1895; providing for the taking of water from said main by the Borough of Sharpsburg under certain conditions; and authorizing the settlement of an action at law brought by the City of Pittsburgh against the Borough of Sharpsburg.

Whereas, the City of Allegheny, which was annexed to the City of Pittsburgh on the first day of January, 1907, did enact an ordinance approved by the Mayor July 23, 1895, accepting the conditions of an Ordinance of the Borough of Sharpsburg, approved by the Burgess June 3, 1895, wherein the Borough of Sharpsburg granted the consent of said Borough to the City of

Allegheny, its agents and employes, under certain terms and conditions therein set forth, to enter upon the streets of the Borough of Sharpsburg for the purpose of constructing a conduit for the supply of water to the said City, under the terms of which Ordinance and acceptance by the City of Allegheny the said conduit was constructed and has been maintained in the said Borough of Sharpsburg from thence hitherto; and,

Whereas, the City of Pittsburgh, which succeeded to the rights and liabilities of the City of Allegheny under said Ordinance and acceptance, entered suit against the Borough of Sharpsburg in the Court of Common Pleas of Allegheny County, Pa., at No. 1681 July Term, 1925, to recover a certain sum of money claimed to be due to the City of Pittsburgh from the Borough of Sharpsburg by reason of the taking of water from said conduit by said Borough of Sharpsburg; and,

Whereas, the City of Pittsburgh and the Borough of Sharpsburg have agreed to settle said suit and any claims the City may have against the Borough due to the taking of water for the Borough from said conduit until the present time, upon certain terms and conditions; now, therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the City Solicitor is hereby authorized and directed to take a consent verdict against the Borough of Sharpsburg in the sum of \$32,325.00, said verdict to be reduced to judgment and to be paid by the Borough of Sharpsburg to the City of Pittsburgh within four years from the date of the same, with interest at the rate of four per centum (4%) per annum, the judgment to be paid in equal annual installments on the first day of November, in each year.*

Section 2. The terms and conditions under which the City of Allegheny constructed and maintained said conduit and the City of Pittsburgh maintained the same having through the process of time become unjust, the City of Pittsburgh and the Borough of Sharpsburg have agreed that the said

terms and conditions shall be changed and shall be evidenced by a new contract in writing, which contract the Mayor and the Director of the Department of Public Works, on behalf of the City of Pittsburgh, are hereby authorized to execute and deliver, said contract to be in the following phraseology:

THIS AGREEMENT

Made the.....day of.....
A. D. between the Borough of Sharpsburg and the City of Pittsburgh, both municipal corporations of the County of Allegheny and the Commonwealth of Pennsylvania, Witnesseth:

First. The terms and conditions of the Agreement between the City of Allegheny and the Borough of Sharpsburg, as evidenced by an Ordinance of said Borough approved June 3, 1895, and accepted by the City of Allegheny by Ordinance approved July 23, 1895, are hereby annulled, and in lieu thereof the Borough of Sharpsburg and the City of Pittsburgh agree as follows:

1. The City of Pittsburgh is granted the right in perpetuity to maintain in its present location the conduit traversing said Borough of Sharpsburg for the purpose of carrying water from the pumping stations of the City of Pittsburgh to the City of Pittsburgh, and to maintain, repair and replace the same as to the City of Pittsburgh, its proper officers and agents, may seem proper.

2. For the purpose of affording an opportunity for the Borough of Sharpsburg to take water from said main as and when it shall be necessary under the terms of this Agreement, a battery of two meters, at the cost and expense of the Borough of Sharpsburg, shall be placed on the existing connection from said main to the distribution mains of the Borough on Eighteenth Street, said meters to be of the type to be approved by the Director of the Department of Public Works of the City of Pittsburgh before installation and the installation to be approved by him after the work is done.

3. The Borough of Sharpsburg shall be permitted to use said water supply from said conduit without cost to said Borough, in case of emergency

caused by breakage or failure in its own system whereby water cannot be supplied in sufficient quantity from its own system or in case of fire. During the period of time in which the Borough shall take water from said conduit, no water shall be taken into the Borough's lines from its own water system. Immediately upon the putting out of said fire the taking of water from said conduit shall be discontinued; and in case of the breakage of the lines of the Borough's system or failure thereof, the repairs shall be made as expeditiously as possible. In case the Borough desires to take water from said conduit, notice shall forthwith be given to the Bureau of Water of the City of Pittsburgh. Any other water taken from said conduit by the Borough of Sharpsburg shall be paid for by said Borough under the same terms and conditions as other resident consumers of water in the City of Pittsburgh pay, at the current rates provided by Ordinance of the City of Pittsburgh at the time said water is taken.

4. In case it shall become necessary for the City of Pittsburgh to enter upon the streets of the Borough of Sharpsburg for the purpose of making repairs or for the reconstruction of said conduit, the City of Pittsburgh shall immediately upon completion of same restore the surface of the said streets to the same condition they were before opening and the streets shall not be entirely blocked during said work unnecessarily; all of said work to be done under the supervision of the Street Committee of the Council of said Borough of Sharpsburg.

5. The City of Pittsburgh shall and will indemnify and save harmless the said Borough of Sharpsburg of and from all damages, loss or injury, either directly or indirectly, which are in anywise caused to or done either to the public or private property, easements or rights of said Borough, or to the persons, or corporations situate therein by reason of the location, construction, reconstruction, operation and maintenance of the said conduit or removal or abandonment of the same, and from all suits or actions in either

law or equity, of, for or on account of the same, and from all costs and fees, including attorney's fees and expenses, arising therefrom.

This Agreement executed on behalf of the Borough of Sharpsburg pursuant to authority conferred by Ordinance of Council approved..... and recorded in Ordinance Book, Vol., page....., and on behalf of the City of Pittsburgh pursuant to Ordinance of Council approved by the Mayor on..... recorded in Ordinance Book, Vol., page.....

No. 146

AN ORDINANCE—Granting unto the Pittsburgh Railways Company, its successors, lessees and assigns, the right to enter upon, use and occupy Greenfield Avenue and Irvine Street in the City of Pittsburgh, in the manner and between the points hereinafter set forth, for street railway purposes, subject to the terms and conditions herein provided.

Whereas, the City of Pittsburgh is about to undertake an improvement generally referred to as the "Irvine Street Improvement", involving the elimination of certain grade crossings and the re-establishment of the line and grade of certain streets, etc., which makes it necessary and desirable that street railway tracks operated on Second Avenue be relocated on Irvine Street.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

the Pittsburgh Railways Company, its successors, lessees and assigns, shall have the right and they are hereby authorized to enter upon, use and occupy, for street railway purposes, the streets and highways in, on and along the following routes:

Beginning at a point of connection with existing tracks on Second Avenue, 200 feet westwardly as measured along the center line of Second Avenue from its intersection with the center line of Greenfield Avenue; thence curving southeastwardly 100 feet, more or less, to and onto Greenfield Avenue, as re-established by the new improvement hereinbefore referred to; thence eastwardly along Greenfield Avenue 150 feet; thence curving southwestwardly 100 feet, more or less, to and onto Irvine Street as established by the improvement aforesaid; thence southeastwardly along Irvine Street 5,132 feet, more or less, to a point of connection with existing tracks on Second Avenue at a point 185 feet northwest as measured along the center line of Second Avenue from its intersection with the center line of Hazelwood Avenue; and

Beginning again in the center line of Greenfield Avenue 100 feet as measured northeastwardly along the center line of Greenfield Avenue from its intersection with the center line of Irvine Street, as re-established; thence curving southeastwardly 165 feet to and onto Irvine Street to a point of connection with the tracks to be constructed on the route hereinbefore described, upon Irvine Street.

Section 2. The Pittsburgh Railways Company, its successors, lessees and assigns, shall have the right and they are hereby authorized to construct, maintain, operate and use single or double street railway tracks on the routes hereinbefore mentioned, together with the necessary turnouts and connections, and to operate cars thereon, and to use electricity as a motive power, and to erect, maintain and use in the streets and highways

hereinbefore mentioned such posts, poles and other supports as said company may deem convenient for the support and maintenance of an overhead system, and for the operation of street railways, subject, however, to the provisions of an ordinance approved February 25, 1890, entitled "A general ordinance relating to the entry upon, over or under, or the use or occupation of any street, lane or alley, or any part thereof, for any purpose, by passenger or street railway companies, or by companies operating passenger or street railways, and providing reasonable regulations pertaining thereto for the public convenience and safety".

Section 3. That the obligation of the Railways Company relative to paving within the so-called street railway area shall be the same as provided in the agreement between the City of Pittsburgh, Philadelphia Company and Pittsburgh Railways Company, dated December 20, 1921, and amendments during the effective period thereof or any extensions thereof. This provision shall be in lieu of the obligation assumed by the Second Avenue Passenger Railway Company, as per ordinance of November 10, 1884, or the provisions of the general ordinance approved February 25, 1890, and which was accepted by said Company.

Section 4. The Company shall furnish clean, sanitary and well-lighted cars, properly heated and ventilated, and shall provide sufficient cars to furnish reasonable service to accommodate the traffic.

Section 5. The rights and privileges as set forth in this ordinance shall be in effect for a period of one year, and upon the Pittsburgh Railways Company and Second Avenue Passenger Railway Company abandoning and surrendering to the City of Pittsburgh all the rights and privileges which it or they may, might or could have over and along Second Avenue between Greenfield Avenue and a point 185 feet northwest as measured along the center line of Second Avenue from its intersection with the center line of Hazelwood avenue, being the point beyond Hazelwood crossing where the said

tracks to be laid from the extension of Irvine Street intersect with the tracks as now laid on Second Avenue, the said rights and privileges having been granted to the Second Avenue Passenger Railway Company by ordinance approved November 10, 1884, and recorded in Ordinance Book, Vol. 4, page 513, and then and in that event, upon the surrender and abandonment of said rights, the rights and privileges granted in this ordinance shall be substituted therefor and be for the term or period granted in said original ordinance to Second Avenue Passenger Railway Company as hereinbefore referred to.

Section 6. The Pittsburgh Railways Company shall assign any and all of the rights, hereinbefore granted, to the Second Avenue Passenger Railway Company and shall surrender or cause to be surrendered all the rights and privileges granted by the City of Pittsburgh in and by that certain ordinance approved November 10, 1884, and recorded in Ordinance Book, Vol. 4, Page 513, insofar as they affect that portion of Second Avenue between Greenfield Avenue and a point on Second Avenue 185 feet northwest as measured along the center line of Second Avenue from its intersection with the center line of Hazelwood Avenue, said point being where the said tracks to be laid from the extension of Irvine Street intersect with the tracks as now laid on Second Avenue, said assignment and surrender to be completed within one year from the acceptance of this ordinance, and in the event of the failure to accomplish said assignment and surrender, the rights and privileges herein granted to become null and void.

Section 7. This ordinance shall be accepted by the Pittsburgh Railways Company within sixty days after its passage or approval by a certificate of acceptance of all the conditions and provisions thereof. The said certificate to be executed under the corporate seal of the Company, duly attested by the President or Vice President, and the Secretary or an Assistant Secretary thereof, and filed with the Controller of the City.

Section 8. That any ordinance or part of ordinance conflicting with the provisions of this ordinance be and the same is hereby repealed, so far as the same affects this ordinance.

AN ORDINANCE—Vacating that part of Walker Street in the Twenty-first Ward of the City of Pittsburgh lying between the Northerly line of Shore Avenue and the Southerly line of Strong Street continued Westwardly across said Walker Street.

Whereas, it appears by a petition and affidavit on file in the office of the City Clerk that the owners of all the property abutting upon Walker Street between the terminal points hereinafter mentioned have petitioned the Council of the City of Pittsburgh to enact an ordinance for the vacation of the same.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

that part of Walker Street in the Twenty-first Ward of said City lying between the Northerly line of Shore Avenue and the Southerly line of Strong Street continued Westwardly across said Walker Street, shall be and the same is hereby vacated.

Section 2. This vacation is made subject to the city sewers and water lines now constructed in, under and across the portion of the said vacated street, and the City of Pittsburgh reserves the right and privilege to maintain, repair, construct and reconstruct the said sewers and water lines or other public sewers or water lines in, under and across the said portion of the vacated street.

Section 3. This ordinance, however, shall not take effect or be of any force or validity unless the Miller Printing Machinery Company and the Pittsburgh Gray-Iron Foundry Company, the owners of the property abutting on that portion of Walker Street lying between the northerly line of Shore Avenue and the southerly line of Strong Street continued

westwardly across said Walker Street, to be vacated, shall, within thirty (30) days after the passage of this ordinance, pay into the Treasury of the City of Pittsburgh, the sum of Six Thousand One Hundred Seventy-nine (\$6,179.00) Dollars, for the use of the City of Pittsburgh.

AN ORDINANCE—Authorizing the Mayor and the Director of the

Department of Public Works, for and in behalf of the City of Pittsburgh, to enter into an Agreement with the County of Allegheny as to the turning over of funds of the County of Allegheny to the City of Pittsburgh in the matter of the erection and construction of the East Street Bridge.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

the Mayor and the Director of the Department of Public Works for and in behalf of the City of Pittsburgh, shall be and they are hereby authorized to enter into an Agreement with the County of Allegheny in the following language, to-wit:

AGREEMENT

Made this _____ day of _____, A. D., 1929, between the County of Allegheny, party of the first part, hereinafter designated as the "County",

AND

City of Pittsburgh, party of the second part, hereinafter designated as the "City",

both being corporations created by and existing under the laws of the Commonwealth of Pennsylvania.

Whereas, Said County has been authorized and has issued bonds in the amount of \$390,000.00, toward the construction of the East Street Bridge, of which approximately \$3,000.00 has been spent for engineering expenses on said project, leaving a balance of \$387,000.00 in said fund; and,

Whereas, The City of Pittsburgh has been authorized to expend for said project \$535,000.00, as set out in the People's Bond Issues of 1919 and 1926; and,

Whereas, It was agreed between the City and the County that the City build said Bridge and let contracts therefor, and that the County shall pay to the City the funds which were authorized by the electorate of the County for the building of said Bridge; and,

Whereas, It was agreed between the City and the County that upon the letting of the first contract for the

said Bridge that the said County would pay to the City the amount of money in its hands for the building of said Bridge; and,

Whereas, The City has let a contract to Booth & Flinn Company for the building of the foundation of said Bridge and it is about to award a contract for the building of the superstructure;

Now, Therefore, It Is Agreed Between The County And The City that the County shall pay to the City of Pittsburgh the sum of \$387,000.00, being the funds in its hands for the construction of the East Street Bridge, and that in consideration thereof the City agrees to award contracts for the building of said bridge, and to pay for the same in accordance with the terms of said contracts for the building of said bridge; it being expressly understood and agreed that the funds turned over by the County shall be used in the construction of said Bridge.

This Agreement is made in pursuance of a Resolution duly adopted by the Commissioners of Allegheny County on the fifth day of June, 1928, and an Ordinance, No.—, of the City of Pittsburgh, approved the _____ day of _____, 1929, and recorded in Ordinance Book Volume—, Page—.

Witness the corporate seals of the said County and City, duly attested by the signatures of the proper officers thereof, the day and year first above written.

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works for and in behalf of the City of Pittsburgh, to enter into an Agreement with the County of Allegheny, relating to the change of name of Library road to Saw Mill Run Boulevard, the improvement of Saw Mill Run Boulevard, from Woodruff street to Library road (State Highway Route No. 247) and Saw Mill Run Boulevard-McKinley Park Branch, from Saw Mill Run Boulevard to Bausman street, including the locating and re-locating, opening and widening, establishing and re-establishing the grades and fixing the lines of

said Saw Mill Run Boulevard and McKinley Park Branch and providing for the payment of the costs, damages and expenses thereof.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works be and they are hereby authorized and directed to make, execute and deliver in the name of and on behalf of the City of Pittsburgh, an Agreement granting the consent of the City to the County in the following form, to-wit:

AGREEMENT

Made this day of A. D. 1929, between the County of Allegheny, a public corporation of Pennsylvania, hereinafter called "County", party of the first part, and the City of Pittsburgh, a municipal corporation of the State of Pennsylvania, within the limits of said County, hereinafter called the "City", party of the second part.

Whereas, The Saw Mill Run Boulevard, in the City of Pittsburgh consisting of the North Branch, from Warrington avenue to Woodruff street, the South Branch, from West Liberty Avenue to the City of Pittsburgh—Borough of Overbrook line, and from the Borough of Overbrook and former Carrick Borough line to Library Road (State Highway Route No. 247), and the McKinley Park Branch, from the South Branch to Bausman street, as located and opened by City Ordinances, is to be a principal thoroughfare, and

Whereas, The County Commissioners of Allegheny County deem it advisable and necessary to improve said Saw Mill Run Boulevard, in said City between the points mentioned, and are of the opinion that the County should bear a portion of the cost, and the corporate authorities of the City of Pittsburgh believe it will be greatly to the interest and advantage of said City and a great saving of expense thereto, if said improvement of said Boulevard within its corporate limits be made, and the cost and expense thereof be paid jointly by the City and the County as hereinafter specified.

Now, Therefore, This Agreement Witnesseth, That for the consideration hereinafter mentioned, the parties hereto do covenant and agree, to and with each other as follows:

First: The name "Library Road" as located and opened by ordinances of the City of Pittsburgh, shall be changed by ordinance of the City, to "Saw Mill Run Boulevard", from Woodruff street to Library road; and to "Saw Mill Run Boulevard—McKinley Park Branch", from Saw Mill Run Boulevard to Bausman street.

Second: The parties hereto agree that the Saw Mill Run Boulevard, within the limits of said City, for a distance of approximately 13,640.0 feet shall be improved between the following terminal points:

Beginning at Warrington avenue and extending to Woodruff street comprising the North Branch, beginning at West Liberty avenue and extending to the City of Pittsburgh—Borough of Overbrook line, and from the Borough of Overbrook and former Carrick Borough line to Library road (State Highway Route No. 247), and comprising the South Branch, and from the South Branch to Bausman street, comprising the McKinley Park Branch. The consent of the City of Pittsburgh is hereby given to the County of Allegheny to carry out the provisions herein set forth:

Third: Said Saw Mill Run Boulevard between the terminal points, shall be improved by the County to the following widths: North and South Branches, thirty (30') feet of paving and forty-two (42') feet of grading, and the McKinley Park Branch, twenty (20') feet of paving and thirty-three (33') feet of grading, all exclusive of slopes. The work shall be done to lines and grades established by the City and in conformity with plans and specifications prepared by the Department of Public Works of Allegheny County and approved by the Commissioners of said Allegheny County and the Director of the Department of Public Works of the City of Pittsburgh, to the limits shown on said plans.

Fourth: The improvement of said Saw Mill Run Boulevard as set forth in the first and second paragraphs

under this agreement, shall be done by a contract or contracts, awarded therefor, by the County of Allegheny, after approval of the plans and specifications by the Mayor and the Director of the Department of Public Works, of the City of Pittsburgh, pursuant to the Acts of Assembly relating to same. The County shall have charge of the work and the City may, at its own cost and expense, furnish whatever engineering and inspection service it so desires. Any complaint which the City may have as to the manner of construction or the materials or methods used, shall be made in writing to the Director of the Department of Public Works of Allegheny County, within three (3) days, otherwise all work and materials shall be considered by the County as being done and furnished, placed or erected, satisfactory to the City.

Fifth: The City agrees at its own cost and expense, to construct all sanitary sewers or storm water drains, including house or other connections required within the limits of this improvement, prior to or during the construction work to be done by the County under this agreement, exclusive, however of the storm water drains shown on the boulevard plans as approved. The City also agrees to require the construction of any water lines with the necessary house or other connections, fire hydrants, gate boxes, etc., within the limits of this improvement, at the cost or expense of the City, individuals or public Utility Companies, prior to or during the construction work to be done by the County under this Agreement. All work on sanitary sewers, storm water drains and water lines, shall be done by the City or Utility Company in such a manner that no interference or delay shall be occasioned to the County's contractor on this work. The altering, resetting or reconstructing of existing catch basins or storm inlets within the limits of this improvement shall be included in the construction work to be performed by the County under the terms of this agreement.

Sixth: The City agrees to enact any ordinances which may be neces-

sary to locate, relocate, open or widen, establish or re-establish the grade and curb lines of said Saw Mill Run Boulevard, as shown on the plans as approved, as well as any existing streets or alleys affected by this improvement to condemn or otherwise secure all private or public property necessary for this purpose.

Seventh: The City agrees to assume and become liable for all damages occasioned by reason of this improvement by the opening, locating, relocating, widening, establishing or re-establishing of grades required for the aforesaid improvement of the Saw Mill Run Boulevard, as shown on the plans as approved, between the terminal points hereinbefore mentioned. The City agrees that it will assume and become liable for all damages to property, including surface and sub-surface structures, caused by said improvement of the Saw Mill Run Boulevard, including damages to person or property occasioned from any obstruction on said roadway or part thereof, not due to the negligence of the said County or its contractor or contractors. The City agrees to affect the re-construction of the bridge of the Pittsburgh Railways Company, so that no bents or supports of said bridge shall be located within or encroach upon the lines of the Saw Mill Run Boulevard, McKinley Park Branch, and further agrees to relieve the County of any cost or expense whatsoever occasioned thereby.

Eighth: The City agrees to light the Boulevard and maintain the necessary lighting system. It is further agreed that after the completion of the improvement aforesaid, the City shall maintain and keep the Saw Mill Run Boulevard, including all structures incidental to the improvement, between the terminal points hereinbefore described, in good repair, and the County shall be forever afterwards relieved of any responsibility for the maintenance or repair thereof.

Ninth: The City agrees to give all notices to fully advise all parties concerned of the proposed improvement, and to require all service companies and private parties to make the necessary repairs and connections

to existing utilities and to install any new utilities with their house or other connections to points outside the limits of this improvement, prior to or during the construction of the boulevard.

Tenth: In case the City installs either water or sewer lines on this highway after the signing of this agreement, the City agrees to backfill the trench or trenches in a workmanlike manner and place any concrete over the same that may be required to reinforce the sub-grade to permit the paving of the street. Where public service corporations or individuals open such trenches, the City shall require said corporations or individuals to backfill the trenches in a workmanlike manner and provide any concrete necessary to reinforce the sub-grade to permit the paving of the street; or the City may require said corporations or individuals to pay for said work, which shall be done by the City of Pittsburgh's forces. The City agrees to relieve the County of the responsibility for the failure of any part of the paving of the roadway or any structures occasioned by the subsidence of any trenches opened by the City, public service corporations or individuals, whether said trenches are opened before or after the paving of this Boulevard by a contract or contracts let by Allegheny County.

Eleventh: The City agrees to pay to the County the additional cost of backfilling any trenches with slag and the cost of removing and replacing concrete slabs for pavement over said trenches, when trenches opened by either the City or others are found in such condition as to endanger the strength or stability of the work to be done by the County. In case such trenches are found, their condition shall be brought to the attention of the Director of Public Works of the City by letter, and if the condition is not corrected by the City within three days after the delivery of such letter, the County shall correct the condition and bill the City for the actual construction cost of the same.

In Witness Whereof, The County has caused its common and corporate

seal to be affixed hereto, duly attested by the Chief Clerk of the County Commissioners, and this agreement to be signed by its County Commissioners, and this agreement is signed and executed in the name of the City of Pittsburgh, by the Mayor and the Director of the Department of Public Works, and the Seal of the City is by its proper officers hereto affixed, they being duly authorized so to do by Ordinance of said City, all done this day and year aforesaid.

No. 158

AN ORDINANCE — Authorizing and directing the Mayor and the Director of the Department of Public

Works, for and in behalf of the City of Pittsburgh, Pa., to enter into an agreement with the Baltimore and Ohio Railroad Company, operating the Pittsburgh Junction Railroad Company, concerning the construction of the 33rd Street Relief Sewer in the City of Pittsburgh.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, shall be and they are hereby authorized and directed to enter into an agreement with the Baltimore and Ohio Railroad Company, operating the Pittsburgh Junction Railroad Company, concerning the construction of the 33rd Street Relief Sewer in the City of Pittsburgh, Pa., said agreement to be in the following form:

AGREEMENT

Made and entered into this..... day of.....19....., between the City of Pittsburgh, a Municipal Corporation of the Commonwealth of Pennsylvania, hereinafter called the "City", by Charles H. Kline, Mayor, and Edward G. Lang, Director of the Department of Public Works, party of the first part,

AND

the Baltimore and Ohio Railroad Company, a corporation of the State of Maryland, operating the Pittsburgh Junction Railroad Company, party of the second part, hereinafter called the "Railroad Company".

Whereas, the City of Pittsburgh contemplates the construction of a relief sewer in the 33rd Street Drainage Basin, extending eastwardly along 33rd Street and along and adjacent to Neville Street, from Liberty Avenue to a point in the vicinity of Cayuga Street; and,

Whereas, the tracks and structures of the Railroad Company are located along and adjacent to 33rd Street and Neville Street practically throughout the entire length of the proposed relief sewer construction; and,

Whereas, in connection with the construction of the 33rd Street Relief

Sewer, eastwardly of Liberty Avenue, it will be necessary to cross under the tracks and structures of the Railroad Company, and parallel said tracks and structures of the Railroad Company in close proximity to same, all of which location is shown in red on attached plan, drawing No. 12879, Railroad Plan, copy of which is attached hereto and made a part hereof; and,

Whereas, in order to protect the tracks and structures of the Railroad Company, the said Railroad Company desires that certain portions of said relief sewer work shall be done by the Railroad Company and that certain portions of the work to be carried out by the City shall be done in a certain manner.

Now, Therefore, This Agreement Witnesseth, that for the considerations hereinafter mentioned, the parties hereto do covenant and agree to and with each other as follows:

THE RAILROAD COMPANY WILL

1. Without compensation grant to the City easements for the construction of its sewer where same crosses private railroad property at the corner of Liberty Avenue and 33rd Street and at points between 33rd Street and the Railroad's "High Line" in Neville Street, all as shown on Railroad Plan No. 12879, as easements 1, 2 and 3.

2. Build the sewer for a distance of about 135 lineal feet from station 28 plus 35.42 to station 29 plus 70.98, crossing under the retaining walls and tracks of said Railroad Company's "High Line", including special work necessary to support said retaining walls and tracks, and in accordance with plans approved by the City and under the supervision of the City. The Railroad Company to receive from the City a contribution at the rate of \$125.00 per lineal foot of said sewer to apply on the cost of this construction as hereinafter provided.

3. At its own expense construct switchback arrangement shown in yellow on drawing No. 12879 and remove same on completion of the work, restoring streets and ways to their original condition.

4. Reimburse the City of Pittsburgh for special precautions to be used in the construction of that part

of the sewer along Neville Street extending from station 29 plus 70.98 eastwardly for approximately 2100 feet, as follows:

- (a) For additional sheeting and bracing.....\$ 7392.00
- (b) For bolting knee braces..... 1890.00
- (c) For concrete backfill.. 10773.00

\$20,055.00

all as shown on Plan Access. No. D. 3809, City Drawing, dated January, 1929, and revised under date of March 2nd, 1929, on file in the Bureau of Engineering, Department of Public Works of the City of Pittsburgh.

5. At its own expense take up and relay its tracks on Neville Street progressively as required during the construction of the sewer.

THE CITY WILL

1. In general, exercise all reasonable precautions for the support of the adjoining ground and structures, leaving in place all timber bracing and sheeting and having the trench backfilled with suitable material properly tamped, wherever said sewer construction adjoins or affects the tracks and structures of the Railroad Company.

2. Construct said sewer under the tracks leading to the 33rd Street freight house of the Railroad Company by the tunnel method, or in lieu of that, at its own expense support said tracks to the satisfaction of the Railroad Company's engineer during the excavation for and construction of said sewer. The tracks so supported to include any affected portions of the main lead track to the freight house, at or near the point where the City sewer turns across the Railroad "High Line".

3. Contribute at the rate of \$125.00 per lineal foot toward the cost of the special construction of that section of the sewer to be built by said Railroad under its main tracks and retaining walls from station 28 plus 35.42 to station 29 plus 70.98, a distance of about 135 lineal feet as shown on drawing No. 12879 hereto attached and in detail on City plan dated January, 1929, as revised March 2nd, 1929, Access. No. D-3809.

4. For the remaining portion of the sewer to be constructed on the northerly side of and parallel to the "High Line" tracks of said Railroad, extending eastwardly from station 29 plus 70.98, a distance of approximately 2100 lineal feet as shown on plan No. 12879, the City shall take special precautions for the support of retaining walls and tracks adjacent to its sewer excavation, as shown on plan Access. No. D-3809, City drawing, dated January 1929, and revised under date of March 2nd, 1929, for which the Railroad Company will compensate the City as hereinbefore provided. The City will, however, at its own expense, put in bottom walers and cross braces at each section of the excavation where foundation is not in rock or hard shale.

5. The Railroad Company agrees to pay to the Treasurer of the City of Pittsburgh, within thirty (30) calendar days after the completion of all of the portions of the sewer contemplated in this agreement, the difference between the totals of the City's contribution and the Railroad Company's reimbursement to the City, as above provided.

6. The City is concerned, together with the Railroad Company, in the maintenance of railroad sidings serving industries on the northerly side of Neville Street and to that end will assist the Railroad Company by the issuance of the necessary permits for occupation of streets and by using its influence with adjoining property owners to provide for the construction of a switchback arrangement of tracks, shown in yellow on said drawing No. 12879, so that during the construction of its sewer on Neville Street, the Railroad Company may maintain service by track connections to both east and west ends of the Neville Street tracks, portions of which will be taken up progressively, during the construction of the sewer.

It is understood and agreed that neither the purpose nor intent nor obligation of this contract, if and when approved by the Public Service Commission of the commonwealth of Pennsylvania, is such as to impair or in anywise affect the exercise by said Commission of any of the powers

vested in it by the Public Service Company laws, approved July 26th, 1913.

In Witness Whereof, the parties to this agreement each, pursuant to proper ordinances and resolutions authorizing the same, hereto affixed their respective seals, duly attested by the proper officers the day and year first above written.

No. 159

AN ORDINANCE—Granting unto the

Crandall-McKenzie & Henderson, Incorporated, its successors and assigns, the right to construct, maintain and use two 2" pipe lines under and across Graib Street for the purpose of transporting steam and water from a building on the north side to their tank pit on the south side of Graib Street, properties of the Crandall-McKenzie & Henderson Incorporated, 25th Ward, Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the Crandall-McKenzie & Henderson Incorporated, its successors and assigns, be and are hereby given the right and authority at its own cost and expense to construct, maintain

and use two 2" pipe lines under and across Graib Street for a distance of 30', located 298' west of Compromise Street at an approximate depth of 4' below grade of Street for the purpose of transporting steam and water from a building on the north side to their tank pit on the south side of Graib Street, properties of the Crandall-McKenzie & Henderson, Incorporated, 25th Ward, Pittsburgh, Pa.

The said two 2' pipe lines shall be constructed in accordance with the provisions of this Ordinance and in accordance with the plan hereto attached and identified as Accession No. B-340, Folder "B", in the files of the Division of Public Utilities, Bureau of Highways & Sewers, Department of Public Works, entitled, "Proposed two 2' pipe lines under and across Graib Street for the Crandall-McKenzie & Henderson, Incorporated, 25th ward, Pittsburgh, Pa."

Section 2. The said party, prior to beginning the construction of the said pipe lines, shall submit to the Director of the Department of Public Works of the said City a complete set of plans showing the location and all details for the construction of the said pipe lines, and said plans and the construction of the said pipe line shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of pipe line in City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said pipe lines. All of the said work, including the paving of the street damaged, shall be done in the manner and at such

times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said pipe lines, upon giving six (6) months' notice through the proper officers pursuant to resolution or ordinance of Council to Crandall-McKenzie & Henderson, Incorporated, its successors and assigns, to that effect; and that the said grantee, when so notified, shall at the expiration of the said six (6) months forthwith, remove the said pipe lines and replace the street to its original condition, at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh, for damages to persons or property, including the street and sub-surface structures therein, by reason of the construction, maintenance and use of the said pipe lines, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within thirty (30) days after its passage and approval Crandall-McKenzie & Henderson, Incorporated shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance be and the same is hereby repealed so far as the same affects this Ordinance.

No. 160

AN ORDINANCE—Granting unto the Pittsburgh Railways Company,

its successors, lessees and assigns, the right to enter upon, use and occupy Loretto Street, between Murray and Greenfield Avenues, for street railway purposes, and to install certain connecting curves at the intersection of Loretto Street with Greenfield and Murray Avenues, and at the intersection of Murray Avenue with Hazelwood Avenue, subject to the terms and conditions herein provided.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Pittsburgh Railways Company, its successors, lessees and assigns, shall have the right and they are hereby authorized to enter upon, use and occupy for street railway purposes the streets and highways in, on and along the following routes, to-wit:

(a) Beginning in the northbound track on Murray Avenue at right angles opposite a point in the west curb of Murray Avenue, situated 33 ft. south as measured along the said west curb from its intersection with the south curb of Loretto Street, thence northwestwardly by spiral and circular curves 37 ft. to and onto Loretto Street, thence westwardly along and upon Loretto Street, by a proposed westbound track to be constructed along Loretto Street 150 ft. more or less to a point, thence curving northwestwardly by spiral and circular curves 76 ft. to a point of connection with the northbound track on Greenfield Avenue at right angles opposite a point in the east curb of Greenfield Avenue 37 ft. 6 in. more or less as measured northwardly along the said curb from its intersection with the north curb line of Loretto Street.

(b) Beginning again in the northbound track on Greenfield Avenue at right angles opposite a point in the east curb of Greenfield Avenue 37 ft. 6 in. as measured southwardly along the said curb from its intersection with the south curb line of Loretto Street, thence northeastwardly by spiral and circular curve 80 ft. to and onto Loretto Street, thence by tangent eastwardly along Loretto Street in the position for an eastbound track to be built on this street 152 ft. to a point, thence curving

northeastwardly 85 ft. more or less to and onto Murray Avenue to a point of connection with the northbound track on Murray Avenue at right angles opposite a point in the west curb on Murray Avenue 33 ft. as measured northwardly along the said west curb from its intersection with the north curb of Loretto Street.

(c) Beginning again in the proposed westbound track on Loretto Street at right angles opposite a point in the north curb line of Loretto Street 38 ft. more or less as measured eastwardly along the said curb line from its intersection point with the east curb line of Greenfield Avenue, thence southwestwardly by circular and spiral curves 91 ft. more or less to a point of connection with the southbound track on Greenfield Avenue south of Loretto Street.

(d) Beginning again in the southbound track on Murray Avenue at right angles opposite a point in the west curb of Murray Avenue 90 ft. as measured northwardly along the said west curb from its intersection with the north curb of Hazelwood Avenue, thence by spiral and circular curves southwestwardly 135 ft. more or less to a point of connection with the westbound track on Hazelwood Avenue at right angles opposite a point in the north curb line of Hazelwood Avenue situated 53 ft. as measured westwardly along the said north curb line from its intersection with the west curb line of Murray Avenue, and including also the right to remove the existing curb returns at Loretto Street and Greenfield Avenue, and to install in place of the same curb returns of 14 ft. radius.

Section 2. Pittsburgh Railways Company, its successors, lessees and assigns, shall have the right and they are hereby authorized to construct, maintain, operate and use street railway track upon the routes hereinbefore mentioned, together with the necessary turnouts and connections, and to operate cars thereover, and to use electricity as a motive power, and to erect, maintain and use in the streets and highways hereinbefore mentioned such posts, poles, and other supports as may be deemed convenient for the support and main-

tenance of an overhead system, and for the operation of street railways, subject, however, to the provisions of an ordinance approved February 25, 1890, entitled "A general ordinance relating to the entry upon, over, or under, or the use or occupation of any street, lane or alley or any part thereof, for any purpose, by passenger or street railway companies, or by companies operating passenger or street railways, and providing reasonable regulations pertaining thereto for the public convenience and safety".

Section 3. The Company shall furnish clean, sanitary and well lighted cars, properly heated and ventilated, and shall provide sufficient cars to furnish reasonable service to accommodate the traffic.

Section 4. The Pittsburgh Railways Company may assign any of the rights hereinbefore granted to such of the underlying companies operated or to be operated by it as it deems proper, subject to the consent of Council of the City of Pittsburgh, and subject also to the acceptance by said underlying companies of all the terms and provisions of this ordinance.

Section 5. This ordinance shall be accepted by the Pittsburgh Railways Company within Sixty (60) days after its passage or approval, by a certificate of acceptance of all the conditions and provisions thereof. The said certificate to be executed under the corporate seal of the Company, duly attested by the President or Vice President, and the Secretary or an Assistant Secretary thereof, and filed with the Controller of the City.

Section 6. The term of this grant shall be for the period of fifty (50) years from the date of acceptance hereof.

Section 7. That any ordinance or part of ordinance conflicting with the provisions of this ordinance be and the same is hereby repealed so far as the same affects this ordinance.

AN ORDINANCE—Granting unto the Pittsburgh Piping & Equipment Company, its successors and assigns, the right to construct, maintain and use 5 concrete piers extending into 41st Street at a maximum of 2' 4½" from building line at a minimum depth of 2' below grade of street for the purpose of erecting a proposed building on leased property of the City of Pittsburgh, 9th Ward, Pittsburgh, Pa.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Pittsburgh Piping & Equipment Company, its successors and assigns are hereby given the right and authority at its own cost and expense to construct, maintain and use 5 concrete piers extending into 41st Street at a maximum of 2' 4½" from building line at a minimum depth of 2' below grade of street for the purpose of erecting a proposed building on leased property of the City of Pittsburgh, pursuant to an Ordinance of Council No. 138 approved May 18, 1918, volume 29, page 424 to the Epping Carpenter Company, assigned to Worthington Pump & Machinery Corporation and renewed by the Pittsburgh Piping & Equipment Company on June 1, 1924 for a period of ten (10) years, 9th Ward, Pittsburgh, Pa.

The said grant shall be in accordance with the provisions of this Ordinance and in accordance with plan hereto attached and identified as Accession No. B-342, Folder "B", in the

files of the Division of Public Utilities, Bureau of Highway & Sewers, Department of Public Works, entitled, "Proposed extension of concrete piers into 41st Street for a proposed building or leased property of the City of Pittsburgh, 9th Ward, Pittsburgh, Pa."

Section 2. The said Company, prior to the construction of said piers, shall submit to the Director of the Department of Public Works a complete set of plans showing location and all details for the construction of said piers, and the said plans shall be subject to the approval and supervision of the Director of the Department of Public Works

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of sidewalks and street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the maintenance and use of the said sidewalks and streets. All of the said work shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said piers, upon giving six (6) months' notice through the proper officers pursuant to resolution or ordinance of Council to the said Pittsburgh Piping & Equipment Company, its successors and assigns, to that effect; and that the said grantee shall, when so notified, at the expiration of the said six months, forthwith, remove the said piers and replace the sidewalks and streets to their original condition, at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of concrete piers in said sidewalks and streets and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within thirty (30) days after its passage and approval, the Pittsburgh Piping & Equipment Company, shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 8. That any ordinance or part of Ordinance conflicting with the provisions of this Ordinance be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Granting unto the Clark Lumber Company, its successors and assigns, the right to construct, maintain and use 5 concrete piers extending into Tripoli Street a maximum distance of 2' from building line at a minimum depth of 2' below grade of street for the purpose of erecting a proposed building, property of the Clark Lumber Company, 23rd Ward, Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the Clark Lumber Company, its successors and assigns, are hereby given the right and authority at its own cost and expense to construct, maintain and use 5 concrete piers extending into Tripoli Street a maximum distance of 2' from building line at a minimum depth of 2' below grade of street for the purpose of erecting a proposed building located 165' 8¼" east of Middle Street, property of the Clark Lumber Company, 23rd Ward, Pittsburgh, Pa.

The said grant shall be in accordance with the provisions of this ordinance and in accordance with the plan hereto attached and identified as Accession No. B-343, Folder "B" in the files of the Division of Public Utilities, Bureau of Highways & Sewers, Department of Public Works, entitled, "Proposed extension of concrete piers into Tripoli Street for a proposed building property of the Clark Lumber Company, 23rd Ward, Pittsburgh, Pa.

Section 2. The said Company, prior to the construction of said piers, shall submit to the Director of the Department of Public Works a complete set of plans showing location and all details for the construction of said piers, and the said plans shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of sidewalks and street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the maintenance and use of the said sidewalks and streets. All

of the said work shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said piers, upon giving six (6) months' notice through the proper officers pursuant to resolution or ordinance of Council to the said Clark Lumber Company, its successors and assigns, to that effect; and that the said grantee shall, when so notified, at the expiration of the said six months, forthwith, remove the said piers and replace the sidewalks and streets to their original condition, at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of concrete piers in said sidewalks and streets and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within thirty (30) days after its passage and approval, the Clark Lumber Company, shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

AN ORDINANCE — Authorizing and directing the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, to enter into a contract with The Pittsburgh & West Virginia Railway Company, a corporation organized and existing under the laws of the Commonwealths of Pennsylvania and West Virginia, supplemental to and in amendment of a contract authorized by an Ordinance entitled, "An ordinance authorizing and directing the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, to enter into a contract with the West Side Belt Railroad Company, a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, and the Pittsburgh & West Virginia Railway Company, a corporation organized and existing under the laws of the Commonwealth of Pennsylvania and West Virginia, for the purpose of securing certain property for public park purposes, providing for the construction of an undergrade crossing between Woodstock street and Vale street, and providing for the payment of certain moneys to the said railroad and railway companies, and fixing the terms and conditions thereof," approved February 13, 1925, and recorded in Ordinance Book Volume 36 Page 184.

WHEREAS, By Ordinance entitled, "An ordinance authorizing and directing the Mayor and the Director of the Department of Public Works, for and in behalf of the City of

Pittsburgh, to enter into a contract with the West Side Belt Railroad Company, a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, and the Pittsburgh & West Virginia Railway Company, a corporation organized and existing under the laws of the Commonwealth of Pennsylvania and West Virginia, for the purpose of securing certain property for public park purposes, providing for the construction of an undergrade crossing between Woodstock street and Vale street, and providing for the payment of certain moneys to the said railroad and railway companies, and fixing the terms and 'conditions thereof,' approved February 13, 1925 and recorded in Ordinance Book Volume 36 Page 184, the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, were authorized to enter into a contract with the West Side Belt Railroad Company and the Pittsburgh and West Virginia Railway Company, which contract was duly executed by the parties thereto; and

WHEREAS, In the second paragraph of said contract it is provided: "In the construction of said parkway and sewer the portion from a point near Woodstock street to a point near Vale street shall lie in a permanent tunnel or subway under the tracks and property of the said railroad companies," * * * —and WHEREAS, In the third paragraph of said contract the location of said tunnel or subway is shown in Exhibit "C," as provided therein; and

WHEREAS, The parties to the said agreement have considered that it is advisable to change the location of said tunnel or subway so that it shall be situated on a line eastward of the location as shown on said Exhibit "C", and have agreed that in the doing of the work the method as provided in the original contract by tunneling shall not be pursued, but that the work can be done by an open cut in which shall be constructed the said subway to the elevation provided for and closed in by masonry, the construction above which shall be back-filled earth to an elevation sufficient to close said cut to the line of the trackage of the said Railroad Company; and

WHEREAS, Since said contract dated December 14, 1925, was entered into, The Pittsburgh & West Virginia Railway Company has acquired and now owns all the assets and property of said West Side Belt Railroad Company; Therefore

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, be and they are hereby authorized and directed to enter into a supplemental agreement with the aforesaid The Pittsburgh & West Virginia Railway Company in the following language:

SUPPLEMENTAL ARTICLES OF
AGREEMENT

MADE AND CONCLUDED this.....

.....day of

1929 by and between the CITY OF PITTSBURGH, a municipal corporation of the County of Allegheny and Commonwealth of Pennsylvania, hereinafter called "City," party of the first part, and THE PITTSBURGH & WEST VIRGINIA RAILWAY COMPANY, a corporation organized and existing under the laws of the Commonwealths of Pennsylvania and West Virginia, hereinafter called the "Railroad Company," party of the second part,

WHEREAS, Said West Side Belt Railroad Company and The Pittsburgh & West Virginia Railway Company heretofore entered into a contract dated December 14, 1925, with the City of Pittsburgh, providing inter alia for the construction of a parkway from a point near Woodstock street to a point near Vale street, in a permanent tunnel or subway under the tracks and property of said Railroad Companies, as by reference to said contract will more fully appear; and

WHEREAS, Since said contract was entered into, all of the franchises and property of said West Side Belt Railroad Company have been acquired and are now owned by said The Pittsburgh & West Virginia Railway Company;

NOW THIS AGREEMENT WITNESSETH: That the parties hereto, for the mutual benefits accruing to each other, do covenant, stipulate and agree, to and with each other, as follows:

First: That the contract between the parties hereto, dated December 14, 1925, be modified and changed in the following particulars:

(1) That the tunnel or subway provided for in the second paragraph of said agreement need not be constructed, but that the City may construct the parkway mentioned therein (the sewer having already been constructed) in an open cut, which shall be closed at the top at a proper elevation by masonry, and filed over the roof with earth to the line of the tracks of the said Railroad Company.

(2) That the location of said parkway may be moved eastwardly from the location as shown on Exhibit "C" mentioned in the third paragraph of said contract, to the position shown on Exhibit "C" revised which is identified by the signatures of the Chief Engineer of the Railway Company and the Director of the Department of Public Works of the said City, and made part hereof.

(3) All detailed plans for the construction of said subway and the method of construction, including the method of supporting the tracks and roadbed of the railroad shall be submitted to the Chief Engineer of the Railway Company and the said City of Pittsburgh shall be responsible for the support of the tracks and roadbed of the Railway Company during such construction and shall be responsible at all times thereafter for any insufficiency or failure of the subway structures erected by the City to furnish adequate support for said railroad.

Second. It is understood and agreed that the purpose of this contract is to change the location and character of the subway provided by said original contract, and that all the terms and provisions of said original contract except as expressly modified hereby, shall continue in force and effect.

Third. It is understood that this contract is, insofar as it provides for

the construction of the subway under the tracks of the Railway Company, subject to the approval of the Public Service Commission of Pennsylvania, and the issuance of the requisite certificate of public convenience by it; and it is further agreed that the plans for the construction of said subway and sewer shall be subject, as hereinbefore provided, to the approval of the Chief Engineer of the Railway Company, but the same shall be subject to such modifications and conditions, not involving any expense on the part of the Railway Company, as may legally be prescribed by said Public Service Commission.

This contract is entered into by the City pursuant to Ordinance No. approved and recorded in Ordinance Book, Volume Page

No. 271

AN ORDINANCE—Granting unto the Duquesne Street Railway Company, its successors, lessees and assigns, the right to enter upon, use

and occupy Sixth Avenue, between Diamond Street and Forbes Street, in the City of Pittsburgh, for street railway purposes, subject to the terms and conditions herein provided.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the Duquesne Street Railway Company, its successors, lessees and assigns, shall have the right and they are hereby authorized to enter upon, use and occupy for street railway purposes the streets and highways in, on and along the following route, to-wit:

Beginning in the south line of Diamond Street (formerly Old Avenue) at points of connection with existing tracks now constructed along Sixth Avenue and crossing Diamond Street; thence by double tracks in a southerly direction along and upon property recently acquired by the City of Pittsburgh for an extension of Sixth Avenue, a distance of 62 ft., more or less, to the north line of Forbes Street, and to points of connection with the existing tracks which cross the north flank of Forbes Street, leading to the aforesaid property recently acquired by the City of Pittsburgh.

Section 2. The Duquesne Street Railway Company, its successors, lessees and assigns, shall have the right and they are hereby authorized to construct, maintain, operate and use a single or double street railway track on the route hereinbefore mentioned, together with the necessary turnouts and connections, and to operate cars thereon, and to use electricity as a motive power, and to erect, maintain and use, in the streets and highways hereinbefore mentioned, such posts, poles and other supports as said Company may deem convenient for the support and maintenance of an overhead system, and for the operation of street railways, subject, however, to the provisions of an ordinance approved February 25, 1890, entitled "A general ordinance relating to the entry upon, over, or under, or the use or occupation of any street, lane or alley or any part thereof, for any purpose, by passenger or street railway companies, or by companies oper-

ating passenger or street railways, and providing reasonable regulations pertaining thereto for the public convenience and safety".

Section 3. The Company shall furnish clean, sanitary and well lighted cars, properly heated and ventilated, and shall provide sufficient cars to furnish reasonable service to accommodate the traffic.

Section 4. The Duquesne Street Railway Company may assign any of the rights hereinabove granted to such of the underlying companies operated or to be operated by it as it deems proper, subject to the consent of Council of the City of Pittsburgh, and subject also to the acceptance by said underlying companies of all the terms and provisions of this ordinance.

Section 5. This ordinance shall be accepted by the Duquesne Street Railway Company within Sixty (60) days after its passage or approval, by a certificate of acceptance of all the conditions and provisions thereof. The said certificate to be executed under the corporate seal of the Company, duly attested by the President or Vice President and the Secretary or an Assistant Secretary thereof, and filed with the Controller of the City.

Section 6. That any ordinance or part of ordinance conflicting with the provisions of this ordinance be and the same is hereby repealed so far as the same affects this ordinance.

No. 272

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works of the City of Pittsburgh to make, execute and deliver in the name of and for the City of Pittsburgh a contract with the United Traction Company of Pittsburgh and Pittsburgh Railways Company, as parties of the first part, and the City of Pittsburgh, as party of the second part, providing for the temporary abandonment of the outbound street railway track on Cambronne Street

and Wynthurst Street, as more particularly described in said agreement, and the relocation of the inbound track on the same streets and between the same points, all in the City of Pittsburgh.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor and the Director of the Department of Public Works of the City of Pittsburgh be and they are hereby authorized and directed to make, execute and deliver in the name of and for the City of Pittsburgh a contract with the United Traction Company of Pittsburgh and the Pittsburgh Railways Company, for the temporary abandonment of the outbound street railway track on Cambronne Street and Wynthurst Street, as more particularly described in said agreement, and the relocation of the inbound track on the same streets and between the same points, and affix the seal of the City of Pittsburgh thereto.

Section 2. Said contract shall be on such terms and conditions as provided by law, satisfactory to the said Director of the Department of Public Works, and approved by the City Solicitor, and the same shall be presented to the Finance Committee of City Council of the City of Pittsburgh for its sanction before its execution.

ARTICLES OF AGREEMENT

Made and entered into this—day of—, A. D. 1929, by and between the United Traction Company Of Pittsburgh and Pittsburgh Railways Company, both corporations of the Commonwealth of Pennsylvania, hereinafter referred to collectively as "Railway Companies", parties of the first part, and the City Of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, party of the second part.

WITNESSETH

Whereas, the Act of Assembly of the Commonwealth of Pennsylvania, approved on the 3rd day of May, 1905, P. L. 379, authorizes the making of contracts between cities, boroughs and townships of the one part and street passenger railway companies and motor power companies of the

other part, "to secure the removal of any street railway tracks already laid, etc." and this contract is entered into pursuant to the provisions of the said Act of Assembly; and

Whereas, the City of Allegheny, now a part of the City of Pittsburgh, did by ordinance approved March 20, 1894, grant unto the North End Passenger Railway Company, its lessees, successors and assigns, the right to construct, maintain and operate a street railway, inter alia, upon the following streets: " * * * thence along Cambridge Street (now Cambronne Street) to Winthrop Street (now Wynthurst Street), and thence along Winthrop Street (now Wynthurst Street) to California Avenue, with single or double tracks", all now in the City of Pittsburgh; and

Whereas, the North End Passenger Railway Company, pursuant to the above recited ordinance, constructed the double track street railway now in use upon the streets and highways, and over the route hereinafter more fully set forth and described; and

Whereas, the North End Passenger Railway Company, by agreement dated September 4, 1925, sold all of its property and franchises to United Traction Company of Pittsburgh, and the North End Passenger Railway Company ceased to exist as of May 17, 1926, and by virtue of an operating agreement, dated December 30, 1901, between the United Traction Company of Pittsburgh and the Pittsburgh Railways Company, all of the property and franchises of said United Traction Company of Pittsburgh are now in the possession of and being operated by said Pittsburgh Railways Company; and

Whereas, the City of Pittsburgh deems it necessary for the public benefit and convenience that the Railway Companies shall temporarily abandon one of the tracks of the double track street railway on the streets and highways as hereinafter more fully described and set forth, and cease to use the same, and is willing to keep said streets and highways free from said second street railway track, and to permit the relocation of the remaining street railway track, and the Railway Com-

panies are willing to temporarily abandon one of the tracks of the double track street railway on said streets and highways as hereinafter described on the terms and conditions hereinafter recited.

Now, Therefore, This Agreement Witnesseth: That the parties hereto, in consideration of the mutual covenants and conditions herein recited, do mutually agree as follows, each binding itself, its successors and assigns, to the other, its successors and assigns.

First: The Railway Companies agree that they will temporarily abandon the outbound track of the double track street railway beginning in the northbound track on Cambronne Street (formerly Cambridge Street) at right angles opposite a point in the west curb line of Cambronne Street, situated 58 ft. more or less southeastwardly as measured along the said west curb line from its intersection with the south curb line of Wynthurst Street (formerly Winthrop Street); thence curving northwestwardly 110 ft. more or less to and on to Wynthurst Street; thence westwardly by tangent along the present outbound track on Wynthurst Street, 420 ft. more or less to a point at right angles opposite the center line of Claude Way, all in the City of Pittsburgh, and will cease to operate street cars along and over said track for the term hereinafter mentioned.

Second: This agreement shall be in effect for 49 years from the date hereof, provided, however, that the Railway Companies, their successors and assigns, or any of them, shall have the right at any time previous to the end of the term above provided, if they deem it necessary for the improvement of the service, to reconstruct said railway track or any portion thereof, and the appurtenances upon said streets and highways and to connect said railway track or so much thereof as may be reconstructed as provided for herein, with the railway tracks on the streets and highways of the said City in the same manner as they are connected at the date hereof, and shall have the same rights and privileges as they had before said track and appurtenances

were removed, and this agreement, insofar as it affects any track reconstructed, shall thereupon terminate and be of no further effect. Upon the expiration of the term of this agreement, or the termination of the same for any reason, the Railway Companies may reconstruct said railway track and appurtenances upon said streets and highways in the said City of Pittsburgh in the same manner as they are connected at the date hereof, and with the same rights and privileges as they had before said track and appurtenances were removed.

In the event, however, that the entire railways system of Pittsburgh is unified and consolidated into one single ownership and the various mortgages on said system satisfied, and a general mortgage covering the entire system executed in lieu thereof, the right and permission which the railway companies have to relay their track on said streets shall be terminated, subject to the provisions hereof; that The Public Service Commission may direct that the facilities and service be restored.

Third: In case of the foreclosure of any of the following mortgages:

(a) Mortgage of the United Traction Company of Pittsburgh to Maryland Trust Company of the City of Baltimore, Trustee, dated July 9, 1897, and recorded in the Recorder's Office of Allegheny County in Mortgage Book Vol. 818, page 8; or

(b) General Mortgage of the Pittsburgh Railways Company to the Guaranty Trust Company of New York, dated March 31, 1913, and recorded in the Recorder's Office of Allegheny County in Mortgage Book Vol. 1519, page 1; or

(c) Any mortgages given in renewal or substitution of the mortgages hereinbefore referred to, the purchaser or purchasers, at judicial sale, or the company or companies organized by such purchaser or purchasers, shall have the right, at any time thereafter, to reconstruct or cause to be reconstructed, the railway track and appurtenances so abandoned, and connect the same with the other street railway tracks on the streets and avenues of the said City

in the same manner as they are connected at the date hereof, at such time as such purchaser or purchasers or such company or companies may desire, and operate street railway cars thereon.

Fourth: The City of Pittsburgh covenants and agrees that it will permit such temporary abandonment of the outbound track of the double track street railway on the streets and highways hereinbefore described, and during the continuance of this agreement, municipal consent shall not be granted to any other company or individual to use and occupy said portions of said streets and highways covered by said track for street railway purposes, in accordance with the provisions of said Act of Assembly, but the Railway Companies shall have the right to re-locate the inbound track between the points as hereinbefore described, in the manner to be approved by the Director of the Department of Public Works of the City of Pittsburgh.

Fifth: The Railway Companies, upon the execution of this agreement, at their own cost and expense, shall remove the rails of the outbound track, and shall relocate the inbound track, together with the connecting switches and crossovers, and shall prepare and furnish the paving base within the area previously occupied by the abandoned track, and relocated track, in such manner as to place the top surface of this paving base at the proper elevation for an asphalt wearing surface, and the City, at its own cost and expense shall provide said asphalt wearing surface, and thereafter the Railway Companies shall be relieved of all liability to pave, repave, maintain, keep clean and repair that portion of the aforesaid streets and highways from which the outbound street railway track has been temporarily removed, until such time as the said track may be duly reconstructed and used.

All of the provisions of this agreement, which has been authorized by Ordinance No.—, Series—, approved —, and recorded in Ordinance Book Vol.—, Page—, shall be subject to the provisions of the general ordinance of the City of Pittsburgh approved February 24, 1890,

except as otherwise provided herein.

This agreement shall not go into effect until approved by The Public Service Commission of the Commonwealth of Pennsylvania, and all parties hereto agree that The Public Service Commission may at any time order the track relaid and service thereover resumed.

In Witness Whereof said United Traction Company of Pittsburgh has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said Pittsburgh Railways Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; and this contract is signed and executed in the name of the City of Pittsburgh and for the City of Pittsburgh by its Mayor, and the seal of said City is by the Mayor hereto affixed, he having been duly authorized so to do by ordinance of Council of said City, all done the day and year aforesaid.

No. 273

AN ORDINANCE— Authorizing the execution and delivery of a contract with the Pittsburgh Railways Company, providing for the reconstruction of a portion of a certain viaduct of the Pittsburgh Railways Company in McKinley Park in the vicinity of the proposed McKinley Park Branch of the Saw Mill Run Boulevard, and the payment of the costs thereof.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works of the City of Pittsburgh be and they are hereby authorized and directed to make, execute and deliver in the name of and for the City of Pittsburgh the following contract with the Pittsburgh Railways Company and affix thereto the corporate seal of the said City:

AGREEMENT

Made and entered into this — day of —, A. D. 1929, by and between the Pittsburgh Railways Company, a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, hereinafter called the "Railways Company", party of the first part, and the City Of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, in the County of Allegheny, hereinafter called the "City", party of the second part,

WITNESSETH

Whereas, the City is engaged in the improvement of a certain thoroughfare or highway known and generally referred to as the "McKinley Park Branch of the Saw Mill Run Boulevard", which thoroughfare passes

beneath a certain street railroad viaduct owned and maintained by the Railways Company as lessee of the Pittsburgh Castle Shannon Railroad Company; and

Whereas, it is desirous that said thoroughfare have an unobstructed width of 50 feet, to obtain which it is necessary that a portion of the Railways Company's viaduct be reconstructed in order that any supports now existing within the 50 foot lines,

Now, Therefore, in consideration of the covenants and conditions herein-after set forth and described, it is mutually covenanted and agreed as follows:

First. Promptly upon the execution of this agreement by the parties hereto, and the approval thereof by The Public Service Commission of the Commonwealth of Pennsylvania, the Railways Company will reconstruct a portion of that certain viaduct in McKinley Park, Pittsburgh, Pennsylvania, at or near Warrington Avenue, by removing three bents and erecting in place thereof, new foundations, bents and necessary girders in the manner and at the locations shown on the Pittsburgh Railways Company Plan No. 1789, a copy of which is on file in the offices of the Director of the Department of Public Works, marked "Exhibit A", and identified by his signature; dated —

Second. The Railways Company agrees to so reconstruct said foundations and bents as not to encroach upon the McKinley Park Branch of the Saw Mill Run Boulevard, as it will be constructed in accordance with the plans of the County of Allegheny, Pennsylvania, and as shown on "Exhibit A" aforesaid, and the Railways Company shall have the same rights of operation and maintenance of said structure in that location as now pertains in regard to the present structure.

Third. The Railways Company agrees to assume all risk and liability for damages to persons and property in connection with said reconstruction of the Railways Company's viaduct including costs incidental to delays or to interference with the traf-

fic of the Railways Company, and the Railways Company agrees to indemnify and save the City harmless from and against all costs and expenses of every kind and description arising either directly or indirectly from the work to be performed by the Railways Company as provided for herein.

Fourth. Promptly upon the completion of the work as hereinbefore described, by the Railways Company, and upon receipt of a statement therefor from the Railways Company, the City will pay the Railways Company the sum of Fourteen thousand dollars (\$14,000.00) in consideration of the Railways Company making the changes aforesaid.

Fifth. All the rights and obligations hereunder shall inure to the benefit of the parties hereto and their respective successors and assigns.

This agreement is executed on the part of the Railways Company pursuant to a resolution of its Board of Directors, and on behalf of the City pursuant to ordinance of Council approved.

In Witness Whereof, the parties hereto have caused this agreement to be duly executed the day and year first above written.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works of the City of Pittsburgh be and they are hereby authorized and directed to make, execute and deliver in the name of and for the City of Pittsburgh the following contract with the Pittsburgh, Allegheny and Manchester Passenger Railway Company, The Pittsburgh, Allegheny and Manchester Traction Company, United Traction Company of Pittsburgh, and Pittsburgh Railways Company, for the temporary abandonment of street

railway track on Lacock street, between Cremo and Scotland streets, and on Scotland street, between Lacock street and a point south of South avenue, and affix the seal of the City of Pittsburgh thereto.

ARTICLES OF AGREEMENT

Made and entered into this..... day of..... A. D. 1929, by and between the Pittsburgh, Allegheny and Manchester Passenger Railway Company, the Pittsburgh, Allegheny and Manchester Traction Company, United Traction Company of Pittsburgh, and Pittsburgh Railways Company, all corporations of the Commonwealth of Pennsylvania, hereinafter referred to collectively as "Railway Companies," parties of the first part, and the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, party of the second part.

WITNESSETH

WHEREAS, The Act of Assembly of the Commonwealth of Pennsylvania, approved on the 3rd day of May, 1905, P. L. 379, authorizes the making of contracts between cities, boroughs and townships of the one part and street passenger railway companies and motor power companies of the other part, "to secure the removal of any street railway tracks already laid, etc." and this contract is entered into pursuant to the provisions of the said Act of Assembly; and

WHEREAS, The City of Allegheny, now a part of the City of Pittsburgh, did, by ordinance duly enacted, grant unto the Pittsburgh, Allegheny and Manchester Passenger Railway Company the right to connect "their railway with their present track on Federal street, lay down and continue same with a double or single track, and the necessary switches on Lacock street westward to Bank lane; thence along Bank lane northwardly to Rebecca street; and along Rebecca street westwardly, as fully set forth in the ordinance of September 22, 1859," said ordinance having been enacted June 7, 1860; and

WHEREAS, The Pittsburgh, Allegheny and Manchester Passenger Railway Company, pursuant to the above recited consent ordinance, con-

structed the single track street railway now in use upon the streets and highways, and over the route hereinafter more fully set forth and described; and

WHEREAS, The Pittsburgh, Allegheny and Manchester Passenger Railway Company, by agreement dated July 25, 1890, leased all of its property and franchises to The Pittsburgh, Allegheny and Manchester Traction Company for a term of 985 years, and The Pittsburgh, Allegheny and Manchester Traction Company leased all of its property and franchises, under date of July 9, 1897, to the United Traction Company of Pittsburgh for a term of 950 years, and by virtue of an operating agreement dated December 30, 1901, between the United Traction Company of Pittsburgh and the Pittsburgh Railways Company, all of the property and franchises of said United Traction Company of Pittsburgh are now in the possession of and being operated by said Railways Company; and

WHEREAS, The City of Pittsburgh deems it necessary for the public benefit and convenience that the Railway Companies shall temporarily abandon their single street railway track on the streets and highways hereinafter more fully described and set forth, and cease to use the same, and is willing to keep said streets and highways free from street railway tracks, and the Railway Companies are willing to temporarily abandon their single track street railway on said streets and highways as hereinafter described on the terms and conditions hereinafter recited.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH: That the parties hereto, in consideration of the mutual covenants and conditions herein recited, do mutually agree as follows, each binding itself, its successors and assigns, to the other, its successors and assigns.

FIRST: The Railway Companies agree that they will temporarily abandon their single track street railway beginning at a point of connection with the single track on Lacock street 57.5 feet as measured eastwardly along Lacock street from

thence westwardly along Lacock street by a single track 787.3 feet to a point near Scotland street (formerly School street); thence curving southwestwardly to and onto Scotland street 51.3 feet; thence southwardly on Scotland street 177.1 feet to a point of connection with track of the Pittsburgh Union Passenger Railway Company south of South avenue, all in the City of Pittsburgh, and will cease to operate street cars along and over said track for the term hereinafter mentioned.

SECOND: This agreement shall be in effect for 49 years from the date hereof, provided, however, that the Railway Companies, their successors and assigns, or any of them, shall have the right at any time previous to the end of the term above provided, if they deem it necessary for the improvement of the service, to reconstruct said railway tracks or any portion thereof, and the appurtenances upon said streets and highways and to connect said railway tracks or so much thereof as may be reconstructed as provided for herein, with the railway tracks on the streets and highways of the said City in the same manner as they are connected at the date hereof, and shall have the same rights and privileges as they had before said track and appurtenances were removed, and this agreement, insofar as it affects any track reconstructed, shall thereupon terminate and be of no further effect. Upon the expiration of the term of this agreement, or the termination of the same for any reason, the Railway Companies may reconstruct said railway track and appurtenances upon said streets and highways in the said City of Pittsburgh in the same manner as they are connected at the date hereof, and with the same rights and privileges as they had before said tracks and appurtenances were removed.

In the event, however, that the entire railways system of Pittsburgh is unified and consolidated into one single ownership, and the various mortgages on said system satisfied and a general mortgage covering the entire system executed in lieu thereof, the right and permission which

the railway companies have to relay their track on said streets shall be terminated, subject to the provisions hereof; that The Public Service Commission may direct that the facilities and service be restored.

THIRD: In case of the foreclosure of any of the following mortgages:

(a) Mortgage of The Pittsburgh, Allegheny and Manchester Traction Company to the Fidelity Title and Trust Company, Trustee, dated October 1, 1890, and recorded in the Recorder's Office of Allegheny County in Mortgage Book Volume 594, Page 224, and the Indenture supplemental thereto, recorded in the Recorder's Office aforesaid in Mortgage Book Volume 692, Page 219, and Mortgage Book Volume 736, Page 301; or

(b) Mortgage of the United Traction Company of Pittsburgh to Maryland Trust Company of the City of Baltimore, Trustee, dated July 9, 1897, and recorded in the Recorder's Office of Allegheny County in Mortgage Book Volume 818, Page 8; or

(c) General Mortgage of the Pittsburgh Railways Company to the Guaranty Trust Company of New York, dated March 31, 1913, and recorded in the Recorder's Office of Allegheny County in Mortgage Book Volume 1519, Page 1; or

(d) Any mortgages given in renewal or substitution of the mortgages hereinbefore referred to, the purchaser or purchasers, at judicial sale, or the company or companies organized by such purchaser or purchasers, shall have the right, at any time thereafter, to reconstruct or cause to be reconstructed, the railway track and appurtenances so abandoned, and connect the same with the other street railway tracks on the streets and avenues of the said City in the same manner as they are connected at the date hereof, at such time as such purchaser or purchasers or such company or companies may desire, and operate street railway cars thereon.

In the event of the termination for any reason of the agreement of lease between Pittsburgh, Allegheny and Manchester Passenger Railway Company and The Pittsburgh, Allegheny

and Manchester Traction Company dated July 25, 1890, the Pittsburgh, Allegheny and Manchester Passenger Railway Company shall thereupon have the right at any time thereafter to relay and reconstruct the railway tracks and appurtenant operating system so abandoned, and to connect the street railway tracks with other tracks on the streets and avenues of the City of Pittsburgh in the same manner as they are connected at the date hereof and to operate street railway cars thereon and thereover.

In the event of the termination for any reason of the agreement of lease between The Pittsburgh, Allegheny and Manchester Traction Company and the United Traction Company of Pittsburgh, dated July 9, 1897, The Pittsburgh, Allegheny and Manchester Traction Company shall thereupon have the right at any time thereafter to relay and reconstruct the railway tracks and appurtenant operating system so abandoned and to connect the street railway tracks with other tracks on the streets and avenues of the City of Pittsburgh in the same manner as they are connected at the date hereof and to operate street railway cars thereon and thereover.

FOURTH: The City of Pittsburgh covenants and agrees that it will permit such temporary abandonment of street railway tracks on the streets and highways hereinbefore described, and during the continuance of this agreement municipal consent shall not be granted to any other company or individual to use or occupy the portion of said streets and highways covered by said tracks for street railway purposes, in accordance with the provisions of said Act of Assembly.

FIFTH: The Railway Companies, upon the execution of this agreement, at their own cost and expense, shall remove the ties, rails and appurtenant overhead facilities, and the City, at its own cost and expense, shall pay the cost of the entire re-surfacing of the streets aforesaid, and thereafter, the Railway Companies shall be relieved of all liability to pave, repave, maintain, keep clean and repair the

aforesaid streets and highways from which the street railway track has been temporarily removed, until such time as the said railway tracks may be duly reconstructed and used.

All of the provisions of this agreement, which has been authorized by Ordinance No., Series, approved, and recorded in Ordinance Book Volume, Page, shall be subject to the provisions of the general ordinance of the City of Pittsburgh approved February 24, 1890, except as otherwise provided herein.

This agreement shall not go into effect until approved by The Public Service Commission of the Commonwealth of Pennsylvania, and all parties hereto agree that The Public Service Commission may at any time order the track relaid and service thereover resumed.

IN WITNESS WHEREAS, said Pittsburgh, Allegheny and Manchester Passenger Railway Company has caused its corporate seal to be affixed, attested by its Secretary, and this contract to be signed by its President; the said The Pittsburgh, Allegheny and Manchester Traction Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said United Traction Company of Pittsburgh has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said Pittsburgh Railways Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; and this contract is signed and executed in the name of the City of Pittsburgh and for the City of Pittsburgh by its Mayor, and the seal of said City is by the Mayor hereto affixed, he having been duly authorized so to do by ordinance of Council of said City, all done the day and year aforesaid.

ARTICLES OF AGREEMENT

MADE and entered into this—
day of....., A. D. 1929,
by and between the Pittsburgh, Alle-
gheny and Manchester Passenger
Railway Company, the Pittsburgh,
Allegheny and Manchester Traction
Company, United Traction Company
of Pittsburgh, and Pittsburgh Rail-
ways Company, all corporations of
the Commonwealth of Pennsylvania,
hereinafter referred to collectively as
"Railway Companies," parties of the
first part, and the City of Pittsburgh,
a municipal corporation of the Com-
monwealth of Pennsylvania, party of
the second part.

WITNESSETH

WHEREAS, The Act of Assembly
of the Commonwealth of Pennsyl-
vania, approved on the 3rd day of

May, 1905, P. L. 379, authorizes the making of contracts between cities, boroughs and townships of the one part and street passenger railway companies and motor power companies of the other part, "to secure the removal of any street railway tracks already laid, etc." and this contract is entered into pursuant to the provisions of the said Act of Assembly; and

WHEREAS, The City of Allegheny, now a part of the City of Pittsburgh, did by ordinance duly enacted, grant unto the Pittsburgh, Allegheny and Manchester Passenger Railway Company, its successors, lessees and assigns, the right to enter upon, use and occupy for street railway purposes, inter alia, upon the following streets: beginning in the eastbound track on Pennsylvania avenue, west of Bidwell street; thence by curve to Bidwell street 64.5 feet more or less; thence by tangent along Bidwell street 1297 feet more or less southwardly to a point near Western avenue; thence curving to the east on to Western avenue 74.5 feet more or less; thence by tangent along Western avenue eastwardly 333 feet more or less to a point of connection with the eastbound track on Western avenue, east of Allegheny avenue, all in the City of Pittsburgh; and

WHEREAS, The Pittsburgh, Allegheny and Manchester Passenger Railway Company, pursuant to the above recited consents constructed the single track street railway now in use upon the streets and highways, and over the route hereinafter more fully set forth and described; and

WHEREAS, the Pittsburgh, Allegheny and Manchester Passenger Railway Company, by agreement dated July 25, 1890, leased all of its property and franchises to The Pittsburgh, Allegheny and Manchester Traction Company for a term of 985 years, and The Pittsburgh, Allegheny and Manchester Traction Company leased all of its property and franchises, under date of July 9, 1897, to the United Traction Company of Pittsburgh for a term of 950 years, and by virtue of an operating agreement dated December 30, 1901, between the United Traction Company

of Pittsburgh and the Pittsburgh Railways Company, all of the property and franchises of said United Traction Company of Pittsburgh are now in the possession of and being operated by said Railways Company; and

WHEREAS, The City of Pittsburgh deems it necessary for the public benefit and convenience that the Railway Companies shall temporarily abandon their single railway track on the streets and highways herein-after more fully described and set forth, and cease to use the same, and is willing to keep said streets and highways free from street railway tracks and the Railway Companies are willing to temporarily abandon their single track street railway on said streets and highways as hereinafter described on the terms and conditions hereinafter recited.

NOW, THEREFOR, THIS AGREEMENT WITNESSETH; That the parties hereto, in consideration of the mutual covenants and conditions herein recited, do mutually agree as follows, each binding itself, its successors and assigns, to the other, its successors and assigns.

FIRST: The Railway Companies agree that they will temporarily abandon their single track street railway beginning at a point of connection with the City bound track on Western avenue east of Allegheny avenue; thence by single track westwardly along Western avenue 333.3 feet to a point east of Bidwell street; thence curving northwestwardly to and on to Bidwell street 74.5 feet; thence northwardly along Bidwell street by single track 1297.6 feet to a point south of Pennsylvania avenue; thence northwestwardly 64.5 feet to and on to Pennsylvania avenue to a point of connection with the City bound track, all in the City of Pittsburgh, and will cease to operate street cars along and over said track for the term hereinafter mentioned.

SECOND: This agreement shall be in effect for 49 years from the date hereof, provided, however, that the Railway Companies, their successors and assigns, or any of them, shall have the right at any time previous

to the end of the term above provided, if they deem it necessary for the improvement of the service, to reconstruct said railway tracks or any portion thereof, and the appurtenances upon said streets and highways and to connect said railway tracks or so much thereof as may be reconstructed as provided for herein, with the railway tracks on the streets and highways of the said City in the same manner as they are connected at the date hereof, and shall have the same rights and privileges as they had before said track and appurtenances were removed, and this agreement, insofar as it affects any track reconstructed, shall thereupon terminate and be of no further effect. Upon the expiration of the term of this agreement, or the termination of the same for any reason, the Railway Companies may reconstruct said railway track and appurtenances upon said streets and highways in the said City of Pittsburgh in the same manner as they are connected at the date hereof, and with the same rights and privileges as they had before said tracks and appurtenances were removed.

In the event, however, that the entire railways system of Pittsburgh is unified and consolidated into one single ownership and the various mortgages on said system satisfied and a general mortgage covering the entire system executed in lieu thereof, the right and permission which the railway companies have to relay their track on said streets shall be terminated, subject to the provisions hereof; that The Public Service Commission may direct that the facilities and service be restored.

THIRD: In case of the foreclosure of any of the following mortgages:

(a) Mortgage of The Pittsburgh, Allegheny and Manchester Traction Company to the Fidelity Title and Trust Company, Trustees, dated October 1, 1890, and recorded in the Recorder's Office of Allegheny County in Mortgage Book Volume 594, Page 224, and the Indenture supplemental thereto, recorded in the Recorder's Office aforesaid in Mortgage Book

Volume 692, Page 219, and Mortgage Book Volume 736, Page 301; or

(b) Mortgage of the United Traction Company of Pittsburgh to Maryland Trust Company of the City of Baltimore, Trustee, dated July, 9, 1897, and recorded in the Recorder's Office of Allegheny County in Mortgage Book Volume 818, Page 8; or

(c) General Mortgage of the Pittsburgh Railways Company to the Guaranty Trust Company of New York, dated March 31, 1913, and recorded in the Recorder's Office of Allegheny County in Mortgage Book Volume 1519, Page 1; or

(d) Any mortgages given in renewal or substitution of the mortgages hereinbefore referred to, the purchaser or purchasers, at judicial sale, or the company or companies organized by such purchaser or purchasers, shall have the right, at any time thereafter, to reconstruct or cause to be reconstructed, the railway track and appurtenances so abandoned, and connect the same with the other street railway tracks on the streets and avenues of the said City in the same manner as they are connected at the date hereof, at such time as such purchaser or purchasers or such company or companies may desire, and operate street railway cars thereon.

In the event of the termination for any reason of the agreement of lease between Pittsburgh, Allegheny and Manchester Passenger Railway Company and The Pittsburgh, Allegheny and Manchester Traction Company dated July 25, 1890, the Pittsburgh, Allegheny and Manchester Passenger Railway Company shall thereupon have the right at any time thereafter to relay and reconstruct the railway tracks and appurtenant operating system so abandoned, and to connect the street railway tracks with other tracks on the streets and avenues of the City of Pittsburgh in the same manner as they are connected at the date hereof and to operate street railway cars thereon and thereover.

In the event of the termination for any reason of the agreement of lease between The Pittsburgh, Allegheny and Manchester Traction Com-

pany and the United Traction Company of Pittsburgh, dated July 9, 1897, The Pittsburgh, Allegheny and Manchester Traction Company shall thereupon have the right at any time thereafter to relay and reconstruct the railway tracks and appurtenant operating system so abandoned and to connect the street railway tracks with other tracks on the streets and avenues of the City of Pittsburgh in the same manner as they are connected at the date hereof and to operate street railway cars thereon and thereover.

FOURTH: The City of Pittsburgh covenants and agrees that it will permit such temporary abandonment of street railway tracks on the streets and highways hereinbefore described, and during the continuance of this agreement municipal consent shall not be granted to any other company or individual to use or occupy the portion of said streets and highways covered by said tracks for street railway purposes, in accordance with the provisions of said Act of Assembly.

FIFTH: The Railway Companies, upon the execution of this agreement, at their own cost and expense, shall remove the rails and appurtenant overhead facilities; shall restore the area of paving so disturbed as to leave it in proper form for the City to resurface, and shall pay to the City a sum of money to be agreed upon by the Director of the Department of Public Works of the City and the Superintendent of Way of the Railway Companies, to cover the cost of removal of ties and any remaining portion of track construction; and the City, at its own cost and expense, shall pay the cost of the entire resurfacing of the streets aforesaid, and thereafter the Railway Companies shall be relieved of all liability to pave, repave, maintain, keep clean and repair the aforesaid streets and highways from which street railway track has been temporarily removed, until such time as the said railway tracks may be duly reconstructed and used.

All of the provisions of this agreement, which has been authorized by Ordinance No., Series, ap-

proved and recorded in Ordinance Book Volume, Page, shall be subject to the provisions of the general ordinance of the City of Pittsburgh approved February 24, 1890, except as otherwise provided herein.

This agreement shall not go into effect until approved by The Public Service Commission of the Commonwealth of Pennsylvania, and all parties hereto agree that The Public Service Commission may at any time order the track relaid and service thereover resumed.

IN WITNESS WHEREOF said Pittsburgh, Allegheny and Manchester Passenger Railway Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said The Pittsburgh, Allegheny and Manchester Traction Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said United Traction Company of Pittsburgh has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said Pittsburgh Railways Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; and this contract is signed and executed in the name of the City of Pittsburgh and for the City of Pittsburgh by its Mayor, and the seal of said City is by the Mayor hereto affixed, he having been duly authorized so to do by ordinance of Council of said City, all done the day and year aforesaid.

ARTICLES OF AGREEMENT

MADE and entered into this.....
day ofA. D. 1929,
by and between the Pittsburgh Union
Passenger Railway Company, The
Pittsburgh, Allegheny and Manchester
Traction Company, United Traction
Company of Pittsburgh and Pitts-
burgh Railways Company, all corpo-
rations of the Commonwealth of
Pennsylvania, and hereinafter refer-
red to collectively as "Railway Com-
panies," parties of the first part, and
the City of Pittsburgh, a municipal
corporation of the Commonwealth of
Pennsylvania, party of the second
part.

WITNESSETH

WHEREAS, An Act of Assembly of
the Commonwealth of Pennsylvania,
approved on the 3rd day of May,
1905, P. L. 379, authorizes the mak-
ing of contracts between cities, bor-
oughs and townships of the one part
and street passenger railway com-
panies and motor power companies
of the other part "to secure the re-
moval of any street railway tracks
already laid, etc.", and this contract

is entered into pursuant to the provisions of the said Act of Assembly; and

WHEREAS, The City of Allegheny, now a part of the City of Pittsburgh, did by ordinance approved January 4, 1881 grant unto The Union Passenger Railway Company (predecessor of the Pittsburgh Union Passenger Railway Company) the right to construct, maintain and operate a passenger railway, inter alia, upon the following streets: "thence by Allegheny avenue to Franklin street; thence by Franklin street to Fulton street; thence by Fulton street to Washington avenue (now Columbus avenue) all now in the 21st Ward of the City of Pittsburgh; and

WHEREAS, The Pittsburgh Union Passenger Railway Company and its predecessor, The Union Passenger Railway Company, pursuant to the above recited ordinance, constructed the street railway track now in use on the streets and avenues herein-after more specifically described; and

WHEREAS, The Pittsburgh Union Passenger Railway Company by agreement dated July 25, 1890, leased all of its property and franchises for a term of 985 years to The Pittsburgh, Allegheny and Manchester Traction Company and The Pittsburgh, Allegheny and Manchester Traction Company by agreement dated July 9, 1897, leased all of its property and franchises to the United Traction Company of Pittsburgh for 950 years, and by virtue of the operating agreement dated December 30, 1901, between United Traction Company of Pittsburgh and the Pittsburgh Railways Company, all the property and franchises of said United Traction Company of Pittsburgh are now in the possession of and being operated by said Pittsburgh Railways Company; and

WHEREAS, The City of Pittsburgh deems it necessary for the public benefit and convenience that the Railway Companies shall temporarily abandon their street railway track beginning at a point of connection with the tracks on Franklin street east of Sedgwick street; thence westwardly crossing Sedgwick street, and along Franklin street by double track

613.05 feet to a point east of Fulton street; thence continuing by double track northwestwardly to and on to Fulton street 111.95 feet; thence northwardly along Fulton street by double track 603.7 feet to a point; thence by single track curving northwestwardly to a point of connection with the City bound track on Columbus avenue 83.85 feet, and cease to use the same, and is willing to keep said portions of said streets free from street railway tracks during the term of this agreement, and the Railway Companies are willing to temporarily abandon their street railway track on said portions of said streets hereinbefore described on the terms and conditions hereinafter recited.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH: That the parties hereto in consideration of the mutual covenants and conditions herein recited, do mutually agree as follows, each binding itself, its successors and assigns, to the other, its successors and assigns.

FIRST: The Railway Companies agree that they will temporarily abandon their street railway track beginning at a point of connection with the tracks on Franklin street east of Sedgwick street; thence westwardly crossing Sedgwick street, and along Franklin street by double track 613.05 feet to a point east of Fulton street; thence continuing by double track northwestwardly to and on to Fulton Street 111.95 feet; thence northwardly along Fulton street by double track 603.7 feet to a point; thence by single track curving northwestwardly to a point of connection with the City bound track on Columbus avenue 83.85 feet, all in the 21st Ward of the City of Pittsburgh, and will cease to operate street cars along and over said street railway track for the term hereinafter mentioned.

SECOND: This agreement shall be in effect for 49 years from the date hereof, provided, however, that the Railway Companies, their successors and assigns, or any of them, shall have the right at any time previous to the end of the term above provided, if they deem it necessary for

the improvement of the service, to reconstruct said railway tracks and appurtenances upon said streets and avenues and to connect said railway tracks with the railway tracks on the streets and avenues of the said City in the same manner as they are connected at the date hereof, and shall have the same rights and privileges as they had before said tracks and appurtenances were removed, and this agreement shall thereupon terminate and be of no further effect. Upon the expiration of the term of this agreement, or the termination of the same for any reason, the Railway Companies may reconstruct said railway tracks and appurtenances upon said streets and avenues in the said City of Pittsburgh in the same manner as they are connected at the date hereof, and with the same rights and privileges as they had before said tracks and appurtenances were removed.

In the event, however, that the entire railways system of Pittsburgh is unified and consolidated into one single ownership, and the various mortgages on said system satisfied and a general mortgage covering the entire system executed in lieu thereof, the right and permission which the Railway Companies have to relay their tracks on said streets and avenues shall be terminated, subject to the provisions hereof; that The Public Service Commission may direct that the facilities and service be restored.

THIRD: In case of the foreclosure of any of the following mortgages:

(a) Mortgage of The Pittsburgh, Allegheny and Manchester Traction Company to the Fidelity Title and Trust Company, Trustee, dated October 1, 1890, and recorded in the Recorder's Office of Allegheny County in Mortgage Book Volume 594, Page 224, and the Indenture supplemental thereto, recorded in the Recorder's Office aforesaid in Mortgage Book Volume 692, Page 219, and Mortgage Book Volume 736, Page 301; or

(b) Mortgage of the United Traction Company of Pittsburgh to Maryland Trust Company of the City of Baltimore, Trustee, dated July 9, 1897, and recorded in the Recorder's Office

aforesaid in Mortgage Book Volume 818, Page 8; or

(c) General Mortgage of the Pittsburgh Railways Company to the Guaranty Trust Company of New York, dated March 31, 1913, and recorded in the Recorder's Office aforesaid in Mortgage Book Volume 1519, Page 1; or

(d) Any mortgages given in renewal or substitution of the mortgages hereinbefore referred to, the purchaser or purchasers at judicial sale, or the company or companies organized by such purchaser or purchasers, shall have the right, at any time thereafter, to reconstruct or cause to be reconstructed the railway tracks and appurtenances so abandoned, and connect the same with the other street railway tracks on the streets and avenues of the said City in the same manner as they are connected at the date hereof, at such time as such purchaser or purchasers or such company or companies may desire, and operate street railway cars thereon.

In the event of the termination for any reason of the agreement of lease between the Pittsburgh Union Passenger Railway Company and The Pittsburgh, Allegheny and Manchester Traction Company, dated July 25, 1890, or in the event of the termination for any reason of the agreement of lease between The Pittsburgh, Allegheny and Manchester Traction Company and the United Traction Company of Pittsburgh, dated July 9, 1897, the Pittsburgh Union Passenger Railway Company or The Pittsburgh, Allegheny and Manchester Traction Company respectively shall thereupon have the right at any time thereafter to relay and reconstruct the railway tracks and appurtenant operating system so abandoned, and to connect the street railway tracks and other tracks on the streets and avenues in the City of Pittsburgh in the same manner as they are connected at the date hereof and to operate street railway cars thereon and thereafter.

FOURTH: The City of Pittsburgh covenants and agrees that it will permit such temporary abandonment of

street railway tracks on the streets and avenues hereinbefore described, and during the continuance of this agreement municipal consent shall not be granted to any other company or individual to use or occupy the streets and avenues covered by said street railway tracks for street railway purposes in accordance with the provisions of said Act of Assembly.

FIFTH: The Railway Companies, upon the execution of this agreement, at their own cost and expense, shall remove the rails and appurtenant overhead facilities; shall restore the area of paving so disturbed as to leave it in proper form for the City to resurface, and shall pay to the City a sum of money to be agreed upon by the Director of the Department of Public Works of the City and the Superintendent of Way of the Railway Companies, to cover the cost of removal of ties and any remaining portion of track construction; and the City, at its own cost and expense, shall pay the cost of the entire resurfacing of the streets aforesaid, and thereafter the Railway Companies shall be relieved of all liability to pave, repave, maintain, keep clean and repair the aforesaid streets and highways from which street railway track has been temporarily removed, until such time as the said railway tracks may be duly reconstructed and used.

All of the provisions of this agreement, which has been authorized by Ordinance No., Series, approved, and recorded in Ordinance Book Volume, Page, shall be subject to the provisions of the general ordinance of the City of Pittsburgh approved February 24, 1890, except as otherwise provided herein.

This agreement shall not go into effect until approved by The Public Service Commission of the Commonwealth of Pennsylvania, and all parties hereto agree that The Public Service Commission may at any time order the track relaid and service thereover resumed.

IN WITNESS WHEREOF said Pittsburgh Union Passenger Railway Company has caused its corporate seal to be hereunto affixed, attested by its

Secretary, and this contract to be signed by its President; the said The Pittsburgh, Allegheny and Manchester Traction Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said United Traction Company of Pittsburgh has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; and the said Pittsburgh Railways Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; and this contract is signed and executed in the name of the City of Pittsburgh and for the City of Pittsburgh by its Mayor, and the seal of the said City is by the Mayor hereto affixed, he having been duly authorized so to do by ordinance of Council of said City, all done the day and year aforesaid.

No. 289

AN ORDINANCE—Granting unto the

Sweet, Clean, Damp Wash Laundry Company, its successors and assigns, the right to construct, maintain and use a 1½ inch steel pipe under and diagonally across Annan Way, 4 feet below grade, for the purpose of transmitting steam from power plant, property of W. C. Smith to the property of Phillip Becker under lease by the Sweet, Clean, Damp Wash Laundry Company, 13th Ward, Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the Sweet, Clean, Damp Wash Laundry Company, its successors and assigns be and are hereby given the right and authority at its own cost and expense to construct, maintain and use a 1½ inch steel pipe for a distance of 20 feet, under and diagonally across Annan Way, 4 feet below grade, located 31.50 feet north of the north street line of North Braddock avenue for the purpose of transmitting steam from power plant, property of W. C. Smith across Annan Way to property of Phillip Becker under lease by the Sweet, Clean, Damp Wash Laundry Company, 13th Ward, Pittsburgh, Pa.

The said steam pipe shall be constructed in accordance with the pro-

visions of this Ordinance and in accordance with plan hereto attached and identified as Accession No. B-345, Folder "B," in the files of the Division of Public Utilities, Bureau of Highways and Sewers, Department of Public Works, entitled, "Proposed 1½ inch steel pipe conduit under and across Annan Way for the Sweet, Clean, Damp Wash Laundry Company, 13th Ward, Pittsburgh, Pa.

Section 2. The said Company, prior to beginning the construction of said steel pipe, shall submit to the Director of the Department of Public Works of the said City a complete set of plans showing the location and all details for the construction of said steel pipe and said plans and the construction of said steel pipe shall be subject to the approval and supervision of said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of steel pipes in City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said steel pipe. All of the said work, including the repaving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said steel pipe upon giving thirty (30) days' notice through the proper officers pursuant to resolution or ordinance of Council to the said Sweet, Clean, Damp Wash

Laundry Company, its successors and assigns, to that effect; and the said grantee, when so notified, shall at the expiration of the said thirty (30) days, forthwith, remove the said steel pipe and replace the street to its original condition, at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and sub-surface structures therein, by reason of the construction, maintenance and use of the said steel pipe, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to-wit: This ordinance shall become null and void unless within thirty (30) days after its passage and approval, the Sweet, Clean, Damp Wash Laundry Company, shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the said Sweet, Clean, Damp Wash Laundry Company, with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE — Authorizing and directing the Mayor and the Director of the Department of Public Works of the City of Pittsburgh to make, execute and deliver in the name of and for the City of Pittsburgh a contract with The Transverse Passenger Railway Company, Citizens Passenger Railway Company, Citizens Traction Company, Fort Pitt

Traction Company, Consolidated Traction Company, and Pittsburgh Railways Company, as parties of the first part, and the City of Pittsburgh, as party of the second part, providing for the temporary abandonment of one of the tracks of the double track street railway on Water street, between Wood street and Smithfield street, as more fully set forth and described in said agreement.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor and the Director of the Department of Public Works of the City of Pittsburgh be and they are hereby authorized and directed to make, execute and deliver in the name of and for the City of Pittsburgh the following contract with The Transverse Passenger Railway Company, Citizens Passenger Railway Company, Citizens Traction Company, Fort Pitt Traction Company, Consolidated Traction Company, and Pittsburgh Railways Company, providing for the temporary abandonment of one of the tracks of the double track street railway on Water street, between Wood street and Smithfield street, and affix the seal of the City of Pittsburgh thereto.

ARTICLES OF AGREEMENT.

MADE and entered into this..... day of, A. D. 1929, by and between The Transverse Passenger Railway Company, Citizens Passenger Railway Company, Citizens Traction Company, Fort Pitt Traction Company, Consolidated Traction Company, and Pittsburgh Railways Company, all corporations of the Commonwealth of Pennsylvania, hereinafter referred to collectively as "Railway Companies," parties of the first part, and the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, party of the second part.

WITNESSETH

WHEREAS, The Act of Assembly of the Commonwealth of Pennsylvania, approved on the 3rd day of May, 1905, P. L. 379, authorizes the making of contracts between cities, boroughs and townships of the one part, and street passenger railway

companies and motor power companies of the other part, "to secure the removal of any street railway tracks already laid, etc." and this contract is entered into pursuant to the provisions of the said Act of Assembly; and

WHEREAS, The City of Pittsburgh did, by ordinance approved February 19, 1881, grant unto The Transverse Passenger Railway Company the right to enter upon, use and occupy, for the purpose of their railway, inter alia, the following streets; "Beginning at the corner of Grant and Water streets; thence by way of Water street to Wood street; thence along Wood street to Sixth avenue * * *," all in the City of Pittsburgh; and

WHEREAS, The Transverse Passenger Railway Company, pursuant to the above recited consent ordinance, constructed the double track street railway now in use upon the streets and highways and over the route hereinafter more fully set forth and described; and

WHEREAS, The Transverse Passenger Railway Company, by agreement dated July 31, 1886, leased all of its property and franchises to Citizens Passenger Railway Company for a term of 99 years, and Citizens Passenger Railway Company, by agreement dated September 1, 1887, leased all of its property and franchises to Citizens Traction Company for a term of 98 years from August 1, 1887, and Citizens Traction Company, by agreement dated October 15, 1895, leased all of its property and franchises to Fort Pitt Traction Company for a term of 950 years from November 1, 1895, and by virtue of operating agreement dated May 1, 1908, between Fort Pitt Traction Company and Consolidated Traction Company, and an operating agreement dated December 30, 1901, between Consolidated Traction Company and Pittsburgh Railways Company, all of the property and franchises of the Fort Pitt Traction Company and Consolidated Traction Company are now in the possession of and being operated by said Pittsburgh Railways Company; and

WHEREAS, The City of Pittsburgh deems it necessary, for the public

benefit and convenience, that the Railway Companies shall temporarily abandon one of the tracks of the double track street railway on the streets and highways, and over the route hereinafter more fully set forth and described, and cease to use the same, and is willing to keep said streets and highways free from street railway tracks, except to such extent as they may be occupied by the remaining track of the double track street railway, and the Railway Companies are willing to temporarily abandon one of the tracks of the double track street railway over the route as hereinafter described, on the terms and conditions hereinafter recited.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH: That the parties hereto, in consideration of the mutual covenants and conditions herein recited, do mutually agree as follows, each binding itself, its successors and assigns, to the other, its successors and assigns.

FIRST: The Railway Companies agree that they will temporarily abandon one of the tracks of the double track street railway on Water street, between Wood street and Smithfield street, said track to be temporarily abandoned being more particularly described as follows:

BEGINNING in the northbound track on Wood street at right angles opposite a point in the east curb line of Wood street 41.45 feet northwardly as measured along the said curb line from its intersection with the north curb line of Water street; thence curving southeastwardly to and onto Water street 91.3 feet to a point of connection with the westbound track on Water street at right angles opposite a point in north curb line of Water street, situated 31.8 feet as measured eastwardly along the said curb line from its intersection with the east curb line of Wood street.

BEGINNING again on Water street in the eastbound track at right angles opposite a point in the north curb line of Water street, situated 31.8 feet eastwardly as measured along the said curb line from its intersection with the east curb line of

Wood street; thence eastwardly along Water street 562 feet more or less to a point of connection with other track of the company, which point is situated at right angles opposite a point in the north curb line of Water street, situated 47.25 feet as measured eastwardly along the said north curb line from its intersection with the east curb line of Smithfield street.

All in the City of Pittsburgh, and will cease to operate street cars along and over said track for the term hereinafter mentioned.

SECOND: This agreement shall be in effect for 49 years from the date hereof, provided, however, that the Railway Companies, their successors and assigns, or any of them, shall have the right at any time previous to the end of the term above provided, if they deem it necessary for the improvement of the service, to reconstruct said railway track or any portion thereof, and the appurtenances upon said streets and highways, and to connect said railway track or so much thereof as may be reconstructed as provided for herein, with the railway tracks on the streets and highways of the said City in the same manner as they are connected at the date hereof, and shall have the same rights and privileges as they had before said track and appurtenances were removed, and this agreement, insofar as it affects any track reconstructed, shall thereupon terminate and be of no further effect. Upon the expiration of the term of this agreement, or the termination of the same for any reason, the Railway Companies may reconstruct said railway track and appurtenances upon said streets and highways in the said City of Pittsburgh in the same manner as they are connected at the date hereof, and with the same rights and privileges as they had before said track and appurtenances were removed.

In the event, however, that the entire railways system of Pittsburgh is unified and consolidated into one single ownership and the various mortgages, on said system satisfied and a general mortgage covering the entire system executed in lieu thereof, the right and permission which the

railway companies have to relay their track on said streets shall be terminated, subject to the provisions hereof; that The Public Service Commission may direct that the facilities and service be restored.

THIRD: In case of the foreclosure of any of the following mortgages:

(a) Mortgage of Citizens Traction Company to Fidelity Title & Trust Company, Trustee, dated October 1, 1887, and recorded in the Recorder's Office of Allegheny County in Mortgage Book Volume 415, Page 61, or

(b) Mortgage of the Fort Pitt Traction Company to Pittsburgh Trust Company, Trustee, dated December 2, 1895, and recorded in the Recorder's Office aforesaid in Mortgage Book Volume 760, Page 42, or

(c) General Mortgage of the Pittsburgh Railways Company to the Guaranty Trust Company of New York, Trustee, dated March 31, 1913, and recorded in the Recorder's Office aforesaid in Mortgage Book Volume 1519, Page 1, or

(d) Any mortgages given in renewal or substitution of the mortgages hereinbefore referred to, the purchaser or purchasers, at judicial sale, or the company or companies organized by such purchaser or purchasers, shall have the right, at any time thereafter, to reconstruct or cause to be reconstructed, the railway track and appurtenances so abandoned, and connect the same with the other street railway tracks on the streets and avenues of the said City in the same manner as they are connected at the date hereof, at such time as such purchaser or purchasers or such company or companies may desire, and operate street railway cars thereon.

In the event of the termination, for any reason, of the agreement of lease between The Transverse Passenger Railway Company and Citizens Passenger Railway Company, dated July 31, 1886, The Transverse Passenger Railway Company shall thereupon have the right at any time thereafter to relay and reconstruct said railway track and appurtenant operating system so abandoned, and to connect the street railway track with

other tracks on the streets and avenues of the City of Pittsburgh in the same manner as they are connected at the date hereof, and to operate street railway cars thereon and thereover.

In the event of the termination for any reason of the agreement of lease between Citizens Passenger Railway Company and Citizens Traction Company, dated September 1, 1887, the Citizens Passenger Railway Company shall thereupon have the right at any time thereafter to relay and reconstruct said railway track and appurtenant operating system so abandoned, and to connect the street railway track with other tracks on the streets and avenues of the City of Pittsburgh in the same manner as they are connected at the date hereof, and to operate street railway cars thereon and thereover.

In the event of the termination, for any reason, of the agreement of lease between the Citizens Traction Company and the Fort Pitt Traction Company, dated October 15, 1895, the Citizens Traction Company shall thereupon have the right at any time thereafter to relay and reconstruct said railway track and appurtenant operating system so abandoned, and to connect the street railway track with other tracks on the streets and avenues of the City of Pittsburgh in the same manner as they are connected at the date hereof, and to operate street railway cars thereon and thereover.

FOURTH: The City of Pittsburgh covenants and agrees that it will permit such temporary abandonment of street railway track on the streets and highways hereinbefore described, and during the continuance of this agreement municipal consent shall not be granted to any other company or individual to use or occupy the portion of said street and highways covered by said track for street railway purposes, in accordance with the provisions of said Act of Assembly.

FIFTH: The Railway Companies, upon the execution of this agreement, at their own cost and expense, shall remove the rails of the track hereinbefore described, and shall relocate the connecting curve at the

intersection of Wood street and Water street, in order that the use of the remaining track may be continued, and the City, at its own cost and expense, shall pay the cost of the entire re-surfacing of the streets aforesaid, and thereafter the Railway Companies shall be relieved of all liability to pave, repave, maintain, keep clean, and repair that portion of the aforesaid streets and highways from which one of the tracks of the double track street railway has been temporarily removed, until such time as the said railway track may be duly reconstructed and used.

All of the provisions of this agreement, which has been authorized by Ordinance No., Series, approved, and recorded in Ordinance Book Volume, Page, shall be subject to the provisions of the general ordinance of the City of Pittsburgh approved February 24, 1890, except as otherwise provided herein.

This agreement shall not go into effect until approved by The Public Service Commission of the Commonwealth of Pennsylvania, and all parties hereto agree that The Public Service Commission may at any time order the track relaid and service thereover resumed.

IN WITNESS WHEREOF, said The Transverse Passenger Railway Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said Citizens Passenger Railway Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said Citizens Traction Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said Fort Pitt Traction Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said Consolidated Traction Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; the said Pittsburgh

Railways Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President; and this contract is signed and executed in the name of the City of Pittsburgh and for the City of Pittsburgh by its Mayor, and the seal of said City is by the Mayor hereto affixed, he having been duly authorized so to do by ordinance of Council of said City, all done the day and year aforesaid.

AN ORDINANCE — Authorizing the proper officers of the City of Pittsburgh to enter into and execute an agreement with John A. Kapp, Jr., and Gertrude M. Kapp his wife and Harry E. Kapp and Clara C. Kapp his wife, whereby the aforesaid named parties shall give license, privilege and right of way to lay and maintain a City water main extending through their land on Lingrove Place in the Lingrove Park Plan of Lots in the Fourteenth Ward of the City of Pittsburgh.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the Mayor and the Director of the Department of Public Works of the City of Pittsburgh shall be and they are hereby authorized and directed to enter into and execute an agreement with John A. Kapp, Jr., and Gertrude M. Kapp, his wife, and Harry E. Kapp and Clara C. Kapp his wife in the following form, to-wit:—

By this contract, made the..... day of, A. D. 1929, between John A. Kapp, Jr., and Gertrude M. Kapp, his wife and Harry E. Kapp and Clara C. Kapp his wife, all residing in the City of Pittsburgh, in the State of Pennsylvania, herein

designated as grantors, of the one part, and the City of Pittsburgh, a municipal corporation, created by and existing under the laws of the State of Pennsylvania, of the Second part, herein designated as the City.

Said grantors hereby give license, privilege and right-of-way to said City to enter, lay and maintain a City water main, six (6) inches in diameter, in accordance with approved engineering practice, in a strip of ground situate in the Fourteenth Ward of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, and lying within the confines of a lot plan of said grantors and bounded and described as follows:

Beginning at a point on the Northerly line of Juniata Place as now located, distant thereon south Forty-four degrees, Fifty-nine minutes, Fifty seconds east (S. 44° 59' 50" E.) Two Hundred Forty-eight and one One Hundredth (248.01) feet from the easterly line of Linden avenue, said point being also on the westerly line of Lingrove Place, a private street in Lingrove Park Plan of Lots as laid out by John A. Kapp, Jr., and Harry E. Kapp; thence by the westerly line of said Lingrove Place North Thirty-seven degrees, Thirty-five minutes, Thirty seconds East (N. 37° 35' 30" E.) Three Hundred Twenty-three and Seven One Hundredths (323.07) feet to a point on the northerly line of said plan of lots; thence by the northerly line of said plan of lots south Forty-four degrees, Fifty-nine minutes, Fifty seconds East (S. 44° 59' 50" E.) Three and Three One Hundredths (3.03) feet to a point; thence South Thirty-seven degrees, Thirty-five minutes, Thirty seconds, West (S. 37° 35' 30" W.) parallel to and at the perpendicular distance of Three (3) feet eastwardly from the westerly line of aforesaid Lingrove Place, Three Hundred Twenty-three and Seven One Hundredths (323.07) feet to the northerly line of Juniata Place aforesaid; thence by the Northerly line of said Juniata Place North Forty-four degrees, Fifty-nine minutes, Fifty seconds West (N. 44° 59' 50" W.) Three and Three One Hundredths (3.03) feet to the west-

erly line of Lingrove Place at the place of beginning.

This license shall bind the heirs, or devisees, or other assigns of said grantors, so that it shall not be revocable, and the City shall hold said strip of ground forever for the purpose of entering in and upon the same and constructing and maintaining a water line, and for such other purposes incidental and necessary for the proper maintenance and repair and connections to said water main.

Said grantors further stipulate and agree that they will not erect, or maintain or permit to be erected, or maintained on the strip of ground aforesaid, any structures of any kind that will in any way interfere with the proper construction, maintenance or repair of said water main.

The City stipulates and agrees that the strip of ground above described shall be used only for the purposes as above mentioned.

WITNESS the hands and seals of the said grantors, and the corporated seal of the said City, duly affixed and attested by the signatures of the proper officers, the day and year above written, execution by said City being authorized by Ordinance of Council of said City, approved the

No. 321

AN ORDINANCE — Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of Twenty-two Thousand (\$22,000.00) Dollars, and providing for the issue and sale of bonds of said City in said amount, to provide funds for the purpose of paying the indebtedness represented by notes of the former Borough of Hays, now part of the City of Pittsburgh, and providing for the redemption of said bonds and the payment of interest thereon.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the indebtedness of the City of Pittsburgh be increased by the amount of Twenty-two Thousand (\$22,000.00) Dollars to provide funds for the purpose of paying the indebtedness represented by notes of the former Borough of Hays, now part of the City of Pittsburgh.

Section 2. That bonds of the City of Pittsburgh in the aggregate principal amount of Twenty-two Thousand (\$22,000.00) Dollars be issued for the purpose aforesaid. Said bonds shall be dated as of the first day of May, 1929, and shall mature on the first day of May in the year 1930. Said bonds shall bear interest at the rate of four and one-quarter per cen-

tum (4¼%) per annum, payable on the first day of November, 1929, and the first day of May, 1930, without deduction for any taxes which may be levied thereon by the State of Pennsylvania pursuant to any present or future law, the payment of which is hereby assumed by the City of Pittsburgh. The principal and interest of said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be a registered bond or bonds, not exceeding the aggregate principal amount of Twenty-two Thousand (\$22,000.00) Dollars, and the City Controller is hereby authorized and directed to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Appropriation No. 42 (Contingent Fund.) Said bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the said City Treasurer; said bonds shall be signed by the Mayor, countersigned by the City Controller and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any such officials, the bonds shall be signed by the City Official authorized by law or by resolution of Council to act in his place. Each of said bonds shall be known and designated as Funding A Bond, 1929.

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, after giving such notice of sale as may be required by law. Provided, however, that such uninvested balances in the Sinking Funds as may be available for such purpose, shall be invested in the same without public notice by advertising or otherwise. And the proceeds of such sale, or so much thereof as may be necessary, shall be and are hereby appropriated and set aside and applied to the purposes set forth in this Ordinance, and to no other purpose, whatsoever.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for

City purposes a tax, commencing the first year after said debt shall have been increased or incurred, namely the year 1930, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax on said interest which by the terms of said bonds is assumed by the City, and also a tax commencing in said year equal to One Hundred per centum (100%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and redemption of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenue of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general revenue of said City an amount sufficient to meet the installment of interest due on said bonds during the current fiscal year.

Section 5. That all bonds issued by the authority of this Ordinance and the Acts of Assembly authorizing the same shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof, and shall be free from taxation, as aforesaid, and for the payment of the principal of said bonds and the interest thereon semi-annually as the same shall become due and payable, the faith, honor, credit and property of said City are hereby pledged.

No. 347

AN ORDINANCE — Providing for agreements with street passenger railway companies, motor power companies or other companies (hereinafter referred to collectively as street railway companies) owning, leasing or operating tracks upon the streets, or portions of streets of the City of Pittsburgh, to secure the temporary removal of any such tracks for periods not exceeding fifty (50) years; providing the terms and conditions for such removal, and authorizing the Mayor and the Director of the Department of Public Works to enter into contracts with such companies for the same in accordance with the Act of Assembly of Pennsylvania, approved the 3rd day of May, Anno Domini 1905.

WHEREAS, The Act of Assembly of the Commonwealth of Pennsylvania, approved the 3rd day of May, 1905, P. L. 379, authorizes the making of contracts between cities, boroughs and townships, of the one part, and street passenger railway companies and motor power companies, of the other part, to secure the temporary removal of any street railway tracks already laid, etc., when the said local authorities shall deem it necessary for the public benefit and convenience; and

WHEREAS, It is deemed expedient that uniform terms, conditions and practices prevail in the temporary removal of such street railway tracks and the temporary abandonment of the use of the street or streets upon which such tracks are laid.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That hereafter the Mayor and the Director of the Department of Public Works are hereby authorized and directed to enter into contracts with such street railway companies, motor power companies and other companies (hereinafter referred to collectively as street railway companies) owning, leasing or operating street railway tracks on streets of the City of Pittsburgh, for the temporary re-

removal of any of such street railway tracks from any street or streets, or any portion of a street or streets, and for the temporary abandonment of the use of such streets, upon which such tracks are laid, when from time to time they shall be so authorized by ordinance other than this.

Section 2. Such contracts shall include and contain the following terms and conditions:

1st. The period of time of such temporary removal and temporary abandonment which shall be provided by ordinance in each specific instance.

2nd. A description of the route from which such tracks are to be so removed, which shall be briefly designated by ordinance in each specific instance.

3rd. A privilege on the part of such street railway companies at the end of said period, or any time previous thereto, when and if they deem it necessary for the improvement of the service, to reconstruct said railway tracks, or any portion thereof and the appurtenances upon said street or streets, and to connect said tracks or so much thereof as may be reconstructed with other tracks on the streets of said City in the same manner as they were connected previous to such temporary removal, and to have the same rights and privileges as they had before said track or tracks were removed, and that thereupon said track or tracks were removed, and that thereupon, as to the portion of such track reconstructed, such contract shall terminate and be of no further effect; provided, however in the event that the entire railway system of Pittsburgh, now operated by the Pittsburgh Railways Company, be unified and consolidated into one single ownership, and the various mortgages on said system be satisfied and a general mortgage covering such entire system be executed in lieu thereof, then the right and permission which such street railway companies have to relay tracks so removed and temporarily abandoned shall be terminated.

4th. A privilege on the part of any purchaser or purchasers, or the com-

pany or companies organized by said purchaser or purchasers, at a judicial sale upon the foreclosure of any mortgage, either original or in renewal or substitution of such original mortgage upon the property or properties of any such street railway company entering into a contract for such temporary removal of tracks and temporary abandonment of use, to reconstruct or cause to be reconstructed the tracks so temporarily removed within the time, in the manner and subject to the same conditions as provided in Section 2 hereof.

5th. A privilege on the part of said street railway companies, in the event of a termination of leases, operating agreements or contracts, and, or at a separation of the component parts now constituting the Pittsburgh Railways system into its separate units, to reconstruct or cause to be reconstructed the tracks so temporarily removed within the time, in the manner and subject to the same conditions as provided in Section 2 hereof.

6th. A covenant that the City of Pittsburgh, during the continuance of such contract, shall not grant to any other street railway company as herein defined, the right to use or occupy the portion of such street or streets from which such track is by such contract authorized to be temporarily removed.

7th. A recital of the date of the passage and approval of the separate ordinance authorizing the contract and the volume and page of the ordinance book in which the same is recorded.

8th. the names of all companies having an interest whether by original undertaking, lease, agreement or otherwise in the tracks to be temporarily abandoned; together with the dates of acquiring and the character of the interest in such track or tracks.

Section 3. In all such contracts for the temporary removal of tracks and the temporary abandonment of the use of streets, the cost of repaving of resurfacing of such street or streets, or part thereof, shall be pro-

vided for and paid by the City of Pittsburgh and such street railway companies, as follows:

1st. When the City initiates or proposes to repave any street or streets upon which such tracks are now laid, and such street railway companies desire to temporarily remove said tracks and temporarily abandon the use of said street or streets for a definite period not to exceed the statutory period of fifty (50) years, the cost of repaving the street area occupied by such track or tracks shall be paid for by the City of Pittsburgh, and the said track or tracks and appurtenant facilities shall be removed at its or their own cost by the said street railway companies.

2nd. When any of said street railway companies desire to temporarily remove its or their tracks and to temporarily abandon the use of such street or streets, or portion thereof, and the City of Pittsburgh at the same time is not contemplating the repaving or resurfacing of such street or streets, the said street railway companies shall, at their own cost and expense, remove such track or tracks and appurtenant facilities and restore the said street or streets to the condition existing at the time of the removal of the track.

3rd. When the City intends to resurface any street or streets upon which any of such street railway companies desires to temporarily remove its or their track and temporarily abandon the use of such street or streets, the said street railway companies shall, at its or their own expense, remove the track and appurtenant facilities upon such street or streets; provided, however, that if the City of Pittsburgh desires to utilize any part of the structure of such track, excepting the rails, as a foundation for such resurfaced street or streets, the said street railway companies shall remove only the rails and such other part of said track structure as they be directed to remove by the Director of the Department of Public Works, and such street railway companies shall thereupon pay into the City treasury the

amount of money necessary for the ultimate removal of the remaining portion of such track or tracks, which said amount shall be estimated by the Director of the Department of Public Works and agreed upon between him and the said street railway companies; provided further, that where only a part of such track or track structure shall be removed, the said street railway companies shall restore the area of paving from which such part of its track and track structure has been removed so as to leave the same in adequate form and condition for the City to resurface.

Section 4. Upon the temporary removal of tracks and the temporary abandonment of the use of streets, as herein provided for, such street railway companies shall thereafter, during the continuance of the agreement, be relieved of all liability to pave, repave, maintain, keep clean and repair the street or streets or portion of the same, from which the tracks have been temporarily removed.

Section 5. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance be and the same is hereby repealed so far as the same affects this Ordinance.

No. 361

AN ORDINANCE — Authorizing and empowering the City of Pittsburgh to enter into an agreement specified herein, for a term of Ten (10) years, with the Duquesne Light Company, in connection with an electric signal system for the control of traffic, to maintain cables and conduits, and to furnish other material or work relating thereto, and providing for the compensation therefor.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the City of Pittsburgh is hereby authorized and empowered, through the Mayor and the Director of the Department of Public Safety, to enter into an agreement specified herein, for a term of Ten (10) years, with the Duquesne Light Company, in connection with an electric signal system for the control of traffic, to maintain cables and conduits, and to furnish electric service in connection therewith, and to furnish other material or work relating thereto, which agreement shall be as follows:

ARTICLES OF AGREEMENT

MADE AND ENTERED INTO, this day of, 1929, by and between the City of Pittsburgh, a municipal corporation of the State of

Pennsylvania (hereinafter called "City,") acting in this behalf through Mayor, and Director of the Department of Public Safety, of said City, they having been duly authorized thereto by Ordinance of Council of said City, approved 192...., party of the first part,

AND THE

Duquesne Light Company, a corporation organized and existing under the laws of the Commonwealth of Pennsylvania (hereinafter called "Company,") party of the second part.

WHEREAS, The City of Pittsburgh has installed for the control of traffic an electric signal system at or near approximately one hundred street intersections in the territory of the City commonly known as the Downtown Triangle, bounded by the Allegheny River on the north, the Monongahela River on the south, and a line running approximately north and south in the general vicinity of Eleventh street and Washington Place; and,

WHEREAS, The City in installing said system owns the traffic signals, signs and controllers, and will eventually own all master control cable running from the City-County Building to a manhole or manholes at each street intersection included in the traffic control signal system and all control cables and conduits for said electric signal system from a manhole or manholes to the control box or control boxes at each intersection and to a sign or to signs used in connection with the said electric signal system, as well as all control cables and new conduits therefor from the control box or control boxes to each signal unit and/ or sign at or near each street intersection; and,

WHEREAS, The City will operate and maintain the traffic signals, signs, controllers, cables and conduits not installed by the Company; and,

WHEREAS, The City desires that the Company shall maintain all cables and conduits installed by the said Company used in connection with said electric signal system; and,

WHEREAS, The City desires that the Company shall furnish electric service for said electric signal system; and,

WHEREAS, The City may desire the Company to do certain other work necessary in conjunction with the said electric signal system, such as the moving of poles, installation of new poles, installation of new conduits, etc., after the Company's original construction work in connection with the said electric signal system has been accepted by the Director:

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

That for and in consideration of the premises and the mutual covenants contained herein, it is agreed by the parties hereto as follows:

1. Maintenance of Cables and Conduits.

The Company shall maintain all cables and conduits installed by the Company for the use of the City in connection with the said electric signal system and the City shall pay the Company for such maintenance, in addition to the cost of furnishing energy, as hereinafter provided, an amount equal to the cost of such maintenance, which cost shall be limited to materials and labor plus fifteen per cent. (15%.) which cost, however, shall not include any supervision or overhead charges. It is understood and agreed that the said maintenance shall include any such extensions, renewals or replacements as are necessary, authorized and approved by the Director, in writing, for the efficient operation of the said electric signal system or any additions thereto, as authorized by the City of Pittsburgh.

2. Furnishing of Energy.

The Company shall furnish service to the City for the said electric signal system under its regular filed Tariff "E," or any revised tariff in place thereof and applying thereto, or at the choice of the City under any tariff applying thereto but not in place thereof, the service agreement therefor to be for a period of ten (10) years from the date of connection. During the period of adjustment of the system, which shall not exceed thirty (30) days after date of connection, an accurate rec-

ord of the number of hours during which the system is in operation shall be kept by the Traffic Engineer of the Bureau of Traffic Planning of the City of Pittsburgh, who shall each time notify the Company when the system is to be placed in trial operation and when said trial operation has been terminated.

Payment for energy used shall be on the basis of the total estimated kilowatt hours per month.

In case of shutdowns of the electric signal system or any part thereof for periods longer than one hour subsequent to the time when the system is placed in regular operation, the Traffic Engineer shall notify the Company at the beginning and end of the shutdown period and the Company shall make a pro rata reduction in the next bill for energy.

3. Relocating of Poles.

If any pole having a traffic signal, sign or control box thereon is relocated for any reason, except to improve the effectiveness of the signal as installed, after the Company's original construction work in connection with such electric signal system has been accepted by the Director of the Department of Public Safety of the City of Pittsburgh, or if any other pole is to be relocated in connection with or for the benefit of the said electric signal system, except at the request of the Duquesne Light Company, in which case the Company shall pay the entire cost of said relocation, the Company shall make the necessary rearrangement of underground cables and conduits, and shall relocate such poles if requested by the Director of the Department of Public Safety. The City shall pay the Company for the actual cost of the work done by the Company, except for service connection or other work properly to be done by the Company, on the basis of the cost of labor and material actually furnished plus fifteen (15%) per cent., which 15% shall be in lieu of all supervision and overhead charges; and provided, further, that in case of the relocating of a pole solely for the purpose of improving the effective-

ness of a signal as installed, then and in that event the Company shall relocate the pole or poles as ordered by the Director of the Department of Public Safety of the City of Pittsburgh, and the City shall pay the cost of the labor and material actually furnished in relocating of said poles plus fifteen (15%) per cent., which 15% shall be in lieu of all supervision and overhead charges, and in addition thereto shall pay the cost of the service connection. It is further provided that if the relocation of any pole is made for the benefit of or at the request of the Duquesne Light Company, then and in that event the Company shall pay the entire cost of said removal and/or relocation.

4. Additions and Changes.

The Company agrees to do such additional work in connection with the said electric signal system as may from time to time be authorized by the City, orders for such work to be given by the Director in writing. The City shall pay the Company for such work on the basis of cost of labor and materials, plus fifteen (15%) per cent., except for service connection and other work properly to be done by the Company.

5. Rendering of Bills.

All bills for maintenance and energy shall be billed and payable monthly.

6. Right of City Employees.

The City agrees, for matters provided in this Agreement, that at no time will permission be given for any of its employees to enter any of the manholes belonging to the Company or to inspect or otherwise assume any jurisdiction whatsoever over the conduits or cables which the Company, in paragraph 1 of this Agreement is to maintain, except with the written permission of the Company, and then only when accompanied by an authorized representative of the Company.

7. Public Service Commission.

It is hereby understood and agreed that neither the purpose nor intent nor the obligation of this Agreement, if and approved by the Public Service Commission of the Commonwealth of

Pennsylvania, is such as to impair or in any way affect the exercise by said Commission of any of the powers vested in it by the Public Service Company Law, approved July 26, 1913, and all amendments and supplements thereto.

8. Liability.

The Company agrees that it will not obstruct the streets, street railways, steam railroads, or passenger travel or traffic, without the consent of the proper authorities, and that it will observe the laws relating to the same; that it will place and at all times keep proper guards, and at night suitable and sufficient lamps for the prevention of accidents; that it will observe police regulations and City ordinances; that it will indemnify and save harmless the City, its officers, employees and agents from and against any and all loss, damage, injury, cost, charge or expense, and from all suits, actions or proceedings of every kind which may be brought against the City, its officers, employees or agents, for or on account of any injuries or damages to person or property received or sustained by any person or persons, firm or corporation, by or from said Company, or its employees, or agents, while engaged in the prosecution of the work under this Agreement, or by or in consequence of any materials or explosives used on said work, or by or on account of any improper materials or workmanship used in its construction, or by or on account of any accident that may occur during the performance of the work, or by or on account of any patent, invention, article or arrangement that may be used by the said Company in the work to be done or the materials furnished for the work under this Agreement, or by or on account of any other act either of omission or commission of said Company, or of its agents or employees, during the construction, maintenance or operation by or upon the part of the Company of the work or works herein provided for, or by or on account of or incident to the rendering of service as herein provided for, or by or on account of any electrical

condition or trouble which might occur on or in Company property and which condition or trouble is within control of the Company.

The City hereby agrees to indemnify and save harmless the Company from and against any and all loss, damage, injury, cost, claim, charge and expense of every kind and description incident to or arising out of the attachment, maintenance, operation or final removal of any of said traffic signals, signs or controls, upon and from the poles of the Company, and agrees to defend all suits and actions which may be brought against the Company on account thereof, and shall pay as well all costs and charges of said suit or suits and the expenses thereof, and all verdicts, judgments, recoveries and decrees therein, and no charge whatsoever shall be made against the Company for or on account of the attachment, maintenance, operation or removal of the same or any part thereof; provided, however, that the City shall not be liable for any loss, damage, injury, cost, claim, charge or expense which may be directly attributable to negligence on the part of the Company or its employees.

9. Settlement of Disputes.

It is expressly covenanted and agreed that in the event of any disagreement or controversy arising between the parties hereto as to the interpretation of any plans or specifications incident to this Agreement, or the interpretation or proper execution of this Agreement, or as to any question or matter whatsoever which may arise or be in dispute under this Agreement or said plans or specifications, or of the terms or conditions thereof, such disagreement, controversy or dispute shall be immediately inquired into and decided by the Director, whose decision thereon shall be final and conclusive as to all matters in controversy, and all right or rights of action at law, in equity or otherwise, under and by virtue of this Agreement, are hereby expressly waived.

10. Acts of Assembly and Ordinances.

It is further agreed by the parties

hereto that in any or all matters not herein specified, this contract shall be subject to the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania, and the Ordinances of the City of Pittsburgh, Pennsylvania, now in force so far as they are applicable thereto, and especially is this Agreement subject to the provisions of an Act of Assembly entitled: "An Act for the government of cities of the second class," approved the 7th day of March, A. D. 1901, and the supplements and amendments thereto.

11. Definition of Director.

It is further agreed by the parties hereto that wherever the word "Director" or the pronouns in place thereof occur in this Agreement, it or they shall be considered as referring to the party of the first part of this Agreement and in particular to the Director of the Department of Public Safety of the City of Pittsburgh, or his Traffic Engineer, assistants and inspectors, limited by the special duties entrusted to them.

12. Term of Contract.

This Agreement shall be and remain in full force and effect for a period of ten (10) years from the date upon which the electric signal system is placed in operation and thereafter from year to year until terminated by either party upon three (3) months' written notice to the other of its intention so to do.

13. Successors, Lessees and Assigns.

This Agreement shall extend to, be binding upon, and inure to the benefit of the parties hereto, their successors, lessees and assigns.

IN WITNESS WHEREOF, This contract is signed and executed in the name of the City of Pittsburgh and for the City of Pittsburgh, by.....

....., the Mayor and

AN ORDINANCE—Granting unto the

Pittsburgh Railways Company, its successors, lessees and assigns, the right to enter upon, use and occupy Charles street and Perrysville avenue, in the City of Pittsburgh, with a connecting curve, subject to the terms and conditions herein provided.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Pittsburgh Railways Company, its successors, lessees and assigns, shall have the right and they are hereby

authorized to enter upon use and occupy with a connecting curve, for street railway purposes, the streets and highways in, on and along the following route, to-wit:

Beginning in the center line between curbs on Charles street as now being improved by the City of Pittsburgh, 51 feet 6 inches as measured eastwardly along the aforesaid center line from its intersection with the east curb of Perrysville avenue, thence northwesterly by spiral and circular curve 115 feet more or less to a point of connection with the northbound track on Perrysville avenue.

Section 2. The Pittsburgh Railways Company, its successors, lessees and assigns, shall have the right, and they are hereby authorized to construct, maintain, operate, and use a single street railway track on the route hereinbefore mentioned, together with the necessary turnouts and connections, and to operate cars thereon, and to use electricity as a motive power, and to erect, maintain and use, in the streets and highways hereinbefore mentioned, such posts, poles and other supports as said company may deem convenient for the support and maintenance of an overhead system, and for the operation of street railways, subject, however, to the provisions of an ordinance approved February 25, 1890, entitled "A general ordinance relating to the entry upon, over, or under, or the use or occupation of any street, lane or alley, or any part thereof, for any purpose, by passenger or street railway companies, or by companies operating passenger or street railways, and providing reasonable regulations pertaining thereto for the public convenience and safety."

Section 3. The Company shall furnish clean, sanitary and well lighted cars, properly heated and ventilated, and shall provide sufficient cars to furnish reasonable service to accommodate the traffic.

Section 4. The Pittsburgh Railways Company may assign any of the rights hereinbefore granted to such of the underlying companies operated or to be operated by it as it deems proper, subject to the consent of Council of the City of Pittsburgh, and subject also to

the acceptance by said underlying companies of all the terms and provisions of this ordinance.

Section 5. The term of this grant shall be for the period of fifty (50) years from the date of acceptance hereof.

Section 6. This ordinance shall be accepted by the Pittsburgh Railways Company within sixty (60) days after its passage or approval by a certificate of acceptance of all the conditions and provisions thereof. The said certificate to be executed under the corporate seal of the Company, duly attested by the President or Vice President, and the Secretary or an Assistant Secretary thereof, and filed with the Controller of the City.

Section 7. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

AN ORDINANCE—Granting unto the Pittsburgh Railways Company, its successors, lessees and assigns the right to enter upon, use and occupy Ferry street between Third avenue and Liberty avenue with an additional track and certain connecting curves, for street railway purposes, subject to the terms and conditions herein provided.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That*

the Pittsburgh Railways Company, its successors, lessees and assigns, shall have the right and they are hereby authorized to enter upon, use and occupy for street railway purposes the streets and highways in, on and along the following route with the right to install, maintain and operate an additional single street railway track over said route, and with the right also to install maintain and operate certain connecting curves at Fourth avenue and Ferry street, and at Diamond and Ferry streets, as hereinafter described:

(a) Route for additional single track:

Beginning in the westbound track on Liberty avenue at right angles opposite a point in the south curb line of Liberty avenue 14 feet as measured eastwardly along the south curb line of Liberty avenue from its intersection point with the east curb line of Ferry street, thence southwestwardly by curve 55 feet to and onto Ferry street, thence southwardly along Ferry street parallel with the east curb of Ferry street, and 29 feet $9\frac{1}{4}$ in. therefrom, 259 feet, thence curving southeastwardly 70 feet more or less to a point of connection with the existing connecting curve leading from Fourth avenue.

(b) Connecting curves at the corner of Diamond and Ferry streets, and at the corner of Fourth avenue and Ferry street respectively:

Beginning in the existing track on Diamond street at right angles opposite a point in the south curb line of Diamond street situated 35 feet 6 inches as measured eastwardly along the said curb line from its intersection with the east curb line of Ferry street, thence northwestwardly 86 feet to a point of connection with the existing northbound track on Ferry street.

Beginning in the existing northbound track on Ferry street at right angles opposite a point in the east curb line of Ferry street 62 feet as measured southwardly along the said curb line from its intersection with the south curb line of Fourth avenue, thence by curve northeastwardly 120 feet more or less to a point of connection with the existing track on Fourth avenue east of Ferry street.

Section 2. The Pittsburgh Railways Company, its successors, lessees and assigns, shall also have the right and privilege of relocating the existing curve at the intersection of Diamond and Ferry streets from its present connection with the northbound track on Ferry street, in such manner as to connect the existing track on Diamond street with the additional single track authorized to be constructed in sub-paragraph (a) of Section 1 hereof.

Section 3. The Pittsburgh Railways Company, its successors, lessees and assigns, shall have the right and they are hereby authorized to construct, maintain, operate and use an additional single street railway track on the route hereinbefore mentioned, and to construct, maintain, operate and use certain connecting curves as above described, together with the necessary switches and connections, and to operate cars thereon and to use electricity as a motive power, and to erect, maintain and use in the streets and highways hereinbefore mentioned such posts, poles and other supports as said Company may deem convenient for the support and maintenance of an overhead system, and for the operation of street railways, subject, however, to the provisions of an ordinance approved February 25, 1890, entitled "A general ordinance relating to the entry upon, over or under or the use or occupation of any street, lane or alley, or any part

thereof, for any purpose by passenger or street railway companies, or by companies operating passenger or street railways, and providing reasonable regulations pertaining thereto for the public convenience and safety."

Section 4. The Company shall furnish clean, sanitary and well-lighted cars, properly heated and ventilated, and shall provide sufficient cars to furnish reasonable service to accommodate the traffic.

Section 5. The Pittsburgh Railways Company may assign any of the rights hereinbefore granted to such of the underlying companies operated or to be operated by it as it deems proper, subject to the consent of Council of the City of Pittsburgh, and subject, also, to the acceptance by said underlying companies of all the terms and provisions of this ordinance.

Section 6. The term of this grant shall be for the period of fifty (50) years from the date of acceptance hereof.

Section 7. This ordinance shall be accepted by the Pittsburgh Railways Company within sixty (60) days after its passage or approval by a Certificate of Acceptance of all the conditions and provisions thereof. The said Certificate to be executed under the corporate seal of the Company, duly attested by the President or Vice President, and the Secretary or an Assistant Secretary thereof, and filed with the Controller of the City.

Section 8. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

AN ORDINANCE—Granting unto the

H. J. Heinz Company, its successors and assigns, the right to construct, maintain and use 23 concrete piers extending into Carpenter way, a maximum of 4' from building line at a minimum depth of 8' 9" below grade of Way, for the purpose of erecting a proposed building on the property of the H. J. Heinz Company, 23rd Ward, Pittsburgh, Pa.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the H. J. Heinz Company, its successors and assigns are hereby given the right and authority at its own cost and expense to construct, maintain and use 23 concrete piers extending into Carpenter Way, a maximum of 4' from building line at a minimum depth of 8' 9" below grade of Way, for the purpose of erecting a proposed building, property of the H. J. Heinz Company, 23rd Ward, Pittsburgh, Pa.

The said grant shall be constructed in accordance with the provisions of this Ordinance and in accordance with plan hereto attached and identified as Accession No. B-347, Folder "B," in the files of the Division of Public Utilities, Bureau of Highways and Sewers, Department of Public Works, entitled, "Proposed extension of concrete piers into Carpenter Way for a proposed building on the property of the H. J. Heinz Company, 23rd Ward, Pittsburgh, Pa."

Section 2. The said company, prior to the construction of said piers, shall submit to the Director of the Department of Public Works a complete set of plans showing location and all details for the construction of said piers, and the said plans shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of sidewalks and street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the maintenance and use of the said sidewalks and streets. All of the said work shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said piers, upon giving six (6) months' notice through the proper officers pursuant to resolution or ordinance of Council to the said H. J. Heinz Company, its successors and assigns, to that effect; and that the said grantee shall, when so notified, at the expiration of the said six months, forthwith, remove the said piers and replace the sidewalks and streets to their original condition, at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, mainten-

ance and use of concrete piers in said sidewalks and streets and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within thirty (30) days after its passage and approval, the H. J. Heinz Company, shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

AN ORDINANCE—Granting unto the

Mercy Hospital, its successors and assigns, the right to construct, maintain and use a 6" conduit under and diagonally across Pride street, 3' below grade for the purpose of transmitting steam from power plant, property of the Mercy Hospital to the opposite side of the street, property of the Mercy Hospital, 1st Ward, Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the Mercy Hospital, its successors and assigns be and are hereby given the right and authority at its own cost and expense to construct, maintain and use a 6" conduit for a distance of approximately 40' 6" under and diagonally across Pride street, 3' below grade, located approximately 52' 8½" from the south side of Locust street, for the purpose of transmitting steam from power plant, property of the Mercy Hospital across Pride street to property of the Mercy Hospital, 1st Ward, Pittsburgh, Pa.

The said conduit shall be constructed in accordance with the provisions of this ordinance and in accordance with plan hereto attached and identified as Accession No. B-348, Folder "B," in the files of the Division of Public Utilities, Bureau of Highways and Sewers, Department of Public Works, entitled, "Proposed 6" conduit under and diagonally across Pride street, property of the Mercy Hospital, 1st Ward, Pittsburgh, Pa."

Section 2. The said Mercy Hospital, prior to beginning the construction of said conduit, shall submit to the Director of the Department of Public Works of the said City a complete set of plans showing the location and all details for the construction of said conduit and said plans and the construction of said conduit shall be subject to the approval and supervision of said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of conduits in City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said conduit. All of the said work, including the repaving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said conduit upon giving thirty (30) days' notice through the

proper officers pursuant to resolution or ordinance of Council to the said Mercy Hospital, its successors and assigns, to that effect; and the said grantee, when so notified, shall at the expiration of the said thirty days, forthwith, remove the said conduit and replace the street to its original condition, at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and sub-surface structures therein, by reason of the construction, maintenance and use of the said conduit, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to-wit: This ordinance shall become null and void unless within thirty (30) days after its passage and approval, the Mercy Hospital, shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the said Mercy Hospital, with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

the Baltimore & Ohio Railroad Company, their successors and assigns be and are hereby given the right and authority at their own cost and expense to construct, maintain and use 11 tracks at grade on and across Galveston avenue located on the center line of Galveston avenue and center line of tracks; 1st track located approximately 575' south of Shore avenue; 2nd track 584'; 3rd track 614'; 4th track 627½'; 5th track 632½'; 6th track 683'; 7th track 698½'; 8th track 703'; 9th track 715'; 10th track 786' and 11th track 800', for the purpose of conveying material, etc., from the Baltimore & Ohio Railroad Company's main track to their yard east of Galveston avenue, property of the Baltimore & Ohio Railroad Company, 22nd Ward, Pittsburgh, Pa.

The said tracks shall be constructed in accordance with the provisions of this Ordinance and in accordance with plan hereto attached and identified as Accession No. B-346, Folder "B," in the files of the Division of Public Utilities, Bureau of Highways and Sewers, Department of Public Works, entitled, "Proposed tracks on and across Galveston avenue at grade for the Baltimore & Ohio Railroad Company, 22nd Ward, Pittsburgh, Pa."

Section 2. The said company prior to the construction of tracks shall submit to the Director of the Department of Public Works of the City of Pittsburgh a complete set of plans showing location of all surface and sub-surface structures in detail for the construction of said tracks and the plans and construction of tracks shall be subject to the approval and supervision of the Director of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of tracks on City streets, and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said tracks. All of the said work, including the repaving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said tracks upon giving six (6) months' notice through the proper officers pursuant to resolution or ordinance of Council to the said Baltimore & Ohio Railroad Company, their successors and assigns, to that effect; and that the said grantee shall, when so notified, at the expiration of the said six months, forthwith, remove the said tracks and replace the street to its original condition, at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and sub-surface structures therein, by reason of the construction, maintenance and use of the said tracks, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within sixty (60) days after its passage and approval, the Baltimore & Ohio Railroad Company shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

AN ORDINANCE—Granting unto the Carnegie Institute of Technology, its successors and assigns, the right to construct, maintain and use a 15" conduit under and across Woodlawn avenue for the purpose of transmitting steam, water and electricity from their power plant on the west side of Woodlawn avenue to serve their property on the east side, 14th Ward, Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* The Carnegie Institute of Technology, its successors and assigns be and they are hereby given the right and authority at its own cost and expense to construct, maintain and use a 15" conduit under and across Woodlawn avenue, located at a point approximately 616' south of Forbes street for a distance of 60' across Woodlawn avenue at an approximate depth of 6' from grade of street for the purpose of transmitting steam, water and electricity from their power plant on the west side of Woodlawn avenue to serve their property on the east side, 14th Ward, Pittsburgh, Pa.

The said conduit shall be constructed in accordance with the provisions of this Ordinance and in accordance with plan hereto attached and identified as Accession No. B-349, Folder "B" in the files of the Division of Public Utilities, Bureau of Highways and Sewers, Department of Public Works, entitled, "Proposed 15" conduit under and across Woodlawn avenue for the Carnegie Institute of Technology, 14th Ward, Pittsburgh, Pa."

Section 2. The said party, prior to beginning the construction of the said conduit, shall submit to the Director of the Department of Public Works of the said City a complete set of plans showing the location and all details for the construction of the said conduit, and said plans and the construction of the said conduit shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of conduits in City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said conduit. All of the said work, including the paving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability reserves the right to cause the removal of the said conduit, upon giving six (6) months' notice through the proper officers pursuant to Resolution or Ordinance of Council to the Carnegie Institute of Technology, its successors and assigns, to that effect; and that the said grantee, when so notified, shall at the expiration of the said six (6) months forthwith, remove the said conduit and replace the street to its original condition, at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of

Pittsburgh for damages to persons or property, including the street and sub-surface structures therein, by reason of the construction, maintenance and use of the said conduit, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval the Carnegie Institute of Technology, shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Institute, with its proper seal attached.

AN ORDINANCE — An ordinance granting the consent of the City of Pittsburgh to the County of Allegheny to enter upon certain streets in the City of Pittsburgh for the purpose of constructing a ramp connection between the Forbes Street Approach to the Liberty Bridge and the Boulevard of the Allies, authorizing and directing the Mayor and the Director of Public Works to execute an agreement on behalf of the City of Pittsburgh with the said County of Allegheny in the form herein provided.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the consent of the City of Pittsburgh is hereby granted to the County of Allegheny to construct a ramp connecting the Forbes Street Approach to the Liberty Bridge with the Boulevard of the Allies at Horace street, insofar as the same affects or occupies the streets of the said City or the land under its jurisdiction and subject to the terms of an agreement hereinafter provided.

Section 2. The Mayor and the Director of the Department of Public Works are hereby authorized and directed, for and on behalf of the City of Pittsburgh, to enter into an agreement with the County of Allegheny in the form and manner herein provided.

ARTICLES OF AGREEMENT

This agreement made the day of A. D., 1929, between the City of Pittsburgh in the County of Allegheny, State of Pennsylvania, hereinafter called the "City,"

party of the first part, and the County of Allegheny, State of Pennsylvania, hereinafter called the "County," party of the second part, WITNESSETH:

WHEREAS, The County desires to construct a ramp connecting the Forbes Street Approach to the Liberty Bridge with the Boulevard of the Allies at Horace street;

WHEREAS, It is necessary for the City to consent to and to make certain changes in the lines and grades of the streets to be occupied by the ramp;

NOW THEREFORE, In consideration of the foregoing and the covenants to be kept on the part of each of the parties hereto, it is mutually agreed as follows:

(1) The County agrees to construct the ramp at Horace street with the necessary abutments and supports therefor and to grade and improve the streets in conformity with Plan No. 41A of the Department of Public Works of Allegheny County, identified by the signatures of Norman F. Brown, Director of the Department of Public Works of Allegheny County and of Edward G. Lang, Director of the Department of Public Works of the City of Pittsburgh, copies of which are on file in the Bureau of Engineering, Department of Public Works, City of Pittsburgh.

(2) The cost of the physical work and all damages incurred thereby shall be borne and paid for by the County and the County shall have charge of the disposal of all claims for damages. Upon the completion of the ramp it shall be maintained by the County.

(3) The City agrees to enact all legislation necessary for the performance of the work, including the re-establishment of the grades of any of the highways affected by said ramp construction.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be signed in duplicate, the date and year hereinbefore written.

ARTICLES OF AGREEMENT

This agreement made this day of A. D., 1929 between the City of Pittsburgh, in the County of Allegheny, State of Pennsylvania, hereinafter called the "City," party of the first part, and the "County of Allegheny," State of Pennsylvania, hereinafter called the "County," party of the second part, WITNESSETH:

WHEREAS, The County desires to construct a new bridge, with its approaches and appurtenances, from Island avenue, near the O'Donovan's Bridge, in the Borough of McKees Rocks, and extending through the

Township of Stowe and across the Ohio River to the City of Pittsburgh and over streets and private properties and rights of way, in the City of Pittsburgh, to California avenue at Termon avenue.

WHEREAS, It is necessary for the City to consent to and to make certain changes in the lines and grades of approach streets;

NOW THEREFORE, in consideration of the foregoing and of the covenants to be kept on the part of each of the parties hereto, it is mutually agreed as follows:

1. The County agrees to construct a public highway bridge over the Ohio River and the necessary approaches and to construct the abutments and supports therefor and to grade and improve said approaches, and to re-grade and reimprove all streets affected thereby in conformity with plans Nos. 79 and 80 of the Department of Public Works, County of Allegheny, entitled "McKees Rocks Bridge No. 2 Ohio River, and identified by the signatures of the Commissioners of the County of Allegheny, and the Director of Public Works of the City of Pittsburgh, copies of which are on file in the Bureau of Engineering, Department of Public Works, City of Pittsburgh.

2. The cost of the physical work and all damages incurred thereby, except as hereinafter specified, shall be borne and paid for by the County, and the County shall have charge of the disposal of all claims for damages.

3. The City consents to the construction by the County of said bridge in so far as it is within the City of Pittsburgh and agrees to enact all legislation necessary for the performance of the work, including the establishment and re-establishment of the grades of the highways affected by said construction, and for the opening and vacation of all streets and ways required for said approaches.

4. The City agrees, at its own cost and expense, to make the necessary alterations and construct any additional sanitary and combined sewers,

including house, or other connections which may be necessary as a result of this improvement and within its limits, prior to or during the construction work to be done by the County under this agreement, exclusive of storm-water drains for the bridge and its approaches which are to be constructed by the County. The City also agrees to require the construction of any water-lines with the necessary house or other connections, fire hydrants, gate boxes, etc. and public service company utilities within the limits of this improvement, at the cost or expense of the City, individuals, or public service companies as provided by law prior to or during the construction work to be done by the County under this agreement. All work on sanitary sewers, combined sewers and water lines, and public service company utilities, shall be done by the City or the public service companies, in such a manner as to cause as little interference or delay as possible to the County's contractor on this work. The altering, the setting or reconstruction of existing catch basins or storm inlets, within the limits of this improvement, shall be included in the construction work to be performed by the County under the terms of this agreement.

5. The City shall have installed, at its own cost and expense, on the bridge approach, from the traffic circle, at the intersection of the bridge with the Ohio River Boulevard, to the intersection of said approach with California avenue and Termon avenue, the necessary lighting system. Plan of the poles, fixtures, etc., approved by the Director of the Department of Public Works, City of Pittsburgh, shall be furnished by the Department of Public Works of Allegheny County. It is further agreed after the completion of the improvement aforesaid, the City shall light the Termon avenue Approach between the terminal points hereinbefore described, and the County shall be forever afterwards relieved from any responsibility for the maintenance or repair of the lighting system herein provided to be maintained by the City.

6. The City agrees to give all necessary notices to fully advise all parties concerned of the proposed improvements and to require all public service companies, and individuals to make the necessary repairs and connections to existing utilities and to install any new utilities with its house or other connections to points outside the limits of this improvement prior to or during the construction of the bridge and its approaches.

7. In case the City constructs water-lines, sanitary and combined sewers, within the lines of this improvement, after the signing of this agreement, the City agrees, at its own cost and expense, to back-fill the trench or trenches in a workmanlike manner and place any concrete over the same that may be required by the County, to reinforce the subgrade to insure the stability of the approach pavement. Where public service companies or individuals open such trenches, either at their own request or by order of the City, the City shall require said companies or individuals to back-fill the trench or trenches in a workmanlike manner and place any concrete that may be required by the County to reinforce the subgrade and insure the stability of the approach pavement. The City agrees to relieve the County of the responsibility for the failure of any part of the pavement of this improvement or any structures connected therewith occasioned by the subsidence, of any trenches opened by the City, public service companies or individuals, whether said trenches are opened before or after the improvement of the bridge and its approaches by a contract or contracts let by the County of Allegheny.

8. The City agrees to pay to the County the additional cost of back-filling any trenches with slag and the cost of removing and replacing concrete slabs or pavement over said trenches when trenches opened by the City or others are found in such condition as to endanger the strength or stability of the work to be done by the County. In case such trenches are found, their condition shall be

brought to the attention of the Director of Public Works of the City by letter, and if the condition is not corrected by the City within three (3) days after the delivery of such letter, the County shall correct the condition and bill the City for the actual cost of construction of same.

9. It is agreed that after the completion of the bridge and its approaches that the County shall maintain same, with the exception of the lighting system, hereinbefore mentioned.

No. 494

AN ORDINANCE — Authorizing the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, to execute an agreement with the Pennsylvania Railroad Company for the reconstruction of a certain bridge on Bridge street, leading from East Ohio street to Herrs Island.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, are hereby authorized to execute and deliver an agreement with the Pennsylvania Railroad Company for the reconstruction and alteration of certain portions of a bridge over Bridge street, leading from East Ohio street to Herrs Island, said agreement to be in the following language:

AGREEMENT

MADE the....., day of, A. D. 1929, by and between the City of Pittsburgh, acting in this behalf by the Mayor and the Director of the Department of Public Works, hereinafter called "City," and The Pennsylvania Railroad Company, a corporation under the laws of the Commonwealth of Pennsylvania, hereinafter called "Railroad," WITNESSETH:

WHEREAS, On November 20, 1902, an ordinance was adopted by the Council of the City of Allegheny authorizing an agreement with the Western Pennsylvania Railroad Company and The Pennsylvania Railroad Company, its lessee, granting the consent of the City and authorizing the Railroad Company to change the elevation of Bridge street crossing Herrs Island from the western terminus of the Thirtieth Street Bridge at the line of the Allegheny River to the eastern line of Ohio street in said City; and

WHEREAS, the City of Allegheny was annexed to and became a part of the City of Pittsburgh on the first Monday of January, 1907, and all rights that were vested in the City

of Allegheny by virtue of the ordinance and agreement hereinbefore recited, became vested in the City of Pittsburgh; and

WHEREAS, The Thirtieth Street Bridge was abandoned as a bridge and has been replaced by a new bridge on the line of Thirty-first Street; and

WHEREAS, In order to continue to furnish access to Herrs Island and the industries located thereon, it is necessary to maintain the existing bridge on the line of Bridge street; and

WHEREAS, certain of the bridge spans heretofore constructed by the Western Pennsylvania Railroad Company and its lessee, The Pennsylvania Railroad Company, have become dilapidated and unsafe and also obsolete in design and structure, and it is the desire of the parties to this agreement that the said spans shall be reconstructed; and

WHEREAS, The parties to this agreement have heretofore had a dispute as to the maintenance of a certain portion of said bridge and structure, to-wit, that portion known as the back channel span, which channel is hereby defined to be that portion of the river between Herrs Island and North Side of the City of Pittsburgh, formerly the City of Allegheny;

NOW, THEREFORE, THIS AGREEMENT WITNESSETH:

First. That the Pennsylvania Railroad Company as successor to the Western Pennsylvania Railroad Company, shall at its own cost and expense alter and reconstruct certain portions or spans of said bridge so that the roadway of the reconstructed bridge shall conform to the following elevation, to-wit:

Beginning at the easterly or Herrs Island and of the bridge span over the Back Channel of the Allegheny River at the existing elevation of 55.7 feet precise datum of the City of Pittsburgh; thence proceeding westwardly on an ascending grade of 1.09 per cent across the Back Channel of the Allegheny River a distance of 292.1 feet; thence continuing westwardly ascending on a 4.89 per cent

grade 22.5 feet; thence continuing westwardly ascending on a 4.75 per cent grade 61.25 feet to an existing curb elevation of 62.85 feet; thence continuing westwardly on an existing ascending grade of 0.1 per cent a distance of 60 feet more or less to the existing curb elevation of East Ohio street which elevation is 62.91 feet precise datum of the City of Pittsburgh; and according to plans that have been prepared by the Chief Engineer of said Railroad and have been approved by the Director of the Department of Public Works and are known and identified as "O H Bridge No. 75.46—30th Street—Herrs Island Stock Yards—P. R. R. No. 80714, Sheets 1 and 2," a copy of said plan being on file in the office of the Director of the Department of Public Works of the City.

Second. The alterations to the outlet from said bridge to River avenue shall be made by the Railroad to conform to the following grades:

Beginning at a point distant southwardly from Bridge street 350 feet; thence proceeding northwardly on an existing ascending grade of 7.5 per cent a distance of 319 feet to an existing elevation of 57.24 feet precise datum of the City of Pittsburgh thence continuing northwardly ascending on a grade of 9 per cent to meet the grade of Bridge street as hereinbefore provided.

Third. As and when it shall be determined whether or not The Pennsylvania Railroad Company is liable for the maintenance of the back channel span, which liability is now under litigation in the Court of Common Pleas of Allegheny County, it is agreed that if the said Railroad Company is not liable for the maintenance of the existing span, then the City shall pay to the Railroad the sum of Nine Hundred (\$900.00) Dollars as its contribution to the cost of elevating said span to the new grade of Bridge street as provided in the first paragraph of this agreement. If, on the contrary, it shall be determined in said litigation that the Railroad is liable for the maintenance of said span, then, and in that event, it shall have no claim against

the City for the cost of elevation of the same as hereinbefore provided.

Fourth. The Railroad agrees to maintain all of said bridge structure except the back channel span subject to the third paragraph hereof; the liability for maintenance of the back channel span shall be imposed on either the City or the Railroad as may be determined by said litigation.

Fifth. It is understood and agreed that neither the purpose nor intent nor obligation of this contract, if and when approved by the Public Service Commission of the Commonwealth of Pennsylvania, is such as to impair or in anywise affect the exercise by said Commission of any of the powers vested in it by the Public Service Company Laws, approved July 26, 1913.

IN WITNESS WHEREOF, the parties to this Agreement each, pursuant to proper Ordinances and Resolutions authorizing the same, have hereto affixed their respective seals, duly attested by their proper respective officers the day and year first above written.

No. 495

AN ORDINANCE—Amending an ordinance entitled, "An Ordinance authorizing the Mayor and the Director of the Department of Public Works for and on behalf of the City of Pittsburgh, to enter into a contract with The Pennsylvania Railroad Company, providing for the widening and improvement of Pike street, Eleventh street, Twenty-first street, and Twenty-third street, the vacation of certain streets, the change of grades of these streets, and for a river-front street, to enable the Company to construct and maintain a freight and produce terminal adequate for the service of the people of the City of Pittsburgh and that street facilities may be maintained," approved the Twenty-fourth day of October, 1928.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works be and they are hereby authorized to make, execute, and deliver in the name of, and on behalf of the City of Pittsburgh a supplemental contract with The Pennsylvania Railroad Company, in the following language, to wit:

A CONTRACT, MADE this..... day of 1929, by and between the City of Pittsburgh (hereinafter called the "City,") and The Pennsylvania Railroad Company (hereinafter called the "Company,)

WITNESSETH:

WHEREAS, Pursuant to a contract entered into between the City and the Company, dated November 3, 1928, relating among other things, to the widening of certain streets in order to facilitate the movement of traffic thereon; and

WHEREAS, It is the desire of the Company to widen Eleventh street between Etna street and the Allegheny River, partly on the easterly side and partly on the westerly side of said Eleventh street instead of on

the easterly side as provided in the Seventh Section of the said agreement dated November 3, 1928, all as shown on plan No. 22636, dated February 6, 1929, marked "Exhibit A," a copy of said plan being filed in the office of the Director of the Department of Public Works of the City.

NOW THEREFORE, It is hereby covenanted and agreed between the parties, as follows:

First: That the Seventh Section of the aforesaid agreement dated November 3, 1928, be changed to read:

"The westerly line of Eleventh street from the present northwesterly corner of said Eleventh street and Penn avenue to a point 116.95 feet southerly from (the present southwesterly corner of said Eleventh street and Duquesne way shall remain as at present; thence from said point 116.95 feet southerly from) the said southwesterly corner of Duquesne way and Eleventh street, north 39° 14' west 118.63 feet to a point in the present southerly line of Duquesne way, distant 40.94 feet westwardly from the said southwesterly corner of Duquesne way and Eleventh street; thence continuing north 30° 14' west to the southerly harbor line of the Allegheny River; the easterly line of said Eleventh street from Penn avenue to the said harbor line of the Allegheny River shall be 80 feet from and parallel to the said westerly line of Eleventh street, and the Company agrees without expense to the City to dedicate all its right, title and interest in and to all the land necessary to provide Eleventh street with a width of 80 feet, from Penn avenue to the Allegheny River, within the lines herein described, including proper curved connections with Penn avenue and with a proposed river-front roadway, all as shown on said "Exhibit A."

Second. All the terms and conditions of the aforesaid agreement of November 3, 1928, shall remain in full force and effect except insofar as the same may be modified by this agreement, which is supplemental thereto.

WITNESS the corporate seal of the City of Pittsburgh and the signatures of the Mayor and the Director of the Department of Public Works, together with the certificate of the City

Controller and the approval of the City Solicitor; and also the corporate seal of said The Pennsylvania Railroad Company, duly attested by the signatures of its proper officers, the day and year first above written, this agreement being executed and delivered by and on behalf of said City pursuant to an ordinance of said City entitled "An Ordinance amending an Ordinance authorizing the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, to enter into a contract with The Pennsylvania Railroad Company, providing for the widening and improvement of Pike street, Eleventh street, Twenty-first street and Twenty-third street," etc., approved the day of

1929, and by and on behalf of the Company pursuant to resolution of its Board of Directors.

No. 496

AN ORDINANCE—Granting unto the Keystone Box Company, its successors and assigns, the right to construct, maintain and use a standard gage switch track on Smallman street, for the purpose of conveying material, etc., from side track of the Pennsylvania Railroad Company on Smallman street to the Keystone Box Company's property on Smallman street, 6th Ward, Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That*

the Keystone Box Company, its successors and assigns be and they are hereby given the right and authority at their own cost and expense to construct, maintain and use a standard gage switch track on Smallman street at grade, located at a point of switch track of the Pennsylvania Railroad Company, 149' southwest of 28th Street; thence running northeastwardly 46' to a point outside of curb; thence northeastwardly for a distance of 103' to the southwest building line of 28th Street in the sidewalk area, the type of rail to be used is a 9" girder "Trilby" type; and sidewalk to be paved with concrete from building line to curb line to maintain pedestrian traffic for the purpose of conveying material, etc., from main side track of the Pennsylvania Railroad Company to the property of the Keystone Box Company on Smallman street, 6th Ward, Pittsburgh, Pa.

The said switch track shall be constructed in accordance with the provisions of this ordinance and in accordance with the plan hereto attached and identified as Accession No. B-350, Folder "B," in the files of the Division of Public Utilities, Bureau of Highways and Sewers, Department of Public Works, entitled, "Proposed switch track on Smallman street at 28th Street for the Keystone Box Company, 6th Ward, Pittsburgh, Pa."

Section 2. The said Company, prior to the beginning of construction of track, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete

set of plans showing location, paving, repaving, sewerage and all details for the construction of said track and the said plans and the construction of track shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the Ordinances of the City of Pittsburgh relating thereto and to the provisions of any general Ordinance which may hereafter be passed relating to the construction, maintenance and use of tracks on City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said track. All of the said work, including the repaving of the streets damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said track upon giving six (6) months' notice through the proper officers, pursuant to a Resolution or Ordinance of Council to the said Keystone Box Company, its successors and assigns to that effect, and that the said grantee shall when so notified, at the expiration of the said six months, forthwith, remove the said track and replace the street to its original condition, at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and sub-surface structures therein, by reason of the construction, maintenance and use of the said track, and

It is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This Ordinance shall become null and void unless within sixty (60) days after its passage and approval, the Keystone Box Company shall file with the City Controller their certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 529

AN ORDINANCE — Authorizing and directing the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, Pennsylvania, to enter into an Agreement with The Baltimore & Ohio Railroad Company and its affiliated Companies, to-wit:—

Pittsburgh Junction Railroad Company, Pittsburgh and Connellsville Railroad Company, Schuylkill Improvement Land Company of Philadelphia and The Baltimore & Ohio Railroad Company in Pennsylvania; and Pittsburgh Railways Company, providing for the elimination of the existing grade crossing of the main line of the Baltimore & Ohio Railroad Company over Second avenue near Hazelwood avenue, and certain minor grade crossings, by means of the location, construction and improvement of a new main highway entirely free from all grade crossings and to be known as Irvine street, to extend from Greenfield avenue to Second avenue at a point near Hazelwood avenue, together with the necessary changes in location and grades of other streets affected thereby and including alterations and changes in the physical properties of the several parties to this agreement, and granting certain rights to The Baltimore & Ohio Railroad Company and its affiliated Companies.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, Pennsylvania, shall be and they are hereby authorized and directed to enter into an Agreement with The Baltimore & Ohio Railroad Company and its affiliated Companies, to-wit:—Pittsburgh Junction Railroad Company, Pittsburgh and Connellsville Railroad Company, Schuylkill Improvement Land Company of Philadelphia and The Baltimore & Ohio Railroad Company in Pennsylvania; and Pittsburgh Railways Company, providing for the elimination of the existing grade crossing of the main line of The Baltimore & Ohio Railroad Company over Second avenue near Hazelwood avenue, and certain minor grade crossings, by means of the location, construction and improvement of a new main highway entirely free from all grade crossings and to be known as Irvine street, to extend from Greenfield avenue to Second avenue at a point near Hazel-

wood avenue, together with the necessary changes in location and grades of other streets affected thereby and including alterations and changes in the physical properties of the several parties to this Agreement, and granting certain rights to The Baltimore & Ohio Railroad Company and its affiliated Companies, said Agreement to be in the following form:

AGREEMENT

MADE AND ENTERED INTO thisday of.....1929, Between the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, hereinafter called the "City," by Charles H. Kline, Mayor, and Edward G. Lang, Director of the Department of Public Works, party of the first part,

AND

The Baltimore & Ohio Railroad Company, a corporation organized and existing by and under the laws of the State of Maryland, and its affiliated Companies, to-wit:—Pittsburgh Junction Railroad Company, Pittsburgh and Connellsville Railroad Company, Schuylkill Improvement Land Company of Philadelphia and The Baltimore & Ohio Railroad Company in Pennsylvania, hereinafter called the "Railroad," party of the second part,

AND

Pittsburgh Railways Company, a corporation organized and existing by and under the laws of the State of Pennsylvania, hereinafter called "Street Railways Company," party of the third part.

WHEREAS, The parties hereto desire to eliminate the existing grade crossing of the main line of The Baltimore & Ohio Railroad Company over Second avenue near Hazelwood avenue, and to eliminate the movement of all street railway and of through pedestrian and vehicular traffic over certain minor grade crossings of The Baltimore and Ohio Railroad Company over Second avenue and the tracks of the Street Railways Company, between Greenfield avenue and the said main line grade crossing, for the reason that the said crossings are deemed dangerous and

inconvenient to the traveling public; and

WHEREAS, The cost of separating grades on the present alignment of said Second avenue over the main line tracks of the Railroad would be prohibitively expensive because of the physical work and property damage involved; and,

WHEREAS, The parties hereto have developed a plan whereby through traffic, including street railway service which now exists on said Second avenue, shall be diverted therefrom at a point near the intersection of Greenfield avenue and Second avenue, passing under the tracks of the Railroad by a new diagonal underpass and proceeding in a southeasterly direction from the intersection of Saline street, Greenfield avenue and Irvine street by means of a relocated, widened and improved Irvine street generally parallel to and immediately northeast of the Railroad's right-of-way to an intersection with the present Second avenue southeast of the present intersection of said Second avenue with the Railroad, as shown on a plan prepared by the Railroad and identified as No. 12512, and approved by the Director of the Department of Public Works of the City and by for the Railroad, a copy of said plan having been filed in the office of the Director of the Department of Public Works of the City and to which reference may be made as if attached hereto; and,

WHEREAS, The parties hereto have prepared additional plans more specifically setting forth the details of the aforementioned general plan designated and referred to as follows, the originals of which plans are on file in the offices of the parties developing the respective plans:

and

WHEREAS, Said plans require the relocation of Second avenue as it at present exists from the westerly line of Longworth street for a distance of Five Hundred (500) feet northwest therefrom, for the purpose of providing access for local traffic from Second avenue via Longworth street to that portion of the Hazelwood District which lies southwest of the tracks of the Railroad; and

WHEREAS, The said plans contemplate the abandonment and abolition of the present grade crossing at Second avenue over the main line tracks of the Railroad at Hazelwood and abandonment and abolition of five minor grade crossings, as follows:

- (1) An unidentified alley near Marion Junction;
 - (2) Lot No. 1, Marion place;
 - (3) Mobile street;
 - (4) Tullymet street;
 - (5) Berwick street;
- and,

WHEREAS, Transportation requirements of the Pittsburgh District demand that the two main tracks of the Railroad between Hazelwood Station and Marion Junction and the four main tracks between Marion Junction and Greenfield avenue be increased in number; and,

WHEREAS, The parties hereto have agreed upon a total estimate of \$1,486,595, as the sum necessary to complete the desired improvement, and have agreed upon the allocation of the various portions of this total estimate and the division of work contemplated, among themselves, as follows:

Item 1. Physical work—Irvine street from Greenfield avenue to Hazelwood avenue,

NOW, THEREFORE, THIS AGREEMENT WITNESSETH:

That for the consideration herein-after mentioned the parties hereto do covenant and agree to and with each other as follows:

ARTICLE 1.

The City will, at its own sole cost and expense, except as provided in Article III, Section 2, and in Article IV hereof, and in accordance with approved plans herein designated and on file in the office of the Director of Public Works of the City of Pittsburgh:

1. Acquire all property necessary for the relocation, construction and improvement of Irvine street and for the improvement generally, as shown on City of Pittsburgh plan, Reference No. 42;

2. Grade, construct and improve new Irvine street from Greenfield avenue to a point 170.21 feet north of the northerly line of Hazelwood avenue, a distance of about 5,100 lineal feet, as a street 54 feet in width, with 38-foot clear roadway, 10-foot sidewalk and 6-foot berm, all in accordance with City plans, Reference as follows:—Old No. 26, revised and enlarged as new No. 42, and Nos. 43, 45-1 to 45-5, inclusive, as described specifically in City Ordinance as follows:

Ordinance No. 277, Approved May 16, 1928;

Ordinance No. 278, Approved May 16, 1928;

Ordinance No. 279, Approved May 16, 1928;

Ordinance No. 308, Approved May 26, 1928;

3. Install 8 inch cast iron water line within the limits of new Irvine street according to City of Pittsburgh Plan, Reference No. 28.

4. Change the grade of Greenfield avenue northeast of its intersection with Saline street and Irvine street according to City of Pittsburgh plan, Reference old No. 24, revised and enlarged as new No. 29, and do all physical work in connection with the regrading and repaving of said Greenfield avenue and pay all property damages incident thereto, except as provided in Article IV hereof;

5. Change the grade of present Second avenue to meet the grade of Greenfield avenue as relocated and do all physical work required to regrade and repave Second avenue in accordance with said City of Pittsburgh plan, Reference old No. 24, revised and enlarged as new No. 29;

6. Improve and pave relocated Greenfield avenue under the Railroad's tracks and right-of-way from the north line of Second avenue to the new intersection of Greenfield avenue, Irvine street and Saline street in accordance with said City of Pittsburgh plan, Reference old No. 24, revised and enlarged as new No. 29;

7. Reimprove and pave new street intersection at Greenfield avenue, Irvine street and Saline street as shown on said City of Pittsburgh plan, Reference old No. 24, revised and enlarged as new No. 29;

8. Widen Second avenue northwestwardly for a distance of approximately 500 feet from its present intersection with Longworth street in accordance with City of Pittsburgh plan, Reference old No. 24, revised and enlarged as new No. 29, together with property damages incident thereto;

9. Change and relocate pipe lines, valve and meter boxes and all accessories and do all other work, including manhole construction, in connection with water line and/or sewer changes incident to the improvement in accordance with City of Pittsburgh plan, Reference No. 27A.

10. Pave and repave street railway area throughout improvement;

11. Construct pedestrian foot bridge over the tracks and right of way of

the Railroad at Rutherglen street in accordance with City of Pittsburgh Plans, Reference Nos. 25B and 25C.

12. Operate and maintain all streets, works and structures, as described in paragraphs numbered 2 to 11, inclusive, of this Article, and assume all liability for accident to the person or property of any person or corporation injured or damaged during the construction, maintenance or operation of the streets, works and structures so described, except that the Railroad shall maintain that portion of the pedestrian foot bridge at Rutherglen street which lies over the right-of-way of the Railroad and over that portion of Irvine street to be occupied as hereinafter provided, by the Railroad, under this Agreement; the City, however, to police, light, clean the surface and maintain the sidewalk surface of said bridge;

13. Enact any and all legislation which may be necessary to carry out the object and terms of this Agreement not previously herein mentioned, and including specifically the following:

(a) The opening of new Greenfield avenue for the purpose of constructing the underpass provided for in this Agreement;

(b) The vacation of the unused portion of the present Greenfield avenue within the line of the Railroad's right-of-way;

(c) Change of grade Ordinance as required for Second avenue, Greenfield avenue and Saline street;

(d) All other Ordinances necessary for the carrying out of the various physical changes required by this Agreement.

ARTICLE II.

The Railroad will, at its own sole cost and expense and in accordance with approved plans herein designated and on file in the office of the District Engineer of The Baltimore & Ohio Railroad Company in Pittsburgh;

1. Relocate and reconstruct its bridges numbers 67 and 201 over Greenfield avenue, providing for concrete inspection tunnel as encasement for existing 50 inch riveted steel water line, all in accordance with The

Baltimore & Ohio Railroad Company's drawings, Nos. 22418-A, 22627-A, 22605-A, 27143-A, 27144-A, and 27252 and City of Pittsburgh plan, Reference No. 27-A, the last plan applying to said concrete inspection tunnel as constructed under the Railroad's property, but excluding inspection man-holes and appurtenances in street area to be constructed by the City in accordance with Article 1, paragraph numbered 9, hereof;

2. Raise its tracks and structures in accordance with The Baltimore & Ohio Railroad Company's plans, Drawings Nos. 12512 and 12526-1-2;

3. Raise its retaining walls along Second avenue between Greenfield avenue and Longworth street to protect said Second avenue against additional fill required for elevation of railroad tracks as specified in Article II, paragraph numbered 2, hereof, all in accordance with The Baltimore & Ohio Railroad Company's plan, Drawing No. 27017A;

4. Raise and reconstruct its bridges, numbers 68 and 68-1, over Swinburne street in accordance with The Baltimore & Ohio Railroad Company's plans, Drawings Nos. 22039-A and 22035-A, respectively;

5. Raise and reconstruct Monongahela Railroad bridge over Second avenue to conform to new grades of The Baltimore & Ohio Railroad Company's main tracks as specified in Article II, paragraph numbered 2, hereof, according to The Baltimore & Ohio Railroad Company's plan, Drawing No. 22061;

6. Maintain all tracks and structures of any kind whatsoever provided for in paragraphs numbered 1 to 4, inclusive, of this Article, and assume liability for injury to the persons or property of any person or corporation injured or damaged during the construction, operation or maintenance of the tracks, buildings or structures contemplated in this Article, (with the exception of the concrete inspection tunnel provided for in Article II, paragraph numbered 1, the liability wherefore shall at all times after its construction be upon the City) including the maintenance of that portion of the pedes-

trian bridge over the Railroad right-of-way and over that portion of Irvine street to be occupied by the Railroad as heretofore provided in Article I, paragraph numbered 12.

ARTICLE III.

The Street Railways Company will, at its own sole cost and expense:

1. Remove its present tracks, pole lines and overhead construction within the limits of the improvement, construct new tracks and connections and install necessary pole lines and trolley system on new Irvine street;

2. Will further pay to the City of Pittsburgh toward the entire cost of the project the sum of \$51,043, plus an additional sum of \$10,000.00, as a further contribution toward the cost of the erection of safety platforms to be located under new Baltimore & Ohio Railroad Company's bridges, numbers 67 and 201, or a total of \$61,043.00;

3. The said Street Railways Company will also, at its own risk and cost, take care of its tracks, trolley lines and service during the period of the construction work, as provided in this Agreement.

ARTICLE IV.

1. The Railroad will grant an easement to the City over all property owned or controlled by the Railroad which is required for the Irvine street improvement, including particularly the land required for the portion of Greenfield avenue as relocated and including also an easement for the City's existing 50" water line in its present location in the portion of Greenfield avenue to be vacated, and the Railroad further waives all claims for property damage incident to the entire improvement. In consideration whereof the City hereby waives any benefits which might be assessed against any property of the Railroad as affected by this improvement.

ARTICLE V.

1. The City will grant to The Baltimore & Ohio Railroad Company by Ordinance duly passed a franchise for ninety-nine (99) years, permitting the Railroad to use for railroad purposes for not more than three (3) additional tracks all property taken

for the Irvine street improvement which lies southwest of parallel to and distant fifty-four (54) feet from the northeasterly line of new Irvine street, as hereinbefore described, permitting the Railroad Company and its affiliated companies in such franchise to construct, maintain and operate said additional tracks at the grade of its main line tracks as reconstructed under the terms of this Agreement, and will further thereby permit the Railroad to extend its new railroad bridge, number 201, to carry two additional tracks over Greenfield avenue as relocated. In the exercise of this franchise right the Railroad must provide and maintain such structures as may be necessary to maintain and protect the City's use of lands retained and developed by the City for street purposes, heretofore described as being a strip of land fifty-four (54) feet in width.

ARTICLE VI.

The City will, upon the completion of the improvement contemplated by this Agreement, vacate and forever close and abandon the existing grade crossing of Second avenue with the main line tracks of the Railroad near Hazelwood Station and other minor grade crossing over the right-of-way of the main line of the Railroad Company, as follows:

1. An unidentified alley near Marion Junction,
2. Lot No. 1 Marion Place,
3. Mobile street,
4. Tullymet street,
5. Berwick street.

ARTICLE VII.

Upon completion of the work herein provided for, the City will repeal all Ordinances relating to the speed of trains, length of trains, number of cars constituting a train, maintenance of gates, flagmen, watchmen, signals and signal towers and ringing of bells insofar as such Ordinances now govern grade crossings which are closed and abandoned within the limits of this improvement under the terms of Article VI hereof.

It is understood and agreed that neither the purpose nor intent nor obligation of this contract, if and

when approved by the Public Service Commission of the Commonwealth of Pennsylvania, is such as to impair or in anywise affect the exercise by said Commission of any of the powers vested in it by the Public Service Company Laws, approved July 26, 1913, as amended.

IN WITNESS WHEREOF, the parties to this Agreement each, pursuant to proper Ordinances and Resolutions authorizing the same, have hereto affixed their respective seals, duly attested by their proper respective officers the day and year first above written.

Section 2. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

Passed July 22, 1929.

Approved July 31, 1929.

Ordinance Book 41, Page 530.

No. 530

AN ORDINANCE — Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of Five Hundred and One Thousand (\$501,000.00) Dollars, and providing for the issue and sale of bonds of said City in said amount to provide funds for the City's share of the cost of the improvement of a joint City and County Airdrome and Aviation Field, situate in the County of Allegheny, and providing for the redemption of said bonds and the payment of interest thereon.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the indebtedness of the City of Pittsburgh be increased in the sum of Five Hundred and One Thousand (\$501,000.00) Dollars to provide funds for the City's share of the cost of the improvement of a joint City and County Airdrome and Aviation Field in the County of Allegheny.

Section 2. That bonds of the City of Pittsburgh in the aggregate principal amount of Five Hundred and One Thousand (\$501,000.00) Dollars be issued for the purpose aforesaid. Said bonds shall be in denominations of One Hundred (\$100.00) Dollars each, or multiples thereof; shall be dated as of the first day of September, 1929, and shall be payable in thirty (30) equal annual installments of Sixteen Thousand Seven Hundred (\$16,700.00) Dollars each, one of which shall mature on the first day of September in each of the years 1930 to 1959, inclusive. Said bonds shall bear interest at the rate of four and one-quarter per centum (4- $\frac{1}{4}$ %) per annum, payable semi-annually on the first days of March and September in each year, without

deduction for any taxes which may be levied thereon by the Commonwealth of Pennsylvania pursuant to any present or future law, the payment of which is hereby assumed by the City of Pittsburgh. The principal and interest of said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for a registered bond or bonds of the same maturity and of the denomination of One Hundred (\$100.00) Dollars, or a multiple thereof, not exceeding the aggregate principal amount of the coupon bond or bonds surrendered in exchange therefor, by surrendering such coupon bond or bonds with all coupons not then due, at the office of the City Controller, and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be engraved, and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Appropriation No. 42 (Contingent Fund.) Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the said City Treasurer. Said bonds shall be signed by the Mayor, countersigned by the City Controller and sealed with the corporate seal of the City of Pittsburgh, and the coupons attached thereto shall be authenticated with a facsimile signature of the City Controller. In case of the absence or disability of any of such officials, the bonds shall be signed by the city official authorized by law or by resolution of Council to act in his place. Each of said bonds shall be known and designated as

AIRPORT BOND, 1929.

Section 3. That said bonds shall be sold by the Mayor and the City Controller at not less than par and accrued interest, after giving such notice of sale as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be

fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes an annual tax, commencing the first year after said debt shall have been increased or incurred, namely the year 1930, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax on said interest which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to three and one-third per centum (3-1/3%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and redemption of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenue of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general revenue of said City an amount sufficient to meet the installment of interest due on said bonds during the current fiscal year.

Section 5. That all bonds issued by the authority of this Ordinance and the Acts of Assembly authorizing the same shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof, and shall be free from taxation, as aforesaid, and for the payment of the principal of said bonds and the interest thereon semi-annually as the same shall become due and payable, the faith, honor, credit and property of said City are hereby pledged.

Section 6. That the form of coupon bonds issued in pursuance of this Ordinance shall be substantially as follows:

KNOW ALL MEN BY THESE PRESENTS, That the City of Pittsburgh,

a municipal corporation created by and existing under the laws of the Commonwealth of Pennsylvania, is indebted to the bearer in the sum of Dollars (\$) lawful money of the United States of America, which said sum the said City of Pittsburgh promises to pay to the said bearer at the office of the City Treasurer of said City on the first day of September, A. D. 19....., with interest thereon from the date hereof at the rate of four and one-quarter per centum (4-¼%) per annum, payable semi-annually to the bearer of the annexed coupons at the time and place therein specified, without deduction for any taxes which may be levied thereon by the Commonwealth of Pennsylvania pursuant to any present or future law, the payment of which is hereby assumed by the City of Pittsburgh. And for the true and faithful payment of the principal of this bond and semi-annual interest thereon, as aforesaid, the faith, honor, credit and property of the said City of Pittsburgh are hereby pledged.

Any one or more of the coupon bonds of the series of which this is one may, at the option of the holder, be exchanged at any time for a registered bond or bonds of the same maturity and of the denomination of One Hundred (\$100.00) Dollars, or a multiple thereof, not exceeding the aggregate principal amount of the coupon bond or bonds surrendered in exchange therefor, by surrendering the said coupon bond or bonds with all coupons not then due at the office of the City Controller of said City.

This bond is one of a series of bonds amounting in the aggregate to Five Hundred and One Thousand (\$501,000.00) Dollars, issued by the City of Pittsburgh for valid municipal purposes by virtue and in pursuance of an Act of the General Assembly of the Commonwealth of Pennsylvania, entitled, "An Act to regulate the manner of increasing the indebtedness of municipalities, to provide for the redemption of the same, and to impose penalties for the illegal increase thereof," approved April 20,

1874, and the several supplements and amendments thereof; and by virtue of an Act of the General Assembly of the Commonwealth of Pennsylvania, entitled, "An Act for the government of cities of the second class," approved March 7, 1901, and the supplements and amendments thereof; and an Act of the General Assembly of the Commonwealth of Pennsylvania, entitled, "An Act to authorize the registry or transfer of certain bonds," approved May 1, 1873; and in pursuance of an Ordinance of the City of Pittsburgh, entitled, "An Ordinance authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of Five Hundred and One Thousand (\$501,000.00) Dollars, and providing for the issue and sale of bonds of said City in said amount to provide funds for the City's share of the cost of the improvement of a joint City and County Airdrome and Aviation Field, situate in the County of Allegheny, and providing for the redemption of said bonds and the payment of interest thereon," duly enacted by the Council thereof and approved by the Mayor thereof on....., 1929, and duly recorded and published in the manner required by law.

It is hereby certified and recited that every requirement of law affecting the issue hereof has been duly complied with; that provision has been made for the collection of an annual tax sufficient to pay the interest and also the principal hereof at maturity; that the total amount of the indebtedness of the City of Pittsburgh, created without the consent of the electors thereof, including the entire issue of the above mentioned bonds, aggregating Five Hundred and One Thousand (\$501,000.00) Dollars, of which this is one, is less than two per centum (2%) of the last preceding assessed valuation of the taxable property therein; and the entire indebtedness of the City of Pittsburgh, including the entire issue of the above mentioned bonds, of which this is one, is less than seven per centum (7%) of the last preceding assessed valuation of the taxable property therein; and that this bond and the debt created thereby are within every debt and other limit prescribed by

the Constitution and laws of the Commonwealth of Pennsylvania.

AN ORDINANCE — Authorizing an agreement between the City of Pittsburgh and the Pennsylvania Railroad Company providing for a location and for the construction of the 33rd Street Trunk Sewer on and across the private property of the Pennsylvania Railroad Company at and near the Herron Avenue Bridge.

WHEREAS, The City of Pittsburgh desires to locate and construct a section of the 33rd Street Trunk Sewer on the private property of the Pennsylvania Railroad Company at and near the Herron Avenue Bridge, as shown on Plan, Accession No. D-3810; and,

WHEREAS, The Pullman Transfer Service track between the main tracks of the Baltimore & Ohio Railroad Company and the Pennsylvania Railroad Company is located on the line of the proposed sewer and will have to be removed during the construction of the said sewer, and replaced in its original position when said sewer is completed. Now, Therefore

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

the Mayor and the Director of the Department of Public Works be, and

they are hereby authorized and directed to enter into an agreement on behalf of the City of Pittsburgh, with the Pennsylvania Railroad Company, said agreement to be in the following form, to-wit:—

THIS AGREEMENT, made in duplicate, this..... day of, 192..., between The Pennsylvania Railroad Company, as first party, herein called the Railroad Company, and City of Pittsburgh, a municipal corporation, situate in Allegheny County, Pennsylvania, as second party, herein called the City.

WITNESSETH:

WHEREAS, The City desires to construct, maintain and renew a certain trunk line sewer known as the 33rd Street sewer under and beneath certain tracks and through and upon certain lands owned by the Railroad Company.

NOW, THEREFORE, it is mutually covenanted and agreed between the parties hereto as follows:—

That the Railroad Company hereby grants to the City, insofar as the present title of the Railroad Company enables it so to do, the right to construct, maintain, repair, use and renew the said 33rd Street sewer to be constructed of reinforced concrete, having an inside diameter of 13 feet and a vertical inside measurement of 11 feet, 9¼ inches, under and beneath certain tracks of the Railroad Company and through certain of its lands, situate in said City, and in the manner and as shown and specified upon blue print of plan No. 22313, dated March 4, 1929, and revised May 7, 1929, marked Exhibit "A," hereto attached and made a part hereof, but under and subject to each and all of the conditions and obligations hereinafter mentioned, which are hereby accepted and agreed to as covenants on the part of the City.

1. The Railroad Company shall temporarily relocate its so-called interchange Pullman tracks connected with the tracks of The Baltimore & Ohio Railroad Company, and shall also temporarily remove and relocate its so-called Denny Siding connections and any and all other facilities of the Railroad Company which may be

endangered by or interfere with the construction of said sewer, and upon the completion of the construction thereof the Railroad Company may replace and rehabilitate all of its said facilities temporarily removed and replaced as aforesaid over, upon and across or along the location of said sewer as constructed, and the City shall promptly upon bill rendered refund and pay to the Railroad Company the entire cost and expense thereof with the usual and customary percentages for overhead added thereto.

2. The City shall at its sole cost and expense construct, maintain and renew said sewer and each and every part thereof and in the event that there are any tracks or other facilities or fixtures in or upon the premises of the Railroad Company that may be endangered by or may interfere with the construction of said sewer upon the premises of the Railroad Company as herein mentioned, which said tracks or other facilities or fixtures are not owned by the Railroad Company, then the City shall adequately support and maintain same during such construction of said sewer and/or shall arrange with the owners thereof for such support and maintenance during the construction of said sewer, to the intent that the Railroad Company herein shall in no manner be liable either to the City or such owners therefor, or for any loss, damage or injury occasioned thereto or thereby, and the City covenants to indemnify, protect and save harmless the Railroad Company from all claims and demands therefor.

3. At the time of the construction by said City of said sewer under the terms and conditions hereof, the said City shall at its sole cost and expense provide and install one 14-inch sewer tap at a point on the property of the Railroad Company to be by it designated in writing and shall at all times permit the Railroad Company to conduct drainage therein.

4. In the event that the Railroad Company shall at any time hereafter or from time to time be required or deem it essential to change the grade

of any of its present or future tracks located upon its premises over, upon or in the immediate vicinity of said sewer, then said City shall at its sole cost and expense upon thirty days notice in writing to it from the Railroad Company promptly carry to completion such changes or relocations in such sewer as may be necessary and adequate to provide for such change in grade.

5. The City hereby releases and waives all right or alleged right to ask for or demand damages from the Railroad Company to said sewer and facilities connected therewith, including the loss of service thereof, that may be occasioned or grow out of the use by the Railroad Company of its said premises for conducting its railroad operations; and further covenants and agrees to indemnify, protect and save harmless the Railroad Company from and against all loss, cost, damage and expense, and claims and demands therefor, caused by or attributable to the presence, location, construction, maintenance, repair, or failure to promptly and adequately maintain, repair and renew said sewer or any part thereof, and whether to property of the Railroad Company or to property in its possession, control or custody, to its employees, patrons or licensees, or to the persons or property of others who may seek to hold the Railroad Company liable therefor.

6. In the event that the Railroad Company shall from any reason or cause do and perform any of the work herein mentioned or contemplated, whether of construction, maintenance, repair, renewal or removal, or supply or furnish any materials therefor, then the City shall pay or refund the entire cost and expense thereof plus fifteen (15%) per centum for overhead, upon bill rendered.

7. This agreement shall take effect upon its execution by the parties hereto after its terms and conditions have been accepted by ordinance or resolution duly enacted by said City and said City shall provide and furnish to said Railroad Company, free of cost, two certified copies of said ordinance or resolution.

8. As part of the consideration for this contract, the City shall make application to and procure certificate of public convenience evidencing the approval of the Public Service Commission of Pennsylvania to this contract, and the carrying out to completion of the terms and conditions thereof, and shall pay all fees, costs and advertising charges, and shall furnish and deliver to the Railroad Company, free of charge to it, a duly authenticated copy of each certificate of public convenience so issued.

9. This agreement is executed by the Pennsylvania Railroad Company pursuant to authority of its Board of Directors under a Resolution adopted the 23rd day of January 1924, and by the City of Pittsburgh pursuant to Ordinance No., approved the..... day of 1929, recorded in Ordinance Book, Volume, Page

AN ORDINANCE — Authorizing an Agreement between the City of Pittsburgh and Mt. Oliver Borough, providing for the payment of the cost of construction maintenance and repairs of a Storm Sewer on Ottillia street and private properties of Birmingham Fire Insurance Company, August F. Klein and L. Pack, et ux, Doti way (City of Pittsburgh and Mt. Oliver Borough), from a point about 280 feet north of Waldo street, to the existing sewer on Wagner street in Mt. Oliver Borough.

WHEREAS, it is mutually advantageous for the City of Pittsburgh and for Mt. Oliver Borough to construct a Storm Sewer on Ottillia street and private properties of Birmingham Fire Insurance Company, August F. Klein and L. Pack, et ux, Doti way (City of Pittsburgh and Mt. Oliver Borough), from a point about 280 feet north of Walde street, to the existing sewer on Wagner street in Mt. Oliver Borough, and

WHEREAS, the storm water on said Ottillia street now discharges along the street and on private property causing a nuisance and damage, and

WHEREAS, the cost of said Storm Sewer should be apportioned between the two Municipalities interested and based on the actual area drained from each Municipality, which shows that each should pay the following percentage of the cost of the construction of said Storm Sewer:

City of Pittsburgh	77%
Mt. Oliver Borough	23%

NOW, THEREFORE

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That

the Mayor and the Director of the Department of Public Works, be and they are hereby authorized and directed to enter into an agreement on behalf of the City of Pittsburgh with Mt. Oliver Borough, said agreement to be in the following form, to-wit:

ARTICLES OF AGREEMENT

Made and entered into this..... day of1929, between the City of Pittsburgh and Mt. Oliver Borough, to provide for the payment of the cost of construction, maintenance and repairs of a Storm Sewer on Ottillia street and private properties of Birmingham Fire Insurance Company, August F. Klein and L. Pack, et ux, Doti way (City of Pittsburgh and Mt. Oliver Borough), from a point about 280 feet north of Walde street, to the existing sewer on Wagner street in Mt. Oliver Borough: THEREFORE, this Agreement Witnesseth:

1. That the parties hereto shall pay the cost of construction, maintenance and repairs of a Storm Sewer on Ottillia street and private properties of Birmingham Fire Insurance Company, August F. Klein and L. Pack, et ux, Doti way (City of Pittsburgh and Mt. Oliver Borough), from a point about 280 feet north of Walde street, to the existing sewer on Wagner street in Mt. Oliver Borough, in the following proportion:

City of Pittsburgh	77%
Mt. Oliver Borough	23%

2. Contract Plan and specifications for the construction of said Storm Sewer shall be made by the City of Pittsburgh without cost to Mt. Oliver Borough.

3. The contract shall be awarded and the construction work supervised by the City of Pittsburgh. Mt. Oliver Borough shall have the right to place an Inspector on the Construction work.

4. Upon completion of the contract of said Storm Sewer, the City of Pittsburgh shall submit a copy of the final estimate to Mt. Oliver Borough. Upon receipt of said copy of final estimate, Mt. Oliver Borough shall pay to the

City of Pittsburgh 23% of the total amount thereof as designated in the paragraph marked "1" of this Agreement. The payment of said amount shall be made within a period of ten days from the date the copy of said final estimate is received by said Borough.

5. The said Storm Sewer shall be maintained and repaired by the City of Pittsburgh and the cost of said maintenance and repair shall be paid pro rata by each of the Municipalities interested in the same proportions provided for the division of the cost of construction of said Storm Sewer.

6. All costs and expenses incurred by the construction of the said Storm Sewer on the private properties of Birmingham Fire Insurance Company, A. F. Klein and L. Pack et ux, shall be apportioned between the two Municipalities interested in the same ratio as that designated in the paragraph marked "1", which covers the cost of the construction of the sewer.

7. Each party to this Agreement shall have the right to make connections of storm water drains to the sewer without cost for the privilege of making said connections. The cost of construction, maintenance and repairs of lateral storm drain connections, or extensions, shall be entirely borne by the Municipality benefited.

IN WITNESS WHEREOF, the parties to this Agreement each, pursuant to proper Ordinances and Resolutions, authorizing the same, hereto affixed their respective seals, duly attested by the proper officers the day and year first above written.

AN ORDINANCE — Authorizing and directing the Mayor and the Director of the Department of Public Works for and in behalf of the City of Pittsburgh to enter into an agreement with the County of Allegheny relating to the improvement of the Ohio River Boulevard in the City of Pittsburgh, between the western property line of Davis avenue, and extending in a westerly direction to the City of Pittsburgh—Borough of Bellevue line at its intersection with an unnamed street which connects Jacks Run Road to Watson avenue, near the Pennsylvania Railroad right-of-way, as located by ordinance of the City, including the vacation, opening, locating, relocating, widening, establishing or re-establishing the grades and fixing the lines of the said Ohio River Boulevard, and providing for the payment of the City's share of the costs, damages and expenses thereof.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the Mayor and the Director of the De-

partment of Public Works, for and in behalf of the City of Pittsburgh, shall be and they are hereby authorized and directed to enter into an agreement with the County of Allegheny relating to the improvement of the Ohio River Boulevard in the City of Pittsburgh, between the western property line of Davis avenue, and extending in a westerly direction to the City of Pittsburgh—Borough of Bellevue line at its intersection with an unnamed street which connects Jacks Run Road to Watson avenue, near the Pennsylvania Railroad right-of-way, as located by ordinance of the City, including the vacation, opening locating, re-locating, establishing or re-establishing the grades and fixing the lines of the said Ohio River Boulevard, and providing for the payment of the City's share of the costs, damages and expenses thereof, said agreement to be in the following form:

AGREEMENT

MADE THIS.....day of....., A. D. 192...., between the County of Allegheny, a public corporation of Pennsylvania, hereinafter called "County", party of the first part, and the City of Pittsburgh, a municipal corporation of the State of Pennsylvania, within the limits of said County, hereinafter called the "City", party of the second part.

WHEREAS, the Ohio River Boulevard in the City of Pittsburgh, beginning at the western property line of Davis avenue and extending in a westerly direction to the City of Pittsburgh—Borough of Bellevue line at its intersection with an unnamed street which connects the Jacks Run Road to Watson avenue, near the Pennsylvania Railroad right-of-way line, as located by ordinance of the City, is to be a principal thoroughfare and a part of the Ohio River Boulevard on the northerly side of the Ohio River, and,

WHEREAS, the County Commissioners of Allegheny County deem it advisable and necessary to improve said Ohio River Boulevard in said City, between the points mentioned, and are of the opinion that the County should bear a portion of the cost, and the corporate authorities of the

City of Pittsburgh believe it will be greatly to the interest and advantage of said City and a great saving of expense thereto, if said improvement of said Boulevard within its corporate limits be made, and the cost and expense thereof be paid jointly by the City and County as hereinafter specified.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, that for the consideration hereinafter mentioned, the parties hereto do covenant and agree, to and with each other as follows:

FIRST: The parties hereto agree that the Ohio River Boulevard within the limits of said City, for a distance of approximately 2,591 feet, shall be improved between the following terminal points:

Beginning at the western property line of Davis avenue and extending in a westerly direction to the City of Pittsburgh—Borough of Bellevue line, at its intersection with an unnamed street which connects the Jacks Run Road to Watson avenue, near the Pennsylvania Railroad right-of-way line. The consent of the City of Pittsburgh is hereby given to the County of Allegheny to carry out the provisions herein set forth.

SECOND: Said Ohio River Boulevard between the terminal points shall be improved with a roadway by the County to a width of forty (40) feet and graded to a width of sixty (60) feet, exclusive of slopes. The work shall be done to lines and grades established by the City and in conformity with plans prepared by the Department of Public Works of Allegheny County and approved by the Commissioners of said Allegheny County and the Director of the Department of Public Works of the City of Pittsburgh, to the limits shown on said plans, which plans are identified as Ohio River Boulevard, Sheets 1 and 2 and Sheets 1 to 96 and made a part hereof by reference thereto and filed in the office of the Director of the Department of Public Works of the City and County.

THIRD: The improvement of said Ohio River Boulevard as set forth in the first and second paragraphs under

this agreement, shall be done by contract or contracts, awarded therefor, by the County of Allegheny, after approval of plans by the Director of the Department of Public Works, of the City of Pittsburgh, pursuant to Acts of Assembly relating to same. Said contract or contracts shall include the replacement of existing sidewalks where same are destroyed by reason of the relocation or change of grade on existing City streets necessitated by the improvement. The County shall have charge of the work and the City may, at its own cost and expense, furnish whatever engineering and inspection service it so desires. Any complaint which the City may have as to the manner of construction or the materials or methods used, shall be made in writing to the Director of the Department of Public Works of Allegheny County, within three (3) days, otherwise all work and materials shall be considered by the County as being done and furnished, placed or erected, satisfactory to the City.

FOURTH: The City agrees at its own cost and expense, to construct all sanitary and combined sewers, including house or other connections required within the limits of this improvement, prior to or during the construction work to be done by the County under this agreement, exclusive, however of the storm water drains shown on the boulevard plans as approved. The City also agrees to require the construction of any water lines with the necessary house or other connections, fire hydrants, gate boxes, etc., within the limits of this improvement, at the cost or expense of the City, individuals or public utility companies, prior to or during the construction work to be done by the County under this agreement. All work on sanitary and combined sewers and water lines shall be done by the City or utility company in such a manner that there shall be as little interference or delay as possible to the County's contractor on this work. The altering, resetting or reconstructing of existing catch basins or storm inlets within the limits of this improvement, shall be included in the construction work to be performed

by the County under the terms of this agreement.

FIFTH: The City agrees to enact any ordinance which may be necessary to vacate, locate, relocate, open or widen, establish or re-establish the grade and curb lines of said Ohio River Boulevard, as shown on the plans as approved, as well as any existing streets or ways affected by this improvement and to condemn or otherwise secure all private or public property necessary for this purpose.

SIXTH: The City agrees to assume and become liable for all damages occasioned by reason of this improvement by the vacation, opening, locating, relocating, widening, establishing or re-establishing of grades required for the aforesaid improvement of the Ohio River Boulevard and the existing streets and ways affected, as shown on the plans as approved, between the terminal points hereinbefore mentioned. The City agrees that it will assume and become liable for all damages to property, including surface and sub-surface structures, caused by said improvement of the Ohio River Boulevard, including damages to persons or property occasioned from any obstruction on said roadway or part thereof, not due to the negligence of the said County or its contractor or contractors.

SEVENTH: The City further agrees to petition for Viewers to award damages to property affected by this improvement, and to proceed before the Viewers the same as if the improvement was entirely a City project. The County agrees to furnish any legal or engineering assistance which the City may desire in the preparation of "Viewers' Plans" and in the defense or prosecution of any claims for damages to property. The County further agrees to reimburse the City of Pittsburgh for all damages assessed against the City. Payment for damages shall be made by the County to the City within ninety (90) days after the report of the Viewers to the Court of Common Pleas of the County, has been filed, but appeal from any award of damages which seems excessive or unjust to the County, shall be taken

by the City at the request of the County.

EIGHTH: The City shall have installed the necessary Boulevard lighting system. Plan of the poles, fixtures, etc., approved by the Director of the Department of Public Works of the City, shall be furnished by the Department of Public Works of Allegheny County. It is further agreed that after the completion of the improvement aforesaid, the City shall light the Ohio River Boulevard, between the terminal points hereinbefore described, and the County shall be forever afterwards relieved of any responsibility for the maintenance or repairs of the lighting system.

NINTH: It is agreed that after the completion of the improvement aforesaid, the County shall maintain and keep the Ohio River Boulevard, including bridge structures, between the terminal points herein described, in good repair, except curbs and sidewalks constructed by the County, City or others. The City shall be forever afterwards relieved of any responsibility for the maintenance or repair of the Boulevard, except the curbs, sidewalks and lighting system, and the County shall forever afterwards be relieved of any responsibility for the maintenance, or repair of the curbs, sidewalks or lighting system.

TENTH: The City agrees to give all notices necessary to fully advise all parties concerned of the proposed improvement, and to require all service companies and private parties to make the necessary adjustments, repairs and connections to existing utilities and to install any new utilities with their house or other connections to points outside the limits of this improvement, prior to or during the construction of the Boulevard.

ELEVENTH: In case the City constructs water lines, sanitary sewers or combined sewers within the lines of this improvement after the signing of this agreement, the City agrees at its own cost and expense, to backfill the trench or trenches in a workmanlike manner and place any concrete over the same that may be required by the County, to reinforce the sub-grade to insure the stability of the Boulevard

pavement. Where public service companies or individuals open such trenches, either at their own request or by order of the City, the City shall require said companies or individuals to backfill the trench or trenches in a workmanlike manner and place any concrete that may be required by the County to reinforce the sub-grade to insure the stability of the Boulevard pavement. The City may require said companies or individuals to pay for said backfill and concrete work. The city agrees to relieve the County of the responsibility for the failure of any part of the pavement of this improvement or any structures connected therewith, occasioned by the subsidence of any trenches opened by the City, public service companies or individuals, whether said trenches are opened before or after the improvement of this Boulevard by a contract or contracts let by Allegheny County.

TWELFTH: The City agrees to pay to the County the additional cost of backfilling any trenches with slag and the cost of removing and replacing concrete slabs of pavement over said trenches, when trenches opened by either the City or others are found in such condition as to endanger the strength or stability of the work to be done by the County. In case such trenches are found, their condition shall be brought to the attention of the Director of Public Works of the City by letter, and if the condition is not corrected by the City within three (3) days after the delivery of such letter, the County shall correct the condition and bill the City for the actual construction cost of same.

IN WITNESS WHEREOF, The County has caused its common and corporate seal to be affixed hereto, duly attested by the Chief Clerk of the County Commissioners, and this agreement to be signed by its County Commissioners, and this agreement is signed and executed in the name of the City of Pittsburgh, and for the City of Pittsburgh, by the Mayor and the Director of the Department of Public Works, and the seal of the City is by its proper officers hereto affixed, they being

duly authorized so to do by ordinance of said City, all done this day and year aforesaid.

AN ORDINANCE — Authorizing and directing the grading to certain widths, paving and curbing of Independence street, from Woodville avenue to the City Line, letting a contract therefor and providing that the costs, damages and expenses of the same be assessed against and collected from property specially benefited thereby.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* Independence street, from Woodville avenue to the City Line, be graded to certain width, paved and curbed; the center line of the grading from Woodville avenue to a point of curve 43.0 feet southwardly therefrom shall be parallel to and 23.0 feet east of the westerly line of the street; thence to a point of compound curve distant 66.0 feet south of Woodville avenue at a distance of 27.0 feet east of the westerly line of the street; thence parallel to and 27.0 feet east of the westerly line of the street to point of curve 578.0 feet south of Woodville avenue; thence to the point of tangent 1044.0 feet south of Woodville avenue at which point said center line shall be 33.0 feet east of the westerly line of the street; thence to the northerly end of the Pittsburgh and West Virginia Railroad abutment shall be parallel to and 33.0 feet east of the westerly line of the street; thence parallel to and 28.0 feet east of the westerly line of the street to the southerly end of the Pittsburgh and West Virginia Railroad abutment; thence parallel to and 33.0 feet east of the westerly line of the street to a point of curve approximately 450.0 feet north of the City Line; thence to a point of tangent 52.0 feet north of the City Line at the distance of 30.0 feet west of the easterly line of the street; thence parallel to and 30.0 feet west of the easterly line of the street to the City Line; said grading to be 46

feet in width with the exception that the portion extending under the bridge of the Pittsburgh and West Virginia Railroad shall be 44 feet in width.

Section 2. The Mayor and the Director of the Department of Public Works are hereby authorized and directed to advertise, in accordance with the Acts of Assembly of the Commonwealth of Pennsylvania, and the Ordinances of the said City of Pittsburgh relating thereto and regulating the same, for proposals for the grading to certain widths, paving and curbing of said street between said points; the contract or contracts therefor to be let in the manner directed by the said Acts of Assembly and Ordinances; and the contract price or contract prices, if let in separate contracts, not to exceed the total sum of One Hundred Sixty Thousand (\$160,000.00) Dollars, which is the estimate of the whole costs as furnished by the Department of Public Works.

Section 3. The costs, damages and expenses of the same shall be assessed against and collected from properties specially benefited thereby, in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same, the City's share of said work to be chargeable to and payable from Bond Fund No. 293, Street Bonds, 1928.

Section 4. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 590

AN ORDINANCE — Authorizing and directing the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, to enter into an agreement with The Pittsburgh & Lake Erie Railroad Company, a corporation of the State of Pennsylvania, relating to the relocation, vacation, widening, and otherwise improving of Carson Street West, in the City of Pittsburgh between Smithfield street and the City Line at McKees Rocks.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the Mayor and the Director of the Department of Public Works be, and they are hereby authorized and directed to execute, in behalf of the City of Pittsburgh, an agreement with The Pittsburgh & Lake Erie Railroad Company, a corporation of the State of Pennsylvania relating to the relocation, vacation, widening, and otherwise improving of Carson Street West in the City of Pittsburgh between Smithfield street and the City Line at McKees Rocks, in the following form:

THIS AGREEMENT,

MADE AND ENTERED INTO Thisday of....., 192...., between the City of Pittsburgh, hereinafter called the "City", party of the

first part, and The Pittsburgh & Lake Erie Railroad Company, hereinafter called the "Railroad Company", party of the second part, WITNESSETH:

FIRST. In consideration of the covenants to be kept and performed by the Railroad Company, the City agrees to and with the Railroad Company, as follows:

(1) The City agrees to pass the necessary legislation for the relocation of the northerly line of Carson Street West from Smithfield street to the Point Bridge, according to the following description:

Beginning at a point of curve on the westerly line of Smithfield street at a distance of 45.53 feet measured northwardly along the westerly line of Smithfield street from its intersection with the present northerly line of Carson Street West; said point of curve to be known as Station 0+00; thence extending in a southerly and westerly direction by the arc of a circle deflecting to the right with a radius of 50.0 feet and a central angle of $101^{\circ} 05' 50''$ for an arc distance of 88.22 feet to a point of tangent at Station 0+88.22; thence extending westwardly by the tangent to an angle point at Station 6+01.98, said angle point being at a perpendicular distance of 8.15 feet south of the present northerly line of Carson Street West; thence deflecting $0^{\circ} 45' 30''$ to the right and extending westwardly to a point of curve at Station 11+72.88, said point of curve being at a perpendicular distance of 4.74 feet south of the present northerly line of Carson Street West; thence extending westwardly by the arc of a circle deflecting to the left with a radius of 1570.0 feet and a central angle of $9^{\circ} 48' 00''$ to a point of tangent at Station 14+41.42; thence extending westwardly by the tangent to a point of curve at Station 15+42.22; thence extending westwardly by the arc of a circle deflecting to the right with a radius of 1500.0 feet and a central angle of $14^{\circ} 07'$ to a point of tangent at Station 19+11.80; thence extending westwardly by the tangent to a point of curve at Station 27+58.47; thence extending westwardly by the arc of a circle deflecting to the left with a radius of 1270.0 feet and a central angle of $7^{\circ} 00'$ to a point of tangent at Station 29+13.63; thence extending

westwardly by the tangent parallel to and at a perpendicular distance of 20.0 feet north of the present northerly line of Carson Street West to an angle point at Station 33+84.87, said angle point being perpendicularly opposite the first angle point in the present northerly line of Carson Street West, east of the Point Bridge; thence deflecting $0^{\circ} 31' 55''$ to the right and extending westwardly to an angle point at Station 33+84.78, said angle point being at a perpendicular distance of 30.0 feet north of the present northerly line of Carson Street West; thence deflecting $1^{\circ} 56' 25''$ to the left and extending westwardly parallel to the present northerly line of Carson Street West to the easterly line of the Point Bridge at Station 40+63.0, more or less.

(2) The City further agrees to relocate the southerly line of Carson Street West, from a point approximately 1172 feet west of Smithfield street to a point approximately 2914 feet west of Smithfield street, according to the following description:

Beginning at a point of curve perpendicularly opposite and 66.0 feet south of the point of curve in the above described northerly line at Station 11+72.88; thence extending westwardly by the arc of a circle deflecting to the left with a radius of 1229.88 feet and a central angle of $9^{\circ} 48' 00''$ having an arc distance of 210.36 feet to a point of tangent; thence extending westwardly by the tangent for the distance of 46.66 feet to a point 70.0 feet southwardly from the point of tangent in the above described northerly line at Station 14+41.42; thence parallel to and 70.0 feet southwardly from the above described northerly line to a point on the present southerly line perpendicularly opposite to and 70 feet southwardly from Station 29+13.63 of the above described northerly line.

The above described lines in paragraphs (1) and (2) are shown on Exhibit "D" Plan No. 2255, on file in the Department of Public Works, Bureau of Engineering, Division of Surveys of the City of Pittsburgh, dated August 15, 1929, approved by the Director of the Department of Public Works of the City of Pittsburgh and the Assistant Vice President and Chief Engineer

of the Pittsburgh & Lake Erie Railroad Company, which plan is hereby made part of this agreement.

(3) The City further agrees to vacate that portion of Carson street West lying between the present northerly line of Carson Street West and the relocated, northerly line of the said street, from Smithfield street to Station 11+72.88 described in sub-paragraph (1) hereof, at such time in the future as the City may by ordinance widen Carson Street West on the southerly side thereof, as herein agreed.

(4) The City further agrees to vacate all that portion of Carson Street West, between Station 11+72.88, described in sub-paragraph (1) hereof, and the Point Bridge, which lies outside of the said Carson Street West as relocated and widened, in conformity with this Agreement.

(5) The City further agrees to use all diligence to enact the necessary legislation and to physically widen and reconstruct said Carson Street West within the lines provided in this Agreement, between Station 11+72.88, as described in sub-paragraph (1) hereof, and Station 28+12, as described in said sub-paragraph (1) hereof.

The matters contained in paragraphs (1), (2), (3), (4) and (5) of this section shall be performed without expense to the Railroad and without any claim by it against the City for damage on account thereof.

(6) The City further agrees to acquire by purchase or condemnation, without cost to the Railroad Company, any and all property not now owned by the said Railroad Company or hereafter dedicated by the same for street purposes necessary for the widening and relocation of Carson Street West, from a point at Station 11+72.88, as described in sub-paragraph (1) hereof, to the Point Bridge in the City of Pittsburgh.

(7) The City further agrees, at its own cost, to construct, repair, reconstruct and maintain in a safe manner, all the structures authorized under the easements granted by the Railroad Company; and also to indemnify and save harmless the Railroad Company against all loss and damage occasioned by reason of the construction, main-

tenance and operation of the same. As parts of the proposed structures to be built by the City upon the easements granted will be very close to the clearance lines of one of the P. & L. E. R. Co.'s high speed tracks—the City hereby agrees that during construction, repairs or replacement (false work etc.) to make no encroachments on the property of the P. & L. E. R. Co. greater than are provided for in this agreement without the written approval, by the Chief Engineer of the P. & L. E. R. Co. of plans defining the temporary additional encroachments desired for the construction, repair or replacement; and the assumption by the City or its Contractor of any necessary expense incident to the flagging and protection of trains.

SECOND. In consideration of the covenants to be kept and performed by the City, the Railroad Company agrees to and with the City, as follows:

(a) The Railroad Company agrees that it will make no further use of the land or lands between the present northerly line of Carson Street West and the relocated line of said street, between Smithfield street and Station 11+72.88, as described in sub-paragraph (1) hereof, pending the actual widening of said street.

(b) The Railroad Company agrees to dedicate to the City all land required for the widening, relocating and opening of Carson Street West now owned by said Railroad Company, between the present west line of Smithfield street and the Point Bridge, without cost to the City, said relocation, widening and opening of Carson Street West and the dedication of the land by the Railroad Company for street purposes to be in conformity with the descriptions contained in sub-paragraphs (1) and (2) of Section "FIRST" hereof.

(c) The Railroad Company further agrees to dedicate to the City of Pittsburgh, for public purposes, at such time as the City may need the same, the land now owned by said Railroad Company located on the southerly side of Carson Street West, as relocated from a point about 1700 feet west of Smithfield street to a point about 1400 feet east of the Point Bridge, without cost to the City.

(d) The Railroad Company further agrees to dedicate to the City of Pittsburgh, for public purposes, certain property lying between Musk way and the Point Bridge, abutting on the present northerly line of Carson Street West. The north line of the land so dedicated is more definitely described as follows:

Beginning at a point on the northerly line of Carson Street West, distant 10.57 feet eastwardly from the western terminus of the first curve west of the Point Bridge; thence westwardly and tangent to said curve for the distance of 1490.6 feet, more or less, to a point of curve, distant 9.07 feet northwardly from the Northerly line of Carson Street West; thence in a westerly direction by the arc of a circle deflecting to the right having a radius of 2000.0 feet for the distance of 144.23 feet, more or less, to a point on the line dividing the property now or late of Amelia P. Roberts and the Pittsburgh & Lake Erie Railroad Company, said point being distant 15.39 feet, measured along said dividing line, from the northerly line of Carson Street West and 24.5 feet, more or less, eastwardly from the easterly line of Musk way.

Said northerly line is shown on Drawing market Exhibit "C", being Drawing No. 2254 of the Division of Surveys, Bureau of Engineering, Department of Public Works of the City of Pittsburgh, dated August 15, 1929, approved by the Director of the Department of Public Works of the City of Pittsburgh and the Assistant Vice President and Chief Engineer of the Pittsburgh & Lake Erie Railroad Company, which plan is hereby made part of this agreement.

(e) The Railroad Company further agrees to grant to the City an easement permitting the widening of the roadway of Carson Street West, from a point about 2500 feet west of Steuben street to the City Line at McKees Rocks, said easement to be granted in conformity with the following detailed descriptions:

(Station 0+0 hereinafter referred to in this description is a point about 2300 feet east of Corliss street and is at the line dividing the old 36th and 40th Wards, City of Pittsburgh, and

this Station 0+0 and the 5 foot southerly line hereinafter referred to is described in the Agreement between the City of Pittsburgh and the Pittsburgh & Lake Erie Railroad Company authorized by Ordinance No. 388, approved November 30, 1910, and established by Ordinance No. 512, approved February 16, 1911.)

Beginning at a point in the line dividing lands now or formerly of the Pittsburgh and Lake Erie Railroad Company and the West Side Belt Railroad Company, said point being distant 43.0 feet from and measured normal to the southerly 5 foot line at station 4+76.14; thence extending in a northwesterly direction and parallel to the southerly 5 foot line 419.41 feet to a point of curve which is 43 feet from the southerly 5 foot line measured normal thereto; thence deflecting to the left by the arc of a circle with a radius of 1422.53 feet and a central angle of 2° 25' 00" a distance of 60.0 feet to a point of tangent which is 42.5 feet from the southerly 5 foot line measured normal thereto; thence in a northwesterly direction and tangent to the last described curve and parallel to the southerly 5 foot line 540 feet to a point of curve; thence deflecting to the right by the arc of a circle with a radius of 2029.86 feet and a central angle of 4° 4' 50" a distance of 144.57 feet to a point of tangent which is 42.0 feet from the southerly 5 foot line measured normal thereto; thence in a northwesterly direction parallel to the southerly 5 foot line and tangent to the last described curve 510 feet to a point of curve; thence deflecting to the right by the arc of a circle with a radius of 4477.57 feet and a central angle of 6° 02' 30" a distance of 472.15 feet to a point of tangent which is 42.75 feet from the southerly 5 foot line measured normal thereto at station 26+25.85; thence in a southwesterly direction deflecting to the left 90° from a tangent to the last described curve 4.96 feet to the existing northerly building line, as shown on Plan No. 2252, marked Exhibit "A".

Beginning at a point in the existing north building line of Carson Street West, which is 37.75 feet northeastwardly from the southerly 5 foot line at station 53+06.55 and measured nor-

mal thereto; thence in a westerly direction by a curve deflecting to the right with a radius of 2402.45 feet and a central angle of 2° 32' 35" a distance of 106.64 feet to a point of reverse curve; thence by a curve deflecting to the left with a radius of 3002.0 feet and a central angle of 1° 54' 35" a distance of 100.06 feet to a point of tangent; thence in a westerly direction tangent to the last described curve and parallel to the southerly 5 foot line 147.6 feet to a point of curve which is 43.0 feet from the southerly 5 foot line measured normal thereto; thence by a curve deflecting to the left with a radius of 840.0 feet and a central angle of 6° 43' 05" a distance of 98.49 feet to a point of tangent; thence in a westerly direction tangent to the last described curve 74.55 feet to a point in the existing north building line, which is 37.75 feet from the southerly 5 foot line at station 58+28.38 and measured normal thereto, as shown on Plan No. 2253, marked Exhibit "B".

(f) The Railroad Company further grants to the City the right to use and occupy said easement, with the walls, supports and overhead construction, as set forth in detail in Exhibit "A" and "B", being Plans Nos. 2252 and 2253, respectively, of the Division of Surveys, Bureau of Engineering, Department of Public Works of the City of Pittsburgh, dated June 1929, approved by the Director of the Department of Public Works of the City of Pittsburgh and the Assistant Vice President and Chief Engineer of the Pittsburgh & Lake Erie Railroad Company, which plans are hereby made part of this agreement.

THIRD, It is hereby mutually understood and agreed that neither the purpose nor intent nor obligation of this Agreement, if and when approved by the Public Service Commission of the Commonwealth of Pennsylvania, is such as to impair or in anywise affect the exercise by said Commission of any of the powers vested in it by the Public Service Company Law, approved July 26, 1913.

THIS AGREEMENT is executed by and on behalf of said City pursuant to an Ordinance of the City of Pittsburgh, approved the day of

....., 192....., and by and on behalf of the Railroad Company pursuant to a Resolution of its Board of Directors passed on the day of 192.....

IN WITNESS WHEREOF, This Agreement is signed and executed in the name of and for the City of Pittsburgh, by Charles H. Kline, Mayor, and Edward G. Lang, Director of the Department of Public Works, and the seal of said City is by the Mayor hereto affixed, and by The Pittsburgh & Lake Erie Railroad Company, its common and corporate seal being hereto affixed, duly attested by the proper officers thereof, this day of A. No. 591

AN ORDINANCE — Authorizing and directing the Mayor and the Di-

rector of the Department of Public Works for and in behalf of the City of Pittsburgh, to enter into an agreement with the Secretary of Highways, State of Pennsylvania, acting for and on behalf of the Commonwealth of Pennsylvania, relating to the reconstruction of Carson Street West, from a point near Corliss street to a point near the Pittsburgh and West Virginia Railroad Bridge, crossing Carson street about 300 feet west of Steuben street.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, shall be authorized and directed to enter into an agreement with the Secretary of Highways, acting for and on behalf of the Commonwealth of Pennsylvania, relating to the reconstruction of Carson Street West, from a point near Corliss street to a point near the Pittsburgh and West Virginia Railroad Bridge, crossing Carson street about 300 feet west of Steuben street, said agreement to be in the following form:—

AGREEMENT

Made and entered into this..... day of, 1929, by and between the Secretary of Highways, acting for and on behalf of the Commonwealth of Pennsylvania, hereinafter called the Commonwealth, of the first part, and the City of Pittsburgh in Allegheny County, by its Mayor and Director of the Department of Public Works, hereinafter called the City, of the second part.

WHEREAS, By Act of Assembly No. 409, approved May 1st, 1929, certain moneys were appropriated to the Department of Highways to be allocated among the Cities of the Commonwealth for the improvement, construction, reconstruction, and for maintenance of City Streets which are not on the plan of the State Highway System, but which are continuations of State Highways entering such Cities, or running through such Cities, or which furnish the shortest or most convenient route through such Cities for the traveling public; and

WHEREAS, the total sum of \$214,459.26 has been allocated to the City from said appropriation by the Department of Highways for the purpose of reconstructing or improving said streets forming a continuation of State Highways through the City, as provided in said Act; and,

WHEREAS, the sum of \$82,000.00 has been set aside from the City's allocation from said appropriation for the purpose of reconstructing Carson Street West, from a point near Corliss street to a point near the Pittsburgh and West Virginia Railroad Bridge, crossing Carson street about 300 feet west of Steuben street, which has been designated as the shortest or most convenient route for the traveling public through the City; and

WHEREAS, the Department of Highways has made a survey of existing conditions, and as a result has designated

..... as the shortest or most convenient route for the traveling public through said City forming a part or section of Routes Nos....., the portion of which to be improved under the provisions of this agreement being more fully described as follows:— Carson Street West, from a point near Corliss street to a point near the Pittsburgh and West Virginia Railroad Bridge, crossing Carson street about 300 feet west of Steuben street.

WHEREAS, it is desired to reconstruct the said street as hereinbefore designated for the purpose of safely and adequately accomodating the traveling public in and through the said City.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, That the parties hereto do agree as follows, viz:

First— That the Commonwealth through its Department of Highways shall prepare or approve plans and specifications in accordance with its adopted standards for the reconstruction of said Carson Street West to a width of 38 feet between curbs, and that following the award of the contract the Department of Highways shall inspect and supervise the work of construction and shall assume the

cost of all engineering and inspection services rendered by the Commonwealth in connection herewith.

Second—That the City shall advertise for bids in accordance with the plans and specifications prepared and approved, or approved by the Department of Highways and shall award a contract or contracts for the improvement of said street to the lowest responsible bidder, subject to the approval of the Department of Highways acting for and on behalf of the Commonwealth, and all work done under said contract shall be subject to inspection and approval of the Department of Highways.

Third — That the City agrees to compel all public utility companies to make any necessary replacements or renewals of any of their structures located within the lines of the improvement, as hereinbefore described, prior to the commencement of work under said contract.

Fourth—That prior to the commencement of the work the City agrees, if necessary, to establish and thereafter maintain, at its own cost and expense, an adequate detour sufficiently posted for the guidance of the traveling public for such length of time as may be necessary, or until the improvement herein contemplated has been completed and accepted, and the street opened and made available to public travel.

Fifth—It is understood and agreed that the Commonwealth's share of this work shall be only the grading and paving of the roadway for a width of 20 feet. All other work including paving of the street car track area, curbing, catch basins, or other incidental work shall be exclusive of the Commonwealth's share. The Department of Highways of the Commonwealth of Pennsylvania agrees that the payment for its share of the work as outlined shall be made to the Treasurer of the City of Pittsburgh in the following manner:— Payments covering the Commonwealth's share shall be made from time to time when current estimates are issued by the City for payment for work done, as approved by the Director of the Department of Public Works of the City and as approved by the De-

partment of Highways of the Commonwealth of Pennsylvania. When payment of the Department's share is requested from time to time, the amount to be paid by the Commonwealth in such instance or instances shall be for work done appertaining to the Commonwealth's share as set forth on any such approved current estimate. Upon the satisfactory completion of all of the work involved on this project, the Director of the Department of Public Works of the City will issue a final estimate to the contractor for all payments due on same in accordance with the approved contract and the Commonwealth's share of the cost shall be due and payable to the City when such final estimate covering the aforesaid Commonwealth's share is approved by the Department of Highways of the Commonwealth.

Sixth—The City of Pittsburgh agrees to reimburse the contractor for all work done under this contract including the Commonwealth's share of the work.

IN WITNESS WHEREOF, the Secretary of Highways, for and on behalf of the Commonwealth of Pennsylvania, has hereunto affixed his hand and the seal of the Department of Highways, and the Mayor and the Director of the Department of Public Works of the City of Pittsburgh, acting for and on behalf of said City, have caused this agreement to be executed, pursuant to an Act of Council, approved1929, the day and year first above written.

AN ORDINANCE — Authorizing and directing the Controller of the City of Pittsburgh to enter into an Agreement with the American Reduction Company of Pittsburgh, and the Colonial Trust Company, of Pittsburgh, and George H. Flinn, Jr., Executors of the Estate of George H. Flinn, deceased, and providing for the terms and conditions of said Agreement.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same* That the Controller of the City of Pittsburgh shall be and he is hereby authorized and directed to enter into an Agreement with the American Reduction Company of Pittsburgh, and The Colonial Trust Company, of Pittsburgh, and George H. Flinn, Jr., Executors of the Estate of George H. Flinn, deceased, in the following form and in accordance with the terms and conditions therein stipulated.

AGREEMENT

Made and entered into this..... day of, 1929, by and between Henry O. Evans, Controller of the City of Pittsburgh, American Reduction Company of Pittsburgh, and The Colonial Trust Company, of Pittsburgh, and George H. Flinn, Jr., Executors of the Estate of George H. Flinn, deceased.

WHEREAS, a bill in equity has been filed heretofore by the City of Pittsburgh against the American Reduction Company of Pittsburgh and the above named Executors of George H. Flinn,

deceased, and others, at No. 556 October Term, 1929, asking for an accounting between the City and the American Reduction Company; and

WHEREAS, at No. 713 October Term, 1929, a petition for alternative writ of mandamus has been filed by the American Reduction Company of Pittsburgh against Henry O. Evans, Controller of the City of Pittsburgh, and a writ has gone forth, returnable upon the 1st day of August, 1929, which was served upon the said Controller upon the 29th day of July, 1929:

NOW, for the purpose of adjusting certain matters which have arisen, particularly in connection with the petition for mandamus, IT IS AGREED BY THE PARTIES HERETO as follows:—

First: The payments due the American Reduction Company, under its contracts for the year 1929, for the months of May and June, 1929, shall be retained by the City of Pittsburgh pending the determination of the equity suit above referred to, and the mandamus proceeding shall be discontinued.

Second: The Colonial Trust Company, of Pittsburgh, and George H. Flinn, Jr., Executors of the Estate of George H. Flinn, deceased, agree that securities or other good assets of the Estate having a value of Five Hundred Thousand (\$500,000.) Dollars shall be retained by The Colonial Trust Company, of Pittsburgh, as one of said Executors, as a fund first payable and liable for the payment of any judgment which may be finally obtained under the bill in equity filed by the City, above referred to.

Third: All current payments for the months of July, 1929 and the subsequent months under the contracts of the American Reduction Company of Pittsburgh with the City of Pittsburgh for the year 1929, shall be paid upon warrants prepared and issued by the Controller in the usual course of business, and shall in no event be retained or delayed pending the determination of the said equity suit.

Fourth: The American Reduction Company agrees that, until final judgment has been obtained in the said equity suit, it will not encumber, sell or dispose of its property and assets

except in the ordinary course of business, and will not declare and pay any dividend, without the written consent of the Controller of the City of Pittsburgh.

Fifth: This agreement is made without prejudice to any of the parties hereto as to any issue arising under the said suit in equity and without the waiver of any defenses by the defendants therein.

THIS AGREEMENT is executed by the City Controller under and by virtue of an Ordinance of Council of the City of Pittsburgh adopted on the..... day of....., 1929, and by the American Reduction Company of Pittsburgh under and by virtue of a resolution of its Board of Directors passed at a meeting duly and regularly held on the day of 1929.

IN WITNESS WHEREOF, the parties have duly executed this agreement the day and year first above written.

No. 593

AN ORDINANCE — Authorizing and directing the Mayor and the Director of the Department of Public Works for and in behalf of the City of Pittsburgh, to enter into an agreement with the County of Allegheny, relating to the improvement of the Allegheny River Boulevard in the City of Pittsburgh, beginning at Washington Boulevard and extending to the easterly City Line near the tracks of the Pennsylvania Railroad (Conemaugh Division) within the City limits for a distance of approximately 6,606 feet, including the locating, relocating, opening and widening, establishing and re-establishing the grades, and fixing the lines of the said Allegheny River Boulevard, and providing for the payment of the City's share of the costs, damages and expenses thereof.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works for and in behalf of the City of Pittsburgh shall be and they are hereby authorized and directed to enter into an agreement with the County of Allegheny relating to the improvement of the Allegheny River Boulevard in the City of Pittsburgh, beginning at Washington Boulevard and extending to the easterly City Line near the tracks of the Pennsylvania Railroad (Conemaugh Division within the City limits for a distance of approximately 6,606 feet, including the locating, relocating, opening and widening, establishing and re-establishing the grades, and fixing the lines of the said Allegheny River Boulevard, and providing for the payment of the City's share of the costs, damages and expenses thereof, said agreement to be in the following form:—

AGREEMENT

MADE THIS _____ day of _____

A. D., 1929, between the County of Allegheny, a public corporation of the State of Pennsylvania, hereinafter called "County," party of the first part, and the City of Pittsburgh, a municipal corporation of the State of Pennsylvania, within the limits of said County, hereinafter called the "City," party of the second part.

WHEREAS, The Allegheny River Boulevard in the City of Pittsburgh, beginning at Washington Boulevard and extending to the Easterly City line near the tracks of the Pennsylvania Railroad (Conemaugh Division), is to be a principal thoroughfare and a part of the Allegheny River Boulevard, extending to the Borough of Verona, and

WHEREAS, The County Commissioners of Allegheny County deem it advisable and necessary to improve said Allegheny River Boulevard, in said City between the points mentioned, and are of the opinion that the County should bear a portion of the cost, and the corporate authorities of the City of Pittsburgh believe that it will be greatly to the interest and advantage of said City and a great saving of expense thereto, if said improvement of said boulevard within its corporate limits be made and the cost and expense thereof be paid jointly by the City and the County as hereinafter specified.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, That for the consideration hereinafter mentioned, the parties hereto do covenant and agree, to and with each other as follows:

First: That the Allegheny River Boulevard within the limits of said City for a distance of approximately 6,606 feet, shall be improved between the following terminal points.

BEGINNING at Washington Boulevard and extending to the Easterly City line near the tracks of the Pennsylvania Railroad (Conemaugh Division.)

Second: Said Allegheny River Boulevard, between the terminal points shall be opened to a width of sixty

feet, except between Stations 40 and 51, where the width shall be variable, and said boulevard shall be improved by the County to a minimum width of thirty (30) feet, graded to a minimum width of forty-two (42) feet exclusive of slopes. The work shall be done to the lines and grades established by the City of Pittsburgh and in conformity with the plans prepared by the Department of Public Works of Allegheny County and approved by the Commissioners of said Allegheny County and the Director of the Department of Public Works of the City of Pittsburgh, to the limits shown on said plans.

Third: The improvement of said Allegheny River Boulevard, as set forth in the first and second paragraphs under this agreement, shall be done by a contract or contracts, awarded therefor, by the County of Allegheny, after approval of the plans by the Mayor and Director of the Department of Public Works of the City of Pittsburgh, pursuant to the Acts of Assembly relating to same. The County shall have charge of the work and the City may, at its own cost and expense, furnish whatever Engineering and Inspection service it so desires. Any complaint which the City may have to the manner of constructing or the methods or materials used, shall be made in writing to the Director of the Department of Public Works of Allegheny County, within three (3) days, otherwise all work and materials shall be considered by the County as being done and furnished, placed, or erected, satisfactory to the City.

Fourth: The City agrees at its own cost and expense, to construct all sanitary sewers or storm water drains, including house or other connections required within the limits of this improvement, prior to or during the construction work to be done by the County under this agreement, exclusive, however, of the storm water drains shown on the Boulevard plans as approved. The City also agrees to require the construction of any water lines with necessary house or other connections, fire-hydrants, gate boxes, etc., within the lines of this improvement, at the cost or expense of the

City, individuals or public utility companies, prior to or during the construction work to be done by the County under this agreement. All work on sanitary sewers, storm water drains and water lines, shall be done by the City or utility company in such a manner that as little interference or delay as possible shall be occasioned to the County's contractor on this work. The altering, resetting or reconstructing of existing catch basins or storm inlets within the limits of this improvement, shall be included in the construction work to be performed by the County under the terms of this agreement.

Fifth: The City agrees to enact any ordinances which may be necessary to locate, relocate, open or widen, establish or re-establish the grade and curb lines of said Allegheny River Boulevard as shown on the plans as approved and to condemn or otherwise secure all private or public property necessary for this purpose.

Sixth: The City agrees to assume and become liable for all damages occasioned by reason of the aforesaid improvement by the opening, locating, relocating, widening, establishing or re-establishing of grades required for the aforesaid improvement of the Allegheny River Boulevard, as shown on the plans as approved, between the terminal points hereinbefore mentioned. The City further agrees that it will assume and become liable for all damages to property, including surface and sub-surface structures, caused by said improvement of the Allegheny River Boulevard, including damages to person or property occasioned from any obstruction on said roadway or part thereof, not due to the negligence of said County or its contractor or contractors.

Seventh: The City further agrees to petition for Viewers to award damages to property affected by this improvement and to proceed before the Viewers the same as if the improvement was entirely a City project. The County agrees to furnish any legal or engineering assistance which the City may desire in the preparation of "Viewers' Plans" and in the defense or prosecution of any claims

for damages to property. The County further agrees to reimburse the City of Pittsburgh for all property damages assessed against the City. Payment for damages shall be made by the County to the City within ninety (90) days after the report of the Viewers to the Court of Common Pleas of the County, has been filed, but appeal from any award of damages which seems excessive to the County, shall be taken by the City at the request of the County.

Eighth: The City shall have installed the necessary Boulevard lighting system. Plan of the poles, fixtures, etc., shall be furnished by the Department of Public Works of Allegheny County. It is further agreed that after the completion of the improvement aforesaid, the City shall light this portion of the Allegheny River Boulevard, and the County shall be forever afterwards relieved of any responsibility for the maintenance or repair of the lighting system.

Ninth: It is agreed that after the completion of the improvement aforesaid, the County shall maintain and keep the Allegheny River Boulevard, including bridge structures, between the terminal points herein described, in good repair, except sidewalks constructed by the County, City or others. The City shall be forever afterwards relieved of any responsibility for the maintenance or repair of the Boulevard, except the sidewalks and lighting system, and the County shall be forever afterwards relieved of any responsibility for the maintenance or repair of the sidewalks or lighting system.

Tenth: The City agrees to give all notices necessary to fully advise all parties concerned of the proposed improvement and to require all service companies and private parties to make the necessary repairs and connections to existing utilities and to install any new utilities with their house or other connections to points outside the limits of this improvement, prior to or during the construction of the Boulevard.

Eleventh: In case, the City constructs water lines, sanitary sewers, or storm water drains within the

lines of this improvement after the signing of this agreement, the City agrees at its own cost and expense, to backfill the trench or trenches with slag in a workmanlike manner and place any concrete over the same that may be required by the County to reinforce the subgrade and insure the stability of the Boulevard pavement. Where public service companies or individuals open such trenches, after the signing of this agreement, either at their own request or by order of the City, the City shall require said companies or individuals to backfill the trench or trenches with slag, in a workmanlike manner and place any concrete that may be required by the County to reinforce the subgrade and insure the stability of the Boulevard pavement. The City may require said companies or individuals to pay for said backfill and concrete work. The City agrees to relieve the County of the responsibility for the failure of any part of the pavement of this improvement, or any structures connected therewith, occasioned by the subsidence of any trenches opened by the City, public service companies or individuals, whether said trenches are opened before or after the improvement of this Boulevard by a contract or contracts let by the County.

Twelfth: The City agrees to pay to the County the additional cost of backfilling any trenches with slag and the cost of removing and replacing concrete slabs or pavement over such trenches, when trenches opened by either the City or others are found in such condition as to endanger the strength or stability of the work to be done by the County. In case such trenches are found, their condition shall be brought to the attention of the Director of the Department of Public Works of the City by letter, and if the condition is not corrected by the City within three (3) days after the delivery of such letter, the County shall correct the condition and bill the City for the actual construction cost of same.

In WITNESS WHEREOF, The County has caused its common and corporate seal to be affixed hereto, duly

attested by the Chief Clerk of its County Commissioners, and this agreement to be signed by its County Commissioners, and this agreement is signed and executed in the name of the City of Pittsburgh and for the City of Pittsburgh by the Mayor and the Director of the Department of Public Works, and the seal of the City is, by its proper officers, hereto affixed, they having been duly authorized so to do by Ordinance of said City, all done the day and year aforesaid.

No. 594

AN ORDINANCE — Granting unto the Pennsylvania Railroad Company, their successors and assigns, the right to construct, maintain and use a pole line on and along the north curb line of Youghiogheny avenue, for the purpose of transmitting power from their power house at Scully Yards to the Pumping Station at Esplen, property of the Pennsylvania Railroad Company, Panhandle Division, 20th Ward, Pittsburgh, Pa.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

the Pennsylvania Railroad Company, their successors and assigns be and they are hereby given the right and authority at their own cost and expense to construct, maintain and use a pole line, consisting of 15 poles, along the north curb line of Youghiogheny avenue for an approximate distance of 1648 feet; beginning at the east line of Middletown Road; thence westwardly to the west line of Taft avenue, for the purpose of transmitting power from their power house at Scully Yards to the Pumping Station at Esplen, located between West Carson street and Ohio River, property of the Pennsylvania Railroad Company, Panhandle Division.

The said pole line shall be used for the transmission of power generated by said Company, for their use only, and shall be constructed in accordance with the provisions of this Ordinance and in accordance with plan hereto attached and identified as Accession No. B-354, Folder "B" in the files of the Division of Public Utilities, Bureau of Highways & Sewers, Department of Public Works, entitled, "Proposed pole line transmitting electric power on Youghiogheny avenue for the Pennsylvania Railroad Company, Panhandle Division, 20th Ward, Pittsburgh, Pa."

Section 2. The said Company prior to the beginning of the construction of the said pole line, shall submit to the Director of the Department of Public Works of the said City, a complete set of plans in triplicate showing location and all details of the construction of the said pole line and said plans of the proposed construction shall be sub-

ject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject to the payment by said Company of an annual license fee of twenty-five cents (25c) per pole, and subordinate to the rights of the City of Pittsburgh, and its powers over City streets and to the ordinance of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of pole lines on City streets, and providing for compensation therefor.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of the said pole line. All of the said work, including the repaving of the street and sidewalk damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said pole line upon giving six (6) months' notice, through the proper officers pursuant to Resolution or Ordinance of Council, to the said Pennsylvania Railroad Company, their successors and assigns, to that effect; and that the said grantee when so notified shall, at the expiration of said six (6) months, forthwith, remove the said pole line and replace the street and sidewalk to their original condition at their own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures, therein, by reason of the construction, maintenance and use of the said pole line, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to-wit: This ordinance shall become null and void unless within thirty (30) days after its passage and approval, the Pennsylvania Railroad Company shall file with the City Controller, its certificate of acceptance of this ordinance, said certificate of acceptance to be executed by the President and Secretary of the Company with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

AN ORDINANCE — Fixing the width and position of the roadway and sidewalks, providing for slopes, parking, retaining walls and steps, establishing and re-establishing the grade of Independence street, from Woodville avenue to the City Line.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same. That

the width and position of the roadway and sidewalks and the grade of the easterly curb line of Independence street, from Woodville avenue to the City Line be and the same are hereby fixed, established and re-established as follows, to-wit:

The roadway shall have a uniform width of 30.0 feet, the center line of which is described as follows:

Beginning at a point on the center line of Woodville avenue south 56° 56' 38" east 23.14 feet, measured along the center line of Woodville avenue from the westerly line of Independence street, said point being Station 0 + 00; thence south 39° 26' 45" west to a point of curve at Station 0 + 66.24; thence southwestwardly by the arc of a circle deflecting to the right with a radius of 73.11 feet and a central angle of 38° 49' 50" to a point of compound

curve at Station 1 + 15.79; thence southwestwardly by the arc of a circle deflecting to the right with a radius of 971.69 feet and a central angle of 13° 09' 15" to a point of tangent at Station 3 + 38.87; thence by the tangent north 88° 34' 12" west to a point of curve at Station 6 + 82.54; thence southwestwardly by the arc of a circle deflecting to the left with a radius of 357.03 feet and a central angle of 74° 48' 36" to a point of tangent at Station 11 + 48.71; thence by the tangent south 16° 37' 12" west to a point of curve at Station 14 + 70.99; thence southwestwardly by the arc of a circle deflecting to the right with a radius of 1003.0 feet and a central angle of 15° 17' 10" to a point of tangent at Station 17 + 38.58; thence by the tangent south 31° 54' 22" west to a point of curve at Station 18 + 41.70; thence southwestwardly by the arc of a circle deflecting to the left with a radius of 647.0 feet and a central angle of 14° 54' 29" to a point of tangent at Station 20 + 10.05; thence by the tangent south 16° 59' 53" west to a point of curve at Station 28 + 52.46; thence southwestwardly by the arc of a circle deflecting to the right with a radius of 574.72 feet and a central angle of 39° 49' 37" to a point of compound curve at Station 32 + 51.96; thence southwestwardly by the arc of a circle deflecting to the left with a radius of 572.50 feet and a central angle of 5° 07' 14" to the City Line at Station 33 + 03.33.

The above described center line from Station 0 + 00 to Station 0 + 66.24 is parallel to and 23.0 feet eastwardly from the westerly line of the street; from Station 1 + 15.79 to Station 6 + 82.54 is parallel to and 27.0 feet eastwardly from the westerly line of the street; from Station 11 + 48.71 to the Pittsburgh and West Virginia Railroad abutment is parallel to and 33.0 feet eastwardly from the westerly line of the street; from Station 14 + 70.99 to Station 28 + 52.46 is parallel to and 33.0 feet eastwardly from the westerly line of the street; from Station 32 + 51.96 to the City Line is parallel to and 30.0 feet westwardly from the easterly line of the street.

The easterly and westerly sidewalk shall each have a uniform width of 8.0 feet and shall lie along and be parallel to the easterly and westerly lines of

the roadway as above described. The remaining portions of the street lying without the lines of the above described roadway and sidewalks shall be used for slopes, parking, retaining walls and steps.

Section 2. The grade of the easterly curb line shall begin at the southerly 8.0 foot curb line of Woodville avenue at the elevation of 51.73 feet; thence by a concave parabolic curve for the distance of 30.0 feet to a point of tangent to the elevation of 53.47 feet; thence rising at the rate of 8.61% for the distance of 25.85 feet to a point opposite Station 0 + 66.24 to the elevation of 55.70 feet; thence rising at the rate of 7.25% for the distance of 34.71 feet to a point of curve to the elevation of 58.22 feet; thence by a concave parabolic curve for the distance of 50.0 feet to a point of tangent to the elevation of 62.69 feet; thence rising at the rate of 10.67% for the distance of 201.53 feet to a point opposite Station 3 + 38.87 to the elevation of 84.19 feet; thence rising at the rate of 11% for the distance of 26.37 feet to a point of curve to the elevation of 87.09 feet; thence by a convex parabolic curve for the distance of 100.0 feet to a point of tangent to the elevation of 95.09 feet; thence rising at the rate of 5% for the distance of 50.0 feet to a point of curve to the elevation of 97.59 feet; thence by a concave parabolic curve for the distance of 100.0 feet to a point of tangent to the elevation of 105.13 feet; thence rising at the rate of 10.09% for the distance of 513.88 feet to a point opposite Station 11 + 48.71 to the elevation of 156.98 feet; thence rising at the rate of 10.11% for the distance of 322.28 feet to a point opposite Station 14 + 70.99 to the elevation of 189.56 feet; thence rising at the rate of 9.87% for the distance of 271.60 feet to a point opposite Station 17 + 38.58 to the elevation of 216.37 feet; thence rising at the rate of 10.17% for the distance of 290.56 feet to a point of curve to the elevation of 245.92 feet thence by a convex parabolic curve for the distance of 80.0 feet to a point of tangent to the elevation of 252.39 feet; thence rising at the rate of 6% for the distance of 45.0 feet to a point of curve to the elevation of 255.09 feet; thence by a concave parabolic curve for the distance of 80.0 feet to a point

of tangent to the elevation of 261.56 feet; thence rising at the rate of 10.17% for the distance of 614.41 feet to a point opposite Station 28 + 52.46 to the elevation of 324.05 feet; thence rising at the rate of 9.65% for the distance of 409.92 feet to a point opposite Station 32 + 51.96 to the elevation of 363.62 feet; thence rising at the rate of 10.17% for the distance of 42.26 feet to the City Line to the elevation of 367.92 feet.

No. 613

AN ORDINANCE—Granting unto the Allegheny County Steam Heating Company, its successors and assigns, the right to construct, maintain, operate and use a standard gauge switch track on Etna street for the purpose of conveying materials, etc., from the tracks of the Pennsylvania

Railroad Company to the Allegheny County Steam Heating Company's property on Etna street in the 2nd Ward, of the City of Pittsburgh, Pennsylvania.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

the Allegheny County Steam Heating Company, its successors and assigns, be and they are hereby given the right and authority at their own cost and expense to construct, maintain, operate and use a standard gauge switch track on Etna street at grade, said switch track to extend from the northeasterly line of 13th Street; thence southwestwardly along and parallel to the southerly street line of Etna street for a distance of 630' located 8' 6 $\frac{1}{4}$ " out from the said southerly street line.

The said switch track shall be constructed in accordance with the provisions of this Ordinance and in accordance with the plan hereto attached and identified as Accession No. 359, Folder "B" in the files of the Division of Public Utilities, Bureau of Highways and Sewers, Department of Public Works, entitled, "Proposed switch track on Etna street for the Allegheny County Steam Heating Company, 2nd Ward, Pittsburgh, Pa."

Section 2. The said Allegheny County Steam Heating Company, prior to the beginning of construction of track, shall submit to the Director of the Department of Public Works of the City of Pittsburgh a complete set of plans, showing location, paving, repaving, sewerage and all details for the construction of said track, and the said plans and the construction of track shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the Ordinances of the City of Pittsburgh relating thereto, and to the provision of any general Ordinance which may hereafter be passed relating to the con-

struction, maintenance, operation and use of tracks on City streets and compensation for same.

Section 4. The said Allegheny County Steam Heating Company shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance, operation and use of said track. All of the said work, including the repaving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said track upon giving six (6) months notice through its proper officers, pursuant to a Resolution or Ordinance of Council to the said Allegheny County Steam Heating Company, its successors and assigns, to that effect, and that the said grantee shall, when so notified at or before the expiration of said six (6) months, forthwith, remove the said track and replace the street to its original condition at its own cost and expense.

Section 6. The Allegheny County Steam Heating Company shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and sub-surface structures thereon or therein by reason of the construction, maintenance, operation and use of said track, and it is the condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to-wit: This Ordinance shall become null and void unless within sixty (60) days after its passage and approval the Allegheny County Steam Heating Company shall file with the City Controller, its certificate of acceptance of

the provisions of the Ordinance, said certificate to be executed by the President or Vice-President and Secretary or Assistant Secretary of the company, with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 628

AN ORDINANCE—Granting the consent of the City of Pittsburgh to the County of Allegheny to enter upon certain streets in the City of Pittsburgh for the purpose of constructing a ramp connection between the Forbes Street Approach to the Liberty Bridge and the Boulevard of the Allies, authorizing and directing the Mayor and the Director of Public Works to execute an agreement on behalf of the City of Pittsburgh with the said County of Allegheny in the form herein provided.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the consent of the City of Pittsburgh is hereby granted to the County of Allegheny to construct a ramp connecting the Forbes Street Approach to the Liberty Bridge with the Boulevard of the Allies at Horace street, insofar as the same affects or occupies the streets of the said City or the land under its jurisdiction and subject to the terms of an agreement hereinafter provided.

Section 2. The Mayor and the Director of the Department of Public Works are hereby authorized and directed, for and on behalf of the City of Pittsburgh, to enter into an agreement with the County of Allegheny in the form and manner herein provided:

ARTICLES OF AGREEMENT.

This agreement made this..... day of..... A. D. 1929, between the City of Pittsburgh in the County of Allegheny, State of Pennsylvania, hereinafter called the "City," party of the first part, and the County of Allegheny, State of Pennsylvania, hereinafter called the "Count-

ty," party of the second part, WITNESSETH:

WHEREAS, The County desires to construct a ramp connecting the Forbes Street Approach to the Liberty Bridge with the Boulevard of the Allies at Horace street;

WHEREAS, It is necessary for the City to consent to and to make certain changes in the lines and grades of the streets to be occupied by the ramp;

NOW, THEREFORE, In consideration of the foregoing and the covenants to be kept on the part of each of the parties hereto, it is mutually agreed as follows:

1. The County agrees to construct the ramp at Horace street with the necessary abutments and supports therefor and to grade and improve the streets in conformity with Plan No. 3350 of the Department of Public Works of Allegheny County, identified by the signatures of Norman F. Brown, Director of the Department of Public Works of Allegheny County and of Edward G. Lang, Director of the Department of Public Works of the City of Pittsburgh, copies of which are on file in the Bureau of Engineering, Department of Public Works, City of Pittsburgh.

2. The cost of the physical work and all damages incurred thereby shall be borne and paid for by the County and the County shall have charge of the disposal of all claims for damages. Upon the completion of the ramp it shall be maintained by the County.

3. The City agrees to enact all legislation necessary for the performance of the work, including the extension of Horace street to the Boulevard of the Allies; the widening of Horace street at its junction with the Liberty Bridge Approach; fixing the width and position of the easterly sidewalk and the roadway, providing for sloping, parking, retaining walls and steps; and establishing the grade of Horace street from the Liberty Bridge Approach to the Boulevard of the Allies. Also the re-establishment of grades of any of the highways affected by the said ramp construction.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be signed in duplicate, the date and year hereinbefore written.

No. 629

AN ORDINANCE — Authorizing an Agreement between the City of Pittsburgh and Allegheny County relating to the south approach of a new bridge to be constructed by Allegheny County from a point in the West End of the City of Pittsburgh

from Carson street West near Main street to a point on the North Side of the City of Pittsburgh near Manhattan street, said bridge to be known as the "West End Bridge."

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, are hereby authorized and directed to enter into an agreement with Allegheny County in the following language, to-wit:—

THIS AGREEMENT

MADE theday of....., A. D. 192...., between the City of Pittsburgh, a municipal corporation located in the County of Allegheny, Pennsylvania, acting in this behalf by its Mayor and Director of the Department of Public Works, party of the first part, and Allegheny County, a public agency of the Commonwealth of Pennsylvania, acting in this behalf by its Commissioners, party of the second part.

WHEREAS, Said Allegheny County intends to erect a public highway bridge over the Ohio River from a point in the West End of the City of Pittsburgh from Carson street West near Main street to a point on the North Side of the City of Pittsburgh near Manhattan street, said bridge to be known as the "West End Bridge;" and

WHEREAS, The Commissioners of said Allegheny County have requested the City of Pittsburgh to provide a right-of-way for the southerly approaches to said bridge at its own cost, which the City of Pittsburgh is willing to do;

NOW, THEREFORE, THIS AGREEMENT WITNESSETH; That in consideration of the covenants herein contained, the City of Pittsburgh does hereby agree to pass the necessary legislation and at its own cost and expense provide land for the southerly approaches to said bridge in substantially the form as shown on plan designated as "West End Bridge, South Approach, Study 8, Revised, Scheme "B" Revised," dated March

20, 1929, prepared by the Allegheny County Department of Public Works, a copy of said plan being filed in the Bureau of Engineering, Department of Public Works of the City of Pittsburgh. When said land has been acquired by the City of Pittsburgh, Allegheny County shall construct said approaches as shown on said plan, and the City of Pittsburgh shall curb, pave and lay the sidewalks of both the approach and the low level portions of Carson street West affected by said approaches according to the specifications of the City of Pittsburgh relating to street paving.

The City of Pittsburgh hereby consents to Allegheny County constructing said bridge between the terminal stated above, and for that purpose to enter upon any property of the City of Pittsburgh necessary for the purpose of the construction of said south approaches of said bridge.

It is hereby mutually understood and agreed that neither the purpose nor intent nor obligation of this Agreement, if and when approved by the Public Service Commission of the Commonwealth of Pennsylvania, is such as to impair or in anywise affect the exercise by said Commission of any of the powers vested in it by the Public Service Company Law, approved July 26, 1913.

IN WITNESS WHEREOF, the said City of Pittsburgh has caused this Agreement to be executed pursuant to an Ordinance of Council approved theday of....., 192....., and recorded in Ordinance Book, Volume....., Page....., and Allegheny County has caused the same to be executed pursuant to a Resolution of its Commissioners dated theday of....., 192....., and recorded in Resolution Book, Volume....., Page.....

No. 630

AN ORDINANCE—Granting unto the

H. J. Heinz Company, its successors and assigns, the right to construct, maintain and use a 2 story overhead passageway across Heinz street, connecting the present Spaghetti Building on the eastern side of Heinz street to the proposed new Auditorium Building on the western side of said street, property of the H. J. Heinz Company, 23rd Ward, Pittsburgh, Pa., subject to the terms and conditions herein set forth.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* The H. J. Heinz Company, its successors and assigns be and are hereby given the right and authority at its own cost and expense to construct, maintain and use a 2 story overhead passageway connecting the present Spaghetti Building on the eastern side of Heinz street to the proposed new Auditorium Building on the western side of said street, property of the H. J. Heinz Company, located approximately 50' 2" northwardly from the north street line of

Progress street to the center line of proposed passageway. The said passageway is to connect with the 2nd and 3rd stories of said buildings and to be built in accordance with plans and designs approved by the Department of Public Works. The said passageway shall have a clearance of approximately 19' 11" from the street grade, property of H. J. Heinz Company, 23rd Ward, Pittsburgh, Pa.

The said passageway shall be constructed in accordance with the provisions of this ordinance and in accordance with the plan hereto attached and identified as Accession No. B-358, Folder "B," in the files of the Division of Public Utilities, Bureau of Highways and Sewers, Department of Public Works, entitled, "Proposed passageway over and across Heinz street, 23rd Ward, Pittsburgh, Pa."

Section 2. The said H. J. Heinz Company shall, prior to the beginning of the construction of the said passageway, submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans in triplicate, showing location and all details of the construction of said passageway, and no work shall be commenced thereon until the said plans have been approved by the Director of the Department of Public Works, who shall have the right at all times to inspect and supervise the said construction, operation and maintenance.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of passageways over and across City streets and Ways which may provide for compensation for the use thereof.

Section 4. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said overhead passageway

upon giving six (6) months' notice thereof through the proper officers of the City, pursuant to a resolution or ordinance of Council, and that the said grantee, when so notified, shall at the expiration of the said six months, forthwith, remove the said passageway and restore the said buildings to their original condition.

Section 5. The said grantee shall be responsible for and shall assume any liability whatsoever either of the said grantee or of the City of Pittsburgh for damages to persons or property by reason of the construction, maintenance and use of the said overhead passageway, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within thirty (30) days after its passage and approval the H. J. Heinz Company, shall file with the City Controller their certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 7. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

AN ORDINANCE — Authorizing and directing the Mayor and the Director of the Department of Public Works of the City of Pittsburgh to make, execute and deliver in the name of and for the City of Pittsburgh a contract with the Federal Street and Pleasant Valley Passenger Railway Company, The United Traction Company of Pittsburgh, and the Pittsburgh Railways Company, as parties of the first part, and the City of Pittsburgh, as party of the sec-

ond part, providing for the temporary abandonment of the street railway tracks on Concord street, between Madison and Chestnut streets, in the City of Pittsburgh.

WHEREAS, The City of Pittsburgh proposes to resurface Concord street, between Madison and Chestnut streets, in the City of Pittsburgh, and desires the Pittsburgh Railways Company to abandon its street railway tracks on Concord street, between Madison and Chestnut streets, in conjunction with said re-surfacing.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the Mayor and the Director of the Department of Public Works of the City of Pittsburgh be and they are hereby authorized and directed to make, execute and deliver in the name of and for the City of Pittsburgh a contract with the Federal street and Pleasant Valley Passenger Railway Company, The United Traction Company of Pittsburgh, and Pittsburgh Railways Company, providing for the temporary abandonment, for the term of 49 years, of the street railway tracks located on Concord street, between Madison and Chestnut streets, in the City of Pittsburgh, and affix the seal of the City of Pittsburgh thereto.

Section 2. That said contract shall be on such terms and conditions as provided by General Ordinance No. 347, Series 1929, approved May 16, 1929, and the same shall be presented to the Finance Committee of City Council of the City of Pittsburgh for its sanction before its execution.

Section 3. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 632

AN ORDINANCE — Granting unto Pittsburgh Union Passenger Rail-

way Company, its successors and assigns, the right to enter upon, use and occupy Shore avenue, Scotland street and General Robinson street in the City of Pittsburgh, in the manner and between the points hereinafter set forth, for street railway purposes, subject to the terms and conditions herein provided.

WHEREAS, The City of Pittsburgh (formerly the City of Allegheny,) by ordinance enacted March 13, 1890, approved March 22, 1890, recorded in Ordinance Book No. 6, Page 276, granted the Pittsburgh Union Passenger Railway Company the right to construct, maintain and operate a single track railway "commencing at the intersection of South avenue (now Shore avenue) and its present road at or near Grant avenue, thence along South avenue (now Shore avenue) to School street (now Scotland street;) thence along School street (now Scotland street) to Robinson street (now General Robinson street;) thence along Robinson (now General Robinson street) Street to and connecting with the tracks of the Pittsburgh, Allegheny and Manchester Passenger Railway Company;" and

WHEREAS, The City of Pittsburgh is about to undertake an improvement involving the raising of the grade and widening of certain streets, which makes it necessary and desirable that a portion of the street railway tracks on Shore avenue, Scotland street and General Robinson street be relocated.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the Pittsburgh Union Passenger Railway Company, its successors and assigns, shall have the right and they are hereby authorized to enter upon, use and occupy, for street railway purposes, the streets and highways in, on and along the following routes:

"Beginning in the center of General Robinson street at a point, as measured 107 feet eastwardly, at right angles from the easterly curb line of Scotland street as extended southwardly, thence westwardly along the center line of General Robinson street, as recently widened and re-

located, by curve, having a center radius of 165 feet 3 inches, a distance of 122 feet to and onto Scotland street, thence by tangent northwardly crossing Scotland street to and onto Shore avenue, as recently widened, 107 feet to a point, thence continuing westwardly and along Shore avenue, as widened, by curve, having a center radius of 235 feet 3 inches, a distance of 140 feet 6 inches to a point of connection with the existing tracks on Shore avenue."

Section 2. The Pittsburgh Union Passenger Railway Company, its successors and assigns, shall have the right and they are hereby authorized to construct, maintain, operate and use a single railway track on the route hereinabove mentioned, together with the necessary connections, and to operate cars thereon, and to use electricity as a motive power, and to erect, maintain and use in the streets and highways hereinbefore mentioned, such posts, poles and other supports as said Company may deem convenient for the support and maintenance of an overhead system, and for the operation of a street railway, subject, however, to the provisions of an ordinance approved February 25, 1890, entitled "An Ordinance relating to the entry upon, over or under, or the use or occupation of any street, lane or alley, or any part thereof for any purpose, by passenger or street railway companies, or by companies operating passenger or street railways, and providing reasonable regulations pertaining thereto for the public convenience and safety," (except that the obligation of the Railway Company relative to paving within the so-called street railway area shall be the same as provided in the agreement between the City of Pittsburgh, Philadelphia Company and Pittsburgh Railways Company, dated December 20, 1921, during the effective period thereof.)

Section 3. That the obligation of the Railway Company relative to paving within the so-called street railway area shall be the same as provided in the agreement between the City of Pittsburgh, Philadelphia Company and Pittsburgh Railways Company, dated December 20, 1921, and

amendments, during the effective period thereof, or any extensions thereof. This provision shall be in lieu of the obligation assumed by the Pittsburgh Union Passenger Railway Company under the provisions of an ordinance of the City of Pittsburgh (formerly the City of Allegheny,) approved March 22, 1890, and under the provisions of an ordinance of the City of Pittsburgh (formerly the City of Allegheny,) approved the 30th day of December, 1880, which ordinances were accepted by said Company.

Section 4. The Railway Company shall furnish clean, sanitary and well lighted cars, properly heated and ventilated, and shall provide sufficient cars to furnish reasonable service to accommodate the traffic.

Section 5. The Pittsburgh Union Passenger Railway Company shall, simultaneously with the improvement of Shore avenue, Scotland street and General Robinson street as at present contemplated by the City of Pittsburgh, remove the street railway track situated on and along the following route:

Beginning at a point of connection with the existing track on General Robinson street (formerly Robinson street) at right angles opposite a point in the north curb line of General Robinson street (formerly Robinson street;) situated 107 feet as measured eastwardly along the said curb line from its intersection with the east curb line of Scotland street (formerly School street;) thence 64 feet 6 inches westwardly and parallel to the said curb line of General Robinson street (formerly Robinson street;) thence northwestwardly by spiral and circular curve 91 feet to and onto Scotland street (formerly School street;) thence northwardly by tangent 31 feet and parallel to the east curb line of Scotland street (formerly School street;) thence northwestwardly by spiral and circular curve 84 feet to and onto Shore avenue (formerly South avenue;) thence westwardly by tangent 134 feet and parallel to the south curb line of Shore avenue (formerly South avenue) to a point of connection with the existing track upon Shore avenue (formerly South ave-

nue) west of Scotland street (formerly School street;) said point of connection being situated at right angles to a point in the south curb line of Shore avenue (formerly South avenue;) 173 feet 6 inches as measured westwardly along said curb line from its intersection with the west curb line of Scotland street (formerly School street.)

Section 6. By its acceptance of this ordinance, the Pittsburgh Union Passenger Railway Company shall surrender all its rights and privileges in and to the tracks described in Section 5 hereof, and until said tracks have been removed by the Railway Company this ordinance shall be of no force or effect.

Section 7. This ordinance shall be accepted by the Pittsburgh Union Passenger Railway Company within sixty (60) days after its passage or approval by a certificate of acceptance of all the conditions and provisions hereof. The said certificate shall be executed under the corporate seal of the Railway Company, duly attested by the President or Vice President, and the Secretary or an Assistant Secretary thereof, and filed with the Controller of the City.

AN ORDINANCE—Fixing the width and position of the sidewalks and roadway of Almont street, Biscayne Drive, Biscayne place, Edgar street, Olivet street, Valera street and Wysox street, and establishing the opening grades of Almont street, Biscayne Drive, Biscayne place, Edgar street, Olivet street, Olivet way, Rex way, Valera street, Windfall way and Wysox street as laid out and proposed to be dedicated as legally opened highways by the Raleigh Square Land Co. in a plan of lots of its property in the Twenty-ninth Ward, City of Pittsburgh, named Raleigh Square.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* upon the approval of a certain plan of lots, named "Raleigh Square," proposed to be laid out by the Raleigh Square Land Company, of its property in the Twenty-ninth Ward, of the City of Pittsburgh, the width and position of the sidewalks and roadway of Almont street, Biscayne Drive, Biscayne place, Edgar street, Olivet street, Valera street, and Wysox street, and the grades to which Almont street, Biscayne Drive, Biscayne place, Edgar street, Olivet street, Olivet way, Rex way, Valera street, Windfall way and Wysox street, as shown thereon, shall be accepted as

public highways of the said City shall be as hereinafter set forth:

ALMONT STREET

The northerly and southerly sidewalks shall each have a uniform width of 8.0 feet and shall lie along and parallel to their respective street lines.

The roadway shall have a uniform width of 24.0 feet and shall occupy the central portion of the street lying between the sidewalks as above described.

The grade of the northerly curb line shall begin at the southerly curb line of Valera street at an elevation of 417.16 feet; thence by a convex parabolic curve for a distance of 20.0 feet to a point of tangent at the elevation of 415.43 feet; thence falling at the rate of 10.25% for a distance of 49.30 feet to a point of curve at the elevation of 410.38 feet; thence by a concave parabolic curve for a distance of 121.67 feet to a point of tangent at the elevation of 403.24 feet; thence falling at the rate of 1.50% for a distance of 407.24 feet to the easterly curb line of Olivet street at the elevation of 397.13 feet.

BISCAYNE DRIVE

The easterly and westerly sidewalks from Brownsville Road to Windfall way shall each have a uniform width of 10.0 feet and shall lie along and parallel to their respective street lines, and from Windfall way to Maytide street the easterly and westerly sidewalks shall each have a uniform width of 8.0 feet and lie along and parallel to their respective street lines.

The roadway from Brownsville Road to Maytide street shall occupy the central portion of the street lying between the sidewalks as above described and from Brownsville Road to Windfall way shall have a variable width and from Windfall way to Maytide street shall have a uniform width of 24.0 feet.

The grade of the easterly curb line shall begin at the southerly curb line of Brownsville Road at an elevation of 500.85 feet (curb as set;) thence by a convex parabolic curve for a distance of 30.0 feet to a point of tangent at the elevation of 498.52

feet; thence falling at the rate of 15.0% for a distance of 80.82 feet to the northerly line of Windfall way at an elevation of 486.40 feet; thence falling at the rate of 7.0% for a distance of 21.81 feet to the southerly line of Windfall way at an elevation of 484.87 feet; thence falling at the rate of 15.0% for a distance of 112.35 feet to a point at the elevation of 468.02 feet; thence falling at the rate of 12.184% for a distance of 96.45 feet to a point of curve at the elevation of 456.27 feet; thence by a concave parabolic curve for a distance of 20.0 feet to the northerly curb line of Edgar street at an elevation of 454.35 feet; thence falling at the rate of 7.0% for a distance of 24.65 feet to the southerly curb line of Edgar street at the elevation of 452.63 feet; thence by a convex parabolic curve for a distance of 42.34 feet to a point of tangent at the elevation of 447.76 feet; thence falling at the rate of 16.0% for a distance of 179.94 feet to a point of curve at the elevation of 418.97 feet; thence by a concave parabolic curve for a distance of 16.0 feet to the northerly curb line of Valera street at the elevation of 417.13 feet; thence falling at the rate of 7.0% for a distance of 24.14 feet to the southerly curb line of Valera street at the elevation of 415.44 feet; thence by a convex parabolic curve for a distance of 20.0 feet to a point of tangent at an elevation of 413.85 feet; thence falling at the rate of 8.895% for a distance of 79.20 feet to a point of curve at the elevation of 406.80 feet; thence by a concave parabolic curve for a distance of 200.0 feet to a point of tangent at the elevation of 394.96 feet; thence falling at the rate of 2.95% for a distance of 20.00 feet to a point at the elevation of 394.37 feet; thence falling at the rate of 1.20% for a distance of 86.55 feet to the northerly 10.0 foot line of Maytide street at an elevation of 393.33 feet.

BISCAYNE PLACE

The easterly and westerly sidewalks shall each have a uniform width of 8.0 feet and shall lie along and parallel to their respective street lines.

The roadway shall have a uniform width of 24.0 feet and shall occupy the central portion of the street lying between the sidewalks above described.

The grade of the easterly curb line shall begin at the westerly curb line of Biscayne Drive at an elevation of 486.63 feet; thence falling at the rate of 12.275% for a distance of 198.99 feet to a point of curve at the elevation of 462.20 feet; thence by a concave parabolic curve for a distance of 40.0 feet to a point of tangent on the northerly curb line of Edgar street at an elevation of 458.35 feet.

EDGAR STREET

The northerly and southerly sidewalks shall each have a uniform width of 8.0 feet and shall lie along and parallel to their respective street lines.

The roadway shall have a uniform width of 24.0 feet and shall occupy the central portion of the street lying between the sidewalks as above described.

The grade of the southerly curb line shall begin on the westerly line of Wysox way at an elevation of 459.95 feet; thence rising at the rate of 1.54% for a distance of 71.53 feet to a point at the elevation of 461.05 feet; thence rising at the rate of 1.0% for a distance of 124.18 feet to a point of curve to the elevation of 462.29 feet; thence by a convex parabolic curve for a distance of 150.0 feet to a point of tangent at the elevation of 459.64 feet; thence falling at the rate of 4.53% for a distance of 154.70 feet to the easterly curb line of Biscayne Drive at the elevation of 452.63 feet; thence to the westerly curb line of Biscayne Drive at the elevation of 453.01 feet; thence by a convex parabolic curve for a distance of 95.82 feet to a point of tangent at the elevation of 455.70 feet, thence rising at the rate of 1.0% for a distance of 155.83 feet to a point of curve to the elevation of 457.25 feet; thence by a concave parabolic curve for a distance of 145.60 feet to a point of tangent at the elevation of 463.27 feet; thence rising at the rate of 7.40% for a distance of 72.80 feet to a point at the elevation of 468.66 feet; thence rising at the rate of 7.65%

for a distance of 111.31 feet to a point of curve at the elevation of 477.18 feet; thence by a convex parabolic curve for a distance of 68.58 feet to the easterly curb line of Olivet way at an elevation of 480.81 feet.

OLIVET STREET

The easterly and westerly sidewalks shall each have a uniform width of 8.0 feet and shall lie along and parallel to their respective street line.

The roadway shall have a uniform width of 24.0 feet and shall occupy the central portion of the street lying between the sidewalks above described.

The grade of the easterly curb line shall begin at the southerly line of Azure way produced at the elevation of 456.06 feet; thence falling at the rate of 18.39% for the distance of 97.25 feet to a point of curve to the elevation of 438.18 feet; thence by a concave parabolic curve for a distance of 16.0 feet to the northerly curb line of Valera street at the elevation of 436.16 feet; thence to the southerly curb line of Valera street at the elevation of 435.15 feet; thence by a convex parabolic curve for a distance of 16.0 feet to a point of tangent at the elevation of 433.23 feet; thence falling at the rate of 16.95% for a distance of 201.68 feet to a point of curve at the elevation of 399.05 feet; thence by a concave parabolic curve for a distance of 16.0 feet to the northerly curb line of Almont street at the elevation of 397.13 feet.

OLIVET WAY

The grade of the easterly curb line shall begin at the southerly curb line of Brownsville Road at an elevation of 502.55 feet (curb as set;) thence rising at the rate of 1.47% for a distance of 123.30 feet to the northerly curb line of Windfall way at the elevation of 504.36 feet; thence level for a distance of 14.03 feet to the southerly curb line of Windfall way at the elevation of 504.36 feet; thence falling at the rate of 2.91% for a distance of 91.15 feet to a point of curve at the elevation of 501.70 feet; thence by a convex parabolic curve

for a distance of 100.0 feet to a point of tangent at the elevation of 492.75 feet; thence falling at the rate of 15.0% for a distance of 56.0 feet to a point of curve at the elevation of 484.25 feet; thence by a concave parabolic curve for a distance of 16.0 feet to the northerly curb line of Edgar street at an elevation of 482.49 feet; thence falling at the rate of 7.0% for a distance of 24.01 feet to the southerly curb line of Edgar street at the elevation of 480.81 feet; thence by a convex parabolic curve for a distance of 16.0 feet to a point of tangent at the elevation of 478.78 feet; thence falling at the rate of 18.39% for a distance of 155.52 feet to the northerly line of Azure way produced at the elevation of 457.53 feet.

REX WAY

The grade of the northerly curb line shall begin at the southerly curb line of Windfall way at the elevation of 499.31 feet; thence rising at the rate of 1.88% for a distance of 111.55 feet to a point of curve at the elevation of 501.41 feet; thence by a convex parabolic curve for a distance of 60.0 feet to a point of tangent at the elevation of 501.67 feet; thence falling at the rate of 1.0% for a distance of 70.0 feet to the easterly curb line of Olivet way at the elevation of 500.97 feet.

VALERA STREET

The northerly and southerly sidewalks shall each have a uniform width of 8.0 feet and shall lie along and parallel to their respective street lines.

The roadway shall have a uniform width of 24.0 feet and shall occupy the central portion of the street lying between the sidewalks above described.

The grade of the southerly curb line shall begin at the westerly curb line of Wysox street at the elevation of 411.95 feet; thence rising at the rate of 4.81% for a distance of 131.58 feet to a point of curve; at the elevation of 418.28 feet; thence by a convex parabolic curve for a distance of 100.0 feet to a point of tangent at the elevation of 420.18 feet; thence falling at the rate of 1.0% for a dis-

tance of 227.0 feet to a point of curve at the elevation of 417.91 feet; thence by a convex parabolic curve for a distance of 80.0 feet to the easterly curb line of Biscayne Drive at the elevation of 415.44 feet; thence to the westerly curb line of Biscayne Drive at the elevation of 415.22 feet; thence by a convex parabolic curve for a distance of 50.0 feet to a point of tangent at the elevation of 415.12 feet; thence falling at the rate of 3.71% for a distance of 18.36 feet to a point of curve at the elevation of 414.44 feet; thence by a concave parabolic curve for a distance of 150.0 feet to a point of tangent at the elevation of 412.58 feet; thence rising at the rate of 1.24% for a distance of 90.50 feet to a point of curve to the elevation of 413.70 feet; thence by a concave parabolic curve for a distance of 144.08 feet to a point of tangent at the elevation of 420.94 feet; thence rising at the rate of 8.82% for a distance of 48.03 feet to a point of curve at the elevation of 425.18 feet; thence by a convex parabolic curve for a distance of 192.12 feet to a point of tangent at the elevation of 434.90 feet; thence rising at the rate of 1.30% for a distance of 48.45 feet to a point of curve at the elevation of 435.53 feet; thence by a convex parabolic curve for a distance of 46.0 feet to the easterly curb line of Olivet street at the elevation of 435.15 feet.

WINDFALL WAY

The grade of the southerly curb line shall begin at the easterly property line of the Raleigh Square Plan of Lots at an elevation of 484.62 feet; thence rising at the rate of 2.0% for a distance of 215.99 feet to a point of curve at the elevation of 488.94 feet; thence by a convex parabolic curve for a distance of 200.0 feet to a point of tangent at the elevation of 489.29 feet; thence falling at the rate of 1.65% for a distance of 173.78 feet to a point at the elevation of 486.42 feet; thence falling at the rate of 3.0% for a distance of 43.93 feet to the easterly curb line of Biscayne Drive at the elevation of 485.10 feet; thence to the westerly curb line of Biscayne place at the elevation of 485.63 feet; thence by a concave

parabolic curve for a distance of 20.0 feet to a point of tangent at the elevation of 486.48 feet; thence rising at the rate of 8.50% for a distance of 109.41 feet to a point of curve at the elevation of 495.78 feet; thence by a convex parabolic curve for a distance of 100.0 feet to a point of tangent at the elevation of 501.40 feet; thence rising at the rate of 2.74% for a distance of 108.28 feet to the easterly curb line of Olivet way at the elevation of 504.36 feet.

WYSOX STREET

The easterly and westerly sidewalks shall each have a uniform width of 8.0 feet and shall lie along and parallel to their respective street lines.

The roadway shall have a uniform width of 24.0 feet and shall occupy the central portion of the street lying between the sidewalks above described.

The grade of the westerly curb line shall begin at the northerly 10.0 foot curb line of Maytide street at an elevation of 410.64 feet; thence falling at the rate of 4.70% for a distance of 100.34 feet to a point of curve at the elevation of 405.92 feet; thence by a concave parabolic curve for a distance of 100.0 feet to a point of tangent at the elevation of 406.27 feet; thence rising at the rate of 5.40% for a distance of 95.26 feet to a point of curve at the elevation of 411.41 feet; thence by a convex parabolic curve for a distance of 20.0 feet to the southerly curb line of Valera street at the elevation of 411.95 feet.

Section 2. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

AN ORDINANCE—Fixing the width and position of the sidewalks and roadway and providing for slopes, parking, retaining walls and steps on

Baldwin road, from Noblestown road to Steen street and establishing and re-establishing the grade of Baldwin road, from Noblestown road to a point 37.43 feet west of the westerly line of Steen street.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That*

the width and position of the sidewalks and roadway of Baldwin road, from Noblestown road to Steen street and the grade of Baldwin road from Noblestown road to a point 37.43 feet west of the westerly line of Steen street be and the same are hereby fixed, established and re-established as follows, to-wit:—

The southerly curb line shall begin on the northerly 4.5 foot curb line of Noblestown road at a point opposite the intersection of the northerly line of Noblestown road and the southerly line of Baldwin road as opened by Ordinance No. 128 approved February 28, 1929; thence extending in a northerly and westerly direction by the arc of a circle deflecting to the left having a radius of 25.29 feet and a central angle of 154° 50' 30" for a distance of 68.35 feet to a point of tangent; thence by the tangent in a westerly direction parallel to and distant 6.0 feet northwardly from the southerly line of Baldwin road as opened by said ordinance for a distance of 243.68 feet to a point of curve; thence by the arc of a circle deflecting to the left having a radius of 356.0 feet and a central angle of 36° 00' 00" for a distance of 223.68 feet to a point of tangent; thence by the tangent in a westerly direction parallel to and distant 6.0 feet northwardly from the southerly line of Baldwin road as widened by Ordinance No. 129 approved February 28, 1929 for a distance of 124.28 feet to a point of curve; thence in a westerly direction by the arc of a circle deflecting to the right having a radius of 734.0 feet and a central angle of 20° 43' 00" for a distance of 265.40 feet to a point of tangent; thence by the tangent in a westerly direction and parallel to and distant 6.0 feet northwardly from the southerly line of Baldwin road for a distance of

121.54 feet to a point of curve; thence by the arc of a circle deflecting to the right having a radius of 534.0 feet and a central angle of 25° 04' 00" for a distance of 233.62 feet to a point of tangent; thence by the tangent in a westerly direction parallel to and distant 6.0 feet northwardly from the southerly line of Baldwin road for a distance of 281.86 feet to a point of curve; thence by the arc of a circle deflecting to the right having a radius of 734.0 feet and a central angle of 22° 02' 20" to a point of reverse curve; thence by the arc of a circle deflecting to the left having a radius of 564.0 feet and a central angle of 1° 25' 00" for a distance of 14.0 feet more or less to the easterly curb line of Steen street.

The southerly sidewalk shall have a uniform width of 6.0 feet and shall lie along and be parallel to and southwardly from the southerly curb line as above described.

The roadway shall have a uniform width of 28.0 feet and shall lie along, be parallel to and northwardly from the southerly curb line as above described.

The northerly sidewalk shall have a uniform width of 6.0 feet and shall lie along and be parallel to the northerly line of the roadway as above described.

The remaining portions of the street lying without the sidewalks and roadway shall be used for slopes, parking, retaining walls and steps.

Section 2. The grade of the southerly curb line shall begin at a point of horizontal curve at the northerly curb line of Noblestown road at an elevation of 255.83 feet (curb as set); thence falling at the rate of 3% for a distance of 48.35 feet to a point of curve to an elevation of 254.38 feet; thence by a concave parabolic curve for a distance of 40.0 feet to a point of tangent to an elevation of 253.58 feet; thence falling at the rate of 1% for a distance of 173.68 feet to a point of curve to an elevation of 251.84 feet; thence by a convex parabolic curve for a distance of 100.0 feet to a point of tangent to an elevation of 249.19 feet; thence falling at the rate of 4.3% for a distance of

250.66 feet to a point of curve to an elevation of 238.41 feet; thence by a concave parabolic curve for a distance of 100.0 feet to a point of tangent to an elevation of 235.25 feet; thence falling at the rate of 2.02% for a distance of 679.72 feet to a point of curve to an elevation of 221.55 feet; thence by a concave parabolic curve for a distance of 300.0 feet to a point of reverse curve to an elevation of 229.77 feet; thence by a convex parabolic curve for a distance of 200.0 feet to a point of tangent to an elevation of 239.99 feet; thence rising at the rate of 2.72% for a distance of 27.31 feet to a point to an elevation of 240.73 feet.

Section 3. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

AN ORDINANCE — Fixing the width and position of the roadway and sidewalks, re-establishing the grade and providing for parking, sloping, and the construction of retaining walls and steps on Delmont street, from Amesbury street to Michigan street.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the width and position of the roadway and sidewalks and the grade of the westerly curb line of Delmont street, from Amesbury street to Michigan street shall be and the same are hereby fixed and re-established as follows, to-wit:—

The roadway shall have a uniform width of 24.0 feet, the center line of the roadway coinciding with the center line of the street.

The easterly sidewalk shall have a uniform width of 8.0 feet and shall lie along and be parallel to the easterly line of the roadway as above described.

The westerly sidewalk shall have a uniform width of 8.0 feet and shall lie

along and be parallel to the westerly line of the roadway as above described.

The grade of the westerly curb line shall begin on the northerly curb line of Amesbury street at an elevation of 432.08 feet; thence falling at the rate of 1% for a distance of 139.33 feet to a point of curve to an elevation of 430.69 feet; thence by a convex parabolic curve for a distance of 300.0 feet to a point of tangent to an elevation of 423.19 feet; thence falling at the rate of 4% for a distance of 179.67 feet to the southerly curb line of Michigan street to an elevation of 416.0 feet.

The remaining portions of the street lying without the lines of the sidewalks and roadway as above described shall be used for parking, sloping and the construction of retaining walls and steps.

AN ORDINANCE—Re-fixing the width and position of the easterly sidewalk and the roadway and re-establishing the grade of South Fourth street, from McKean street and Cabot way to the Pittsburgh and Lake Erie Railroad.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the width and position of the easterly sidewalk and the roadway and the grade of the westerly 10.0 foot line of South Fourth street, from McKean street and Cabot way to the Pittsburgh and Lake Erie Railroad be and the same are hereby re-fixed and re-established as follows, to-wit:—

The easterly sidewalk, from Cabot way to Bingham street shall have a uniform width of 6.0 feet; from Bingham street to a point 55.0 feet north of the northerly line of Bingham street shall have a uniform width of 5.0 feet and from the last mentioned point to the Pittsburgh and Lake Erie Rail-

road shall have a uniform width of 3.0 feet and shall lie along and contiguous to the easterly street line throughout.

The roadway from McKean street and Cabot way to Bingham street shall have a uniform width of 44.0 feet; from Bingham street to a point 55.0 feet north of the northerly line of Bingham street shall have a uniform width of 45.0 feet and from the last mentioned point to the Pittsburgh and Lake Erie Railroad shall have a uniform width of 47.0 feet and shall occupy that portion of the street lying between the above described easterly sidewalk and the westerly street line throughout.

Section 2. The grade of the westerly 10.0 foot line shall begin at the northerly curb line of McKean street at an elevation of 34.39 feet; thence falling by a concave parabolic curve for a distance of 52.0 feet to a point of tangent to an elevation of 33.68 feet; thence falling at a rate of 0.42% for a distance of 340.0 feet to a point to an elevation of 32.25 feet; thence falling at a rate of 1.36% for a distance of 171.0 feet to the most southerly track of the Pittsburgh and Lake Erie Railroad to an elevation of 29.92 feet.

Section 3. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 691

AN ORDINANCE — Fixing and re-fixing the width and position of the sidewalks and roadway, providing for slopes, parking, retaining walls and steps, and establishing and re-establishing the grade of Melwood street, from the first angle north of Byron street to a point 105.0 feet north of the Bloomfield Bridge.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

the width and position of the sidewalks and roadway and the grade of the westerly curb line of Melwood street, from the first angle north of Byron street to a point 105.0 feet north of the northerly line of the Bloomfield Bridge be and the same are hereby fixed, re-fixed, established and re-established as follows, to-wit:—

The westerly curb line shall begin at a point of curve perpendicularly opposite and 10.0 feet east of the first angle in the westerly line of Melwood street north of Byron street, said point of curve to be known as station 0 + 00; thence shall extend northwardly by the arc of a circle deflecting to the left with a radius of 204.0 feet and a central angle of 10° 05' 00" to a point of tangent at station 0 + 35.90, said point of tangent being at a perpendicular distance of 13.0 feet east of the westerly street line; thence northwardly parallel to the westerly street line to a point of reverse curve at station 6 + 12.28; thence northwardly by the arc of a circle deflecting to the left with a radius of 150.0 feet and a central angle of 58° 18' 40" to a point of compound curve at station 7 + 64.94, said point of compound curve being at a radial distance of 11.50 feet east of the westerly street line; thence northwardly parallel to the westerly street line to meet the curb as set at station 7 + 99.71 and thence northwardly coinciding with the curb as set to station 8 + 49.71, said last mentioned station being at a point 105.0 feet north of the northerly line of the Bloomfield Bridge.

The westerly sidewalk from station 0 + 00 to the northerly line of the Bloomfield Bridge shall have a uniform width of 9.0 feet and lie along and contiguous to the above described westerly

curb line; thence to station 7 + 64.94 a variable width and occupy that portion of the street lying between the above described westerly curb line and the westerly street line; thence to station 8 + 49.71 a uniform width of 11.50 feet and occupy that portion of the street lying between the above described westerly curb line and the westerly street line.

The roadway from station 0 + 00 to station 6 + 12.28 shall have a uniform width of 30.0 feet; thence to station 7 + 64.94 a variable width ranging from 30.0 feet to 27.0 feet and thence to station 8 + 49.71 a uniform width of 27.0 feet and lie along and contiguous to the above described westerly sidewalk throughout.

The easterly sidewalk from station 0 + 00 to the northerly line of the Bloomfield Bridge shall have a uniform width of 7.0 feet and lie along and contiguous to the above described roadway; thence to station 7 + 64.94 a variable width and occupy that portion of the street lying between the above described roadway and the easterly street line; thence to station 8 + 9.71 a uniform width of 11.50 feet and occupy that portion of the street lying between the above described roadway and the easterly street line.

The remaining portions of the street lying without the lines of the above described sidewalks and roadway shall be used for slopes, parking, retaining walls and steps.

Section 2. The grade of the westerly curb line shall begin at Station 0 + 00 at an elevation of 211.23 feet; thence rising by a concave parabolic curve for a distance of 88.0 feet to a point of tangent to an elevation of 212.56 feet; thence rising at the rate of 5.0% for a distance of 187.10 feet to a point of curve to an elevation of 221.91 feet; thence by a convex parabolic curve for a distance of 40.0 feet to a point of tangent to an elevation of 223.21 feet; thence rising at the rate of 1.50% for a distance of 160.0 feet to a point of curve to an elevation of 225.61 feet; thence by a convex parabolic curve for a distance of 40.0 feet to a point of tangent to an elevation of 225.67 feet; thence falling at the rate of 1.18% for a distance of 334.61 feet to station 8 + 49.71 to an elevation of 221.73 feet (curb as set).

No. 721

AN ORDINANCE — Authorizing and directing the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, to enter into an Agreement with the County of Allegheny relating to the improvement of the Ohio River Boulevard in the City of Pittsburgh, from the western property line of Superior avenue to the Traffic Circle near the intersection of Wortman and Florida streets, including the locating, re-locating, opening and widening, establishing and re-establishing the grades, and fixing the lines of the said Ohio River Boulevard, and providing for the payment of the City's share of the costs, damages and expenses thereof.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, shall be and they are hereby authorized and directed to enter into an Agreement with the County of Allegheny relating to the improvement of the Ohio River Boulevard from the western property line of Superior avenue to the Traffic Circle near the intersection of Wortman and Florida streets, including the locating, re-locating, opening and widening, establishing and re-establishing the grades, and fixing the lines of the said Ohio River Boulevard, and providing for the payment of the City's share of the costs, damages and expenses thereof, said Agreement to be in the following form:—

AGREEMENT

MADE THIS..... day of
.....A. D., 1929, between the County of Allegheny, a quasi-municipal corporation of Pennsylvania, hereinafter called "County", party of the first part, and the City of Pittsburgh, a municipal corporation of the State of Pennsylvania, within the

limits of said County, hereinafter called the "City", party of the second part.

WHEREAS, The Ohio River Boulevard in the City of Pittsburgh, beginning at the western property line of Superior avenue and extending in a westerly direction to the eastern terminus of the McKees Rocks Bridge Traffic Circle near the intersection of Wortman and Florida streets, as located by Ordinance of the City is to be a principal thoroughfare and a part of the Ohio River Boulevard on the north-erly side of the Ohio River, and

WHEREAS, The County Commissioners of Allegheny County deem it advisable and necessary to improve said Ohio River Boulevard in said City, between the points mentioned, and are of the opinion that the County should bear a portion of the cost, and the corporate authorities of the City of Pittsburgh believe it will be greatly to the interest and advantage of said City and a great saving of expense thereto, if said improvement of said Boulevard within its corporate limits be made, and the cost and expense thereof be paid jointly by the City and County as hereinafter specified.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, That for the consideration hereinafter mentioned, the parties hereto do covenant and agree, to and with each other as follows:

FIRST: The parties hereto agree that the Ohio River Boulevard within the limits of said City, for a distance of approximately 5,374 feet, shall be improved between the following terminal points:

Beginning at the western property line of Superior avenue and extending in a westerly direction to the eastern terminus of the McKees Rocks Bridge Traffic Circle near the intersection of Wortman and Florida streets. The consent of the City of Pittsburgh is hereby given to the County of Allegheny to carry out the provisions herein set forth.

SECOND: Said Ohio River Boulevard between the terminal points shall be improved by the County to a width of forty (40') feet and graded to a width of sixty (60') feet, exclusive of slopes. The work shall be done to lines and

grades established by the City and in conformity with plans prepared by the Department of Public Works of Allegheny County and approved by the Commissioners of said Allegheny County and the Director of the Department of Public Works of the City of Pittsburgh, to the limits shown on said plans, which plans are identified as Ohio River Boulevard, Contract No. 3, Plan 1256, Sheets Nos. 1 to , and made a part hereof by reference thereto and filed in the office of the Director of the Department of Public Works of the City and County.

THIRD: The Improvement of said Ohio River Boulevard as set forth in the first and second paragraphs under this agreement, shall be done by contract or contracts, awarded therefor, by the County of Allegheny, after approval of plans by the Director of the Department of Public Works, of the City of Pittsburgh, pursuant to Acts of Assembly relating to same. Said contract or contracts shall include the replacement of existing sidewalks where same are destroyed by reason of the relocation or change of grade on existing City streets necessitated by this improvement. The County shall have charge of the work and the City may, at its own cost and expense, furnish whatever engineering and inspection service it so desires. Any complaint which the City may have as to the manner of construction or the materials or methods used, shall be made in writing to the Director of the Department of Public Works of Allegheny County, within three (3) days, otherwise all work and materials shall be considered by the County as being done and furnished, placed or erected, satisfactory to the City.

FOURTH: The City agrees at its own cost and expense, to construct all sanitary and combined sewers, including house or other connections required within the limits of this improvement, prior to or during the construction work to be done by the County under this agreement, exclusive, however, of the storm drains shown on the boulevard plans as approved. The City also agrees to require the construction of any water lines with the necessary house or other connection, fire hydrants, gate boxes, etc., within the

limits of this improvement, at the cost or expense of the City, individuals or public utility companies, prior to or during the construction work to be done by the County under this agreement. All work on sanitary and combined sewers and water lines, shall be done by the City or Utility Companies in such a manner that there shall be as little interference or delay as possible to the County's contractor on this work. The altering, resetting or reconstructing of existing catch basins or storm inlets within the limits of this improvement, shall be included in the construction work to be performed by the County under the terms of this agreement.

FIFTH: The City agrees to enact any ordinances which may be necessary to vacate, locate, relocate, open or widen, establish or re-establish the grade and curb lines of said Ohio River Boulevard, as shown on the plans as approved, as well as any existing streets or ways affected by this improvement and to condemn or otherwise secure all private or public property necessary for this purpose.

SIXTH: The City agrees to assume and become liable for all damages occasioned by reason of this improvement by the vacation, opening, locating, re-locating, widening, establishing or re-establishing of grades required for the aforesaid improvement of the Ohio River Boulevard and the existing streets and ways affected, as shown on the plans as approved, between the terminal points hereinbefore mentioned. The City agrees that it will assume and become liable for all damages to property, including surface and sub-surface structures, caused by said improvement of the Ohio River Boulevard, including damages to persons or property occasioned from any obstruction on said roadway or part thereof, not due to the negligence of the said County or its contractor or contractors.

SEVENTH: The City further agrees to petition for Viewers to award damages to property affected by this improvement, and to proceed before the Viewers the same as if the improvement was entirely a City project. The County agrees to furnish any legal or engineering assistance which the City may desire in the preparations of

"Viewers' Plans" and in the defense or prosecution of any claims for damages to property. The County further agrees to reimburse the City of Pittsburgh for all damages assessed against the City, exclusive of damages for the realignment of California avenue, from Superior avenue to Romig street. Payment for damages shall be made by the County to the City within ninety (90) days after the report of the Viewers to the Court of Common Pleas of the County has been filed, but appeal from any award of damages which seems excessive or unjust to the County, shall be taken by the City at the request of the County.

EIGHTH: The City has condemned, at its own sole cost and expense, all property necessary for the realignment of California avenue, from Superior avenue to Romig street, to a width of sixty (60) feet and to petition for Viewers to award damage to property affected by said realignment. The City shall proceed before the Board of Viewers on these condemnations as if the Ohio River Boulevard was not to affect property in this vicinity and settle at its own cost and expense, all awards of damages occasioned by said alignment.

NINTH: The County agrees to include in the contract or contracts for the work outlined in this agreement, the construction of the realigned section of California avenue between Superior avenue and Romig street. Said construction to include grading, curbing and paving to a width of forty (40) feet between curbs, including the street railway area.

TENTH: The City agrees to have the tracks of the Pittsburgh Railways Company removed from the present location of California avenue, from Superior Avenue to Romig street, and have same relocated upon the realignment of California avenue between said terminal points. The repaving of the section of California avenue from which the railway tracks are removed, shall be done by the City in accordance with agreements now in force between the City and the Pittsburgh Railways Company.

ELEVENTH: The City agrees to reimburse the County for work done on the realignment of California avenue.

in the amount of \$25,000.00 for street improvement and in the amount of \$8,000.00 for concrete base and surface paving in the street railway area. The County shall be relieved of the responsibility for the relocation of the street railway tracks, including the subgrading for tracks, ballast, ties and rails, on the realignment and the repaving of the area of California avenue from which the tracks are removed.

TWELFTH: The City shall have installed the necessary Boulevard lighting system. Plans of the poles, fixtures, etc., approved by the Director of the Department of Public Works of the City, shall be furnished by the Department of Public Works of Allegheny County. It is further agreed that after the completion of the improvement aforesaid, the City shall light the Ohio River Boulevard, between the terminal points hereinbefore described, and the County shall be forever afterwards relieved of any responsibility for the maintenance or repair of the lighting system.

THIRTEENTH: It is agreed that after the completion of the improvement aforesaid, the County shall maintain and keep the Ohio River Boulevard, including bridge structures, between the terminal points herein described, in good repair, except curb and sidewalks constructed by the County, City or others, on the boulevard, and the paving, curb and sidewalk of the realignment of California avenue, between Superior avenue and Romig street. The City shall be forever afterwards relieved of any responsibility for the maintenance or repair of the Boulevard, except the curbs, sidewalks and lighting system of the boulevard and the paving, curbs and sidewalks of the realignment of California avenue. The County shall be forever afterwards relieved of any responsibility for the maintenance or repair of the curbs, sidewalks or lighting system of the Boulevard and the paving, curbs and sidewalks of the realignment of California avenue.

FOURTEENTH: The City agrees to give all notices necessary to fully advise all parties concerned of the proposed improvement, and to require all service companies and private parties to make the necessary adjustments, re-

pairs and connections to existing utilities and to install any new utilities with their house or other connections to points outside the limits of this improvement, prior to or during the construction of the Boulevard.

FIFTEENTH: In case the City constructs water lines, sanitary sewers or combined sewers within the lines of this improvement after the signing of this agreement, the City agrees at its own cost and expense, to backfill the trench or trenches in a workmanlike manner and place any concrete over the same that may be required by the County, to reinforce the sub-grade to insure the stability of the Boulevard pavement. Where public service companies or individuals open such trenches, either at their own request or by order of the City, the City shall require said companies or individuals to backfill the trench or trenches in a workmanlike manner and place any concrete that may be required by the County to reinforce the sub-grade and insure the stability of the Boulevard pavement. The City may require said companies or individuals to pay for said backfill and concrete work. The City agrees to relieve the County of the responsibility for the failure of any part of the pavement of this improvement or any structures connected therewith, occasioned by the subsidence of any trenches opened by the City, public service companies or individuals, whether said trenches are opened before or after the improvement of this Boulevard by a contract or contracts let by Allegheny County.

SIXTEENTH: The City agrees to pay to the County the additional cost of backfilling any trenches with slag and the cost of removing and replacing concrete slabs or pavement over said trenches, when trenches opened by either the City or others are found in such condition as to endanger the strength or stability of the work to be done by the County. In case such trenches are found, their condition shall be brought to the attention of the Director of Public Works of the City by letter, and if the condition is not corrected by the City within three (3) days after the delivery of such letter, the County shall correct the condition and bill the City for the actual construction cost of same.

IN WITNESS WHEREOF, The County has caused its common and corporate seal to be affixed hereto, duly attested by the Chief Clerk of the County Commissioners, and this agreement to be signed by its County Commissioners, and this agreement is signed and executed in the name of the City of Pittsburgh, and for the City of Pittsburgh, by the Mayor and the Director of the Department of Public Works, and the Seal of the City is by its proper officers hereto affixed, they being duly authorized so to do by Ordinance of said City, all done this day and year aforesaid.

No. 725

AN ORDINANCE — Granting unto C.

F. Haudenshield, his successors and assigns, the right to construct, maintain and use 9 concrete piers extending into Penn avenue, 20th street and Mulberry way at a maximum distance of 5 feet from building line and a minimum depth of 12 feet 7½ inches below grade of streets, sidewalk vault under Penn avenue, 3 areaways in 20th Street and one in Mulberry way in sidewalks for the property of C. F. Haudenshield, 2nd Ward, Pittsburgh, Pa.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

C. F. Haudenshield, his successors and assigns is hereby given the right and authority at his own cost and expense to construct, maintain and use 9 concrete piers, 3 extending into Penn avenue, 4 extending into 20th Street and 2 extending into Mulberry way at a maximum distance of 5 feet from building line and a minimum depth of 12 feet 7½ inches below grade of streets; reinforced concrete vault under Penn avenue sidewalk, extending 8 feet from property line for a distance of 60 feet, 3 areaways in sidewalk of 20th street and one in Mulberry way, extending 3 feet from building line in sidewalks in connection with the construction of a proposed building located at the corner of Penn avenue, 20th Street and Mulberry way, property of C. F. Haudenshield, 2nd Ward, Pittsburgh, Pa.

Said grant shall be in accordance with the provisions of this Ordinance and in accordance with plans hereto attached and identified as Accession No. B-360, Folder "B", in the files of the Division of Public Utilities, Bureau of Highways & Sewers, Department of Public Works, entitled, "Proposed extension of concrete piers, reinforced concrete vault and areaways in sidewalks for a proposed building, property of C. F. Haudenshield, 2nd Ward, Pittsburgh, Pa."

Section 2. The said C. F. Haudenshield, prior to the construction of said piers, vault and areaways, shall submit to the Director of the Depart-

ment of Public Works a complete set of plans showing location and all details for the construction of said piers, vault and areaways, and the said plans shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the Ordinances of the City of Pittsburgh relating thereto and to the provisions of any general Ordinance which may hereafter be passed relating to the construction, maintenance and use of City streets and Compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of sidewalks and street pavement damaged, repair of sewer, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the maintenance and use of the said sidewalks and streets. All of the said work shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said piers, vault and areaways, upon giving six (6) months' notice through the proper officers pursuant to Resolution or Ordinance of Council to the said C. F. Haudenshield, his successors and assigns to that effect; and that the said grantee shall, when so notified, at the expiration of the said six months, forthwith, remove the said piers, vault and areaways and replace the sidewalks and streets to their original condition, at his own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of concrete piers, vault and areaways in said sidewalks and streets and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, C. F. Haudenshield shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the said C. F. Haudenshield with his corporate seal attached.

Section 8. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 824

AN ORDINANCE — Accepting the dedication of certain property in the First Ward of the City of Pittsburgh for public use for highway purposes for the widening of Diamond Street, and establishing the grade thereof.

WHEREAS, The County of Allegheny a municipal corporation of the Commonwealth of Pennsylvania, owner of the property hereinafter described, has executed and delivered to the City of Pittsburgh, its certain Deed of Dedication, bearing date of November 30, 1929 now on file in the Office of the Bureau of Engineering of said City wherein it has conveyed said ground to said City for public street or public highway purposes for the widening of Diamond Street, and has released said City from any liability for damages for or by reason of the physical grading of said public highway to the grade as hereinafter established; Therefore,

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

the said Deed of Dedication be and the same is hereby accepted, and the Bureau of Engineering is hereby authorized and directed to place the same on record in the Office of the Recorder of Deeds in and for the County of Allegheny.

SECTION 2. The ground so as aforesaid conveyed to said City for public highway purposes, shall be and the same is hereby appropriated and opened as a public highway in accordance with the terms of the said Deed of Dedication, and shall be known as Diamond Street, the same being bounded and described as follows, to-wit:—

Beginning at a point on the southerly line of Diamond Street as widened by Ordinance No. 324, approved July 23, 1913, and recorded in Ordinance Book Volume 25, page 360, at a distance of 31.63 feet eastwardly from the easterly line of Ross Street; thence deflecting to the left 8° 04' 00" in an easterly direction along said southerly line of Diamond Street for the distance of 106.90 feet to a point on the southerly line of Diamond Street 40.0 feet wide; thence deflecting to the right 8° 04' 00" in an easterly direction along said southerly line of Diamond Street 40.0 feet wide for the distance of 18.32 feet to a point of curve; thence in a westerly direction by the arc of a circle deflecting to the right having a radius of 177.81 feet and a central angle of 23° 42' 14" for the distance of 73.56 feet to a point of tangent; thence in a westerly direction by the tangent of said curve for the distance of 52.68 feet to the place of beginning.

SECTION 3 The grade of the south curb line shall begin on the east curb line of Ross Street at an elevation of 79.39 feet (curb as set); thence falling at the rate of 0.726% for the distance of 178.91 feet to the south curb line of Forbes Street to an elevation of 78.09 feet (curb as set).

Section 4. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 825

AN ORDINANCE — Levying and assessing taxes and water rents for the fiscal year beginning January 1st, 1930 and ending December 31st, 1930, upon all property subject to taxation within the limits of the City of Pittsburgh.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That for the purpose of providing sufficient revenue for the payment of the ordinary current expenses of said City, for the payment of interest on the funded and floating indebtedness of said City and of the constituent units constituting, the present City of Pittsburgh created prior to their annexation to or consolidation with said City, for the payment of the amounts required to be paid to the several sinking funds for the retirement at maturity of the outstanding indebtedness of said City and of the constituent units constituting the present City of Pittsburgh, created prior to their annexation to or consolidation with said City, due or to become due during the fiscal year beginning January 1st, 1930, and ending December 31st, 1930, and for the payment of other liabilities of said City due or to become due during the fiscal year beginning January 1st, 1930, and ending December 31st, 1930, the following taxes shall be and the same are hereby levied and assessed upon all property taxable for state, county and city purposes within the limits of said City, viz: Twenty-six (26) mills upon each dollar, or two dollars and sixty cents (\$2.60) upon each one hundred (\$100.00) dollars of the assessed valuation of land, and thirteen (13) mills upon each dollar, or one dollar and thirty cents (\$1.30) upon each one hundred (\$100.00) dollars of the assessed valuation of all buildings.

SECTION 2. The Board of Water Assessors shall assess water rents for the period from January 1, 1930, to December 31, 1930, inclusive:

EXONERATIONS

FOR VACANCIES—Where the premises is vacant and the entire supply of water, shall, at the owner's written notice served on the Board of Water Assessors, be turned off by their direction by the Bureau of Water, and such water shall be turned on only by the Bureau of Water, at the owner's written notice to the Board of Water Assessors, exonerations of ninety (90%) per cent for the flat assessment for the period during which the water is shut off shall be issued; provided that the period during which the water is shut off is greater than sixty (60) days consecutively.

All requests for exonerations for excessive assessments must be made during the current year in which the assessments are made, or during twelve (12) months after the termination of said year, and no exonerations shall be granted after said period has expired.

FOR CHANGES IN WATER USES—

Where fixtures are removed and water uses discontinued, exoneration will be issued covering the discontinued use from the date of approval of contract covering the revised water uses. In

case any owner of any premises shall cause or allow water to be used for any purpose or in any fixtures for which there is no approved water contract on file in the office of the Bureau of Water, the rate for such usage or fixtures shall be at the rate specified in the foregoing schedule and shall date from the preceding January 1st, and the water for the entire premises shall be shut off until an approved contract for such additional water uses or fixtures has been signed and placed on file in the office of the Bureau of Water.

All fixtures on any premises, whether used or not, will be assessed as long as they remain in position.

WATER FOR FIRE PURPOSES

No charge shall be made for water used during fires. All water used through fire systems, except during fires shall be charged for at metered rates. All fire systems shall be metered, except sprinkler head systems, and the minimum charge for each quarter year shall be as follows:—

2" and 3" meters	2.00 per quarter
4" meter	3.00 per quarter
6" meters and over.....	4.50 per quarter

EXPLANATION OF FOREGOING SCHEDULE

In the foregoing schedule of rates, in cases where both flat and metered rates are specified, such flat rates shall govern until a meter or meters, controlling the entire supply of water, shall have been installed, when the metered water rates, rules and regulations shall govern. In the foregoing schedule of rates, in cases where metered rates only are specified and the meter or meters are not in service or approved service during any portion of the water rent period, the registration for the portion of the water rent period during which the meter or meters are in approved service, or the registration during the preceding water rent period, shall be applied pro rata to the period during which the meter or meters are not in approved service. All water supplied at metered rates shall be at the following rates per quarter year:

METERED WATER RATES

First 250,000 gallons or less.....	
	20c per 1,000 gallons

Second 250,000 gallons or less	18c per 1,000 gallons
Third 250,000 gallons or less.....	16c per 1,000 gallons
Fourth 250,000 gallons or more	14c per 1,000 gallons

Hospitals, dispensaries and such other charities as are supported by public and private contributions, shall be charged at the rate of seven (7) cents per thousand gallons; provided, however, that hospitals supported by public charity shall receive free of all charge two hundred fifty (250) gallons of water per person per day, and schools supported by private charity shall receive free of all charge twenty-five hundred (2,500) gallons of water per pupil per annum.

All hospitals and charitable institutions operating and maintaining laundries for commercial purposes, or maintaining and operating hydraulic power producing machinery, shall pay the usual and fixed rate for all water used for such purposes.

All hospitals or charitable institutions within the City of Pittsburgh which operate and maintain laundries for commercial purposes, or operate hydraulic power producing machinery shall maintain separate water lines for such laundries or hydraulic power producing machinery, all water used for such purposes shall be separately and specially metered.

For all water taken, the rate for which is not specifically provided and which is not measured by meter, the quantities shall be estimated and charged for at the above metered rates; and provided, further, that in no case where metered water rates are in force shall the charge for each premise for each quarter be less than the amount specified in the following schedule;

25 cents per quarter for 1 and 2 roomed dwelling house premises
50 cents per quarter for 3 and 4 roomed dwelling house premises.
\$1.00 per quarter for 5 and 6 roomed dwelling house premises
\$1.25 per quarter for 7 and 8 roomed dwelling house premises
\$2.00 per quarter for 9 and 10 roomed dwelling house premises
\$2.50 per quarter for 11 and 12 roomed dwelling house premises

\$3.00 per quarter for 13 and 14 roomed dwelling house premises

\$4.00 per quarter for 15 and 16 roomed dwelling house premises

\$5.00 per quarter for dwelling house premises of more than 16 rooms; and for all premises not included in the above schedule the minimum charge shall be 2½ per cent of the yearly flat assessment per quarter excepting in each case where a premise is equipped with an auxiliary water supply consisting of a pumping engine of not less than 50,000 gallons per day capacity and a reserve tank of not less than 3,000 gallons capacity, the minimum charge for each quarter shall be as follows:

For each 5-8 inch meter	\$2.00
For each 3-4 inch meter	3.00
For each 1 inch meter	5.00
For each 1 1-4 inch meter	\$7.50
For each 1½ inch meter	10.00
For each 2 inch meter	12.50
For each 3 inch meter	20.00
For each 4 inch meter	30.00
For each meter larger than 4 inch	50.00

The meter or meters to be used must be approved by the Bureau of Water, must be installed under the direction of and in a manner satisfactory to the Bureau of Water, shall at all times be accessible to the Board of Water Assessors and the Managing Engineer of the Bureau of Water, their agents or assistants. Metered rates charged to any premises cannot be changed to flat rates. All auxiliary meters and all meters for fire service must be furnished by and at the expense of the property owner.

Section 3. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 826

AN ORDINANCE — Fixing the width and position of the sidewalks and

roadways, providing for slopes, parking, retaining walls and steps and establishing the grade of Ohio River Boulevard, from Superior avenue to the westerly line of property of the County of Allegheny at a point 270.03 feet north of the northerly line of Falck avenue.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That

the width and position of the sidewalks and roadways and the grade of Ohio River Boulevard, from Superior avenue to the westerly line of property of the County of Allegheny at a point 270.03 feet north of the northerly line of Falck avenue be and the same are fixed and established as follows, to-wit:—

From Superior avenue to a point north of Romig street three ramps shall be constructed to be known hereinafter, as the West Ramp, the Center Ramp and the East Ramp respectively and described separately as follows: the westerly curb line of the West Ramp shall begin at a point of curve on the northerly curb line of Superior avenue, distant 28.89 feet west of the intersection with the westerly curb line of California avenue, as at present improved, said point of curve to be known as station 16+51.54; thence shall extend eastwardly and northwardly by the arc of a circle deflecting to the left with a radius of 30.0 feet and a central angle of 96° 32' 00" to a point of tangent at station 17+02.08; thence by the tangent north 46°51'30" west to a point of curve at station 17+71.47; thence northwardly by the arc of a circle deflecting to the right with a radius of 600.0 feet and a central angle of 10°15'00" to a point of tangent at station 18+78.81; thence by the tangent north 36°36'30" west and parallel to and at a perpendicular distance of 10.0 feet east of the westerly line of Ohio River Boulevard as described in Ordinance No. 764 approved December 5, 1929 to a point of curve at station 25+15.79; thence northwardly by the arc of a circle deflecting to the right with a radius of 600.0 feet and a central angle of 17° 49' 00" to a point of tangent at station 27+02.37.

The sidewalk of the west ramp shall have a general width of 10.0 feet and shall lie along the westerly side of and contiguous to the above described westerly curb line.

The roadway of the West Ramp, from Superior avenue to station 19+10.00 more or less shall have a variable width and together with the roadways of the hereinafter described center and east ramps shall occupy the area lying between the above described westerly curb line and the westerly line of California avenue as at present improved; thence to station 23+77.00 more or less shall have a uniform width of 24.0 feet and shall lie along the easterly side of and contiguous to the above described westerly curb line; thence to station 27+02.37 shall have a variable width and together with the roadway of the hereinafter described east ramp shall occupy the area lying between the above described westerly curb line and the hereinafter described easterly curb line of the east ramp.

The roadway of the centre ramp shall have a uniform width of 40.0 feet and shall extend from a point perpendicularly opposite, station 19+10.00 more or less on the above described westerly curb line northwardly to California avenue as now improved, the centre line of the same being described as follows:

Beginning at a point perpendicularly opposite and 52.0 feet east of the above described westerly curb line of the west ramp at station 19+00.00, said point of beginning to be known as station 19+00.00 also; thence shall extend northwardly parallel to and at a perpendicular distance of 52.0 feet east of the above described westerly curb line to a point of curve at station 21+76.45; thence northwardly by the arc of a circle deflecting to the right with a radius of 580.0 feet and a central angle of 12° 19' 0" to a point of tangent at station 23+01.13; thence by the tangent northwardly to a point at station 24+45.00, said last mentioned point being on the centre line of California avenue as at present improved.

The easterly curb line of the east ramp shall begin on the westerly curb line of California avenue as at present improved at a point perpendicularly

opposite and 104.0 feet east of the above described westerly curb line of the west ramp at station 18+86.79, said point of beginning to be known as station 18+86.79 also; thence shall extend northwardly parallel to and at a perpendicular distance of 104.0 feet east of the above described westerly curb line to a point of curve at station 20+86.64; thence northwardly by the arc of a circle deflecting to the left with a radius of 600.0 feet and a central angle of 11° 53' 00" to a point of tangent at station 22+11.08; thence by the tangent northwardly to a point of curve at station 23+97.33; thence northwardly by the arc of a circle deflecting to the right with a radius of 600.0 feet and a central angle of 29° 42' 00" to a point of tangent at station 27+08.35 said point of tangent being at a perpendicular distance of 40.0 feet east of the westerly curb line.

The roadway of the east ramp from station 19+10.00 more or less to station 23+95.0 more or less shall have a uniform width of 24.0 feet and shall lie along the westerly side of and contiguous to the above described easterly curb line; thence to station 27+08.35 shall have a variable width and together with the roadway of the above described west ramp shall occupy the area lying between the above described curb lines.

From station 27+02.37 to the westerly line of the property of the County of Allegheny at a point 270.03 feet north of the northerly line of Falck avenue, one roadway and two sidewalks shall be constructed, the center line of the roadway being described as follows:

Beginning at a point perpendicularly opposite and 20.0 feet east of the above described westerly curb line at the point of tangent thereon at station 27+02.37, said point of beginning to be known as station 27+02.37 also; thence shall extend by the tangent north 18° 47' 30" west to a point of curve at station 32+55.31; thence northwardly by the arc of a circle deflecting to the left with a radius of 2000.0 feet and a central angle of 5° 26' 00" to a point of tangent at station 34+44.97; thence by tangent north 24° 13' 30" west to a point of curve at station 45+77.12; thence northwardly by the arc of a circle deflecting to the left with a

radius of 2000.0 feet and a central angle of 6° 26' 00" to a point of tangent at station 48+01.69; thence by the tangent north 30° 39' 30" west to the westerly line of property of the County of Allegheny at station 70+50.91, said westerly line of the property of the County of Allegheny being 270.03 feet north of the northerly line of Falck avenue.

The roadway from station 27+02.37 to station 70+50.91 shall have a uniform width of 40.0 feet.

The sidewalk between those terminals shall have a uniform width of 10.0 feet and shall lie along and contiguous to the above described roadway.

Those portions of the street lying without the lines of the above described sidewalks and roadway shall be used for sloping, parking, retaining walls and steps.

SECTION 2. The grade of the westerly curb line of the west ramp shall begin on the northerly curb line of Superior avenue at a point 14.0 feet west of the point of horizontal curve at station 16+51.54 as mentioned in the above described westerly curb line at the elevation of 84.46 feet (curb as set); thence rising at the rate of 4.8% for a distance of 14.0 feet to the above mentioned point of horizontal curve at station 16+51.54 to an elevation of 85.13 feet; thence rising at the rate of 4.0% for a distance of 50.54 feet to a point of horizontal curve at station 17+02.08 to an elevation of 87.15 feet; thence rising at the rate of 1.04% for a distance of 147.92 feet to a point to an elevation of 88.69 feet; thence rising at the rate of 2.62% for a distance of 50.0 feet to a point of curve to an elevation of 90.0 feet; thence by a convex parabolic curve for a distance of 100.0 feet to a point of tangent to an elevation of 88.23 feet; thence falling at the rate of 5% for a distance of 200.0 feet to a point of curve to an elevation of 78.23 feet; thence by a concave parabolic curve for a distance of 200.0 feet to a point of tangent to an elevation of 75.73 feet; thence rising at the rate of 2.50% for a distance of 302.37 feet to a point of horizontal tangent on the above described westerly curb line at station 27+02.37 to an elevation of 83.29 feet.

Whereas, The City Stables on Swope Street are located not only in the central part of the East Liberty business section, but are surrounded entirely by residences; and

Whereas, The buildings at this plant are very much dilapidated and are deteriorating rapidly, creating an extremely unsanitary condition, due to the fact that there are approximately forty (40) horses still stabled at this location; and,

Whereas, The unpleasant situation caused by these stables is daily be-

coming worse, causing much discomfort and inconvenience to the business and residential people of the neighborhood; and

Whereas, The streets in the East Liberty section are practically all paved as well as some in the Brushton, Homewood and Lincoln Avenue districts, and it might be possible to eliminate the need for a great number of these horse-drawn vehicles and to substitute in lieu thereof motorized equipment, which would create a better condition in any location where the vehicles might be stored; and,

Whereas, If the greater part of the equipment stored at these stables were motorized, a headquarters and garage could probably be found in a location other than on Swope Street; Therefore, be it

Resolved, That the Director of the Department of Public Works be requested to have a survey made of the East Liberty section, with the thought in mind of moving the headquarters from their present location on Swope Street to some other location more suitable to the business people and residents; and be it further

Resolved, That the Director of Public Works include in his report on this survey the idea of motorizing the equipment in this district as well as all of the other districts of the Bureau of Highways and Sewers, so that the horse-drawn vehicles attached to that bureau may be reduced to an absolute minimum.

No. 193

Whereas, a contract was awarded to The Union Engineering and Construction Company for improvement to drainage and general repairs of Bigelow Boulevard Wall, between Elm Street and 17th Street Incline, Contract No. 1; and,

Whereas, the supplemental specifications of said contract had certain requirements as to how the construction work was to be carried out with the least interference to traffic on Bigelow Boulevard, and in accordance with said specifications the contractor ordered and delivered on the ground certain equipment which complied therewith; and,

Whereas, after the equipment was delivered on the ground and set up, the Department of Public Safety made strenuous objections to same as an obstruction to traffic on Bigelow Boulevard, and a resolution was presented to Council and approved by Council and signed by the Mayor allowing the contractor the sum of \$667.15 for changing said equipment so that all equipment would be operated in the rear of the Bigelow Boulevard Wall; and

Whereas, the change in the equipment which changed the requirements of the supplemental specifications governing this contract required the contractor for this work to handle same in an entirely different manner from that which would be required or could have been carried out in accordance with the specifications governing the bids submitted by the prospective bidders; and,

Whereas, previous to the issuance of the final estimate for this work the contractor, The Union Engineering and Construction Company submitted a claim to the Department of Public Works for additional expense involved account changing from the requirements of the specifications for said work, which claim inadvertently, while being investigated, was not included in the final estimate issued by the Department of Public Works for payment of this contract, and which, since the issuance of the final estimate the Department considers is a valid claim for additional expenses involved in the change of specifications as a result of the demands and requirements of the Department of Public Safety, amounting to \$3774.36; Now Therefore Be It

Resolved, that the Mayor and the City Controller be and they are hereby authorized and directed to respectively issue and countersign a warrant in favor of The Union Engineering and Construction Company in the sum of \$3,774.36 for payment of claims for extra expense involved in the prosecution of the contract for the improvement to drainage and general repairs of Bigelow Boulevard Wall, between Elm Street and 17th Street Incline, Contract No. 1, and charge same to appropriation No. 270, Street Improvement Bonds 1926.

Whereas, a contract for the repaving of Hazelwood Avenue, from Second Avenue to Beechwood Boulevard, was awarded on the basis of relaying the old blockstone, at a contract price of \$81,850.00 and predicated upon which the estimated cost of \$170,000.00 stipulated in Ordinance No. 118, approved February 20, 1929, was reduced by letter from the Director of the Department of Public Works to the City Controller, under date of April 30, 1929, to the sum of \$100,000.00 and.

Whereas, considerable variation was found in the depths of blocks removed under this contract and in other respects, the condition of the blockstone would result in such an unsatisfactory pavement surface that it was deemed advisable to relip all the blockstone required for resurfacing, the additional cost of which makes it necessary to reappropriate the sum of \$14,000.00 to cover the cost of completing said improvement, Now Therefore Be It

Resolved, that the sum of \$14,000.00 shall be and the same is hereby reappropriated from Bond Fund 296, Street Improvement Bonds, 1928, for the payment of the cost of completing the repaving of Hazelwood Avenue, from Second Avenue to Beechwood Boulevard, and the Mayor and the City Controller be and they are hereby authorized and directed to respectively issue and countersign warrants drawn on said fund for the payment of the cost of completing said work.

Whereas, The Historical Society of Western Pennsylvania, on Wednesday, June 19, 1929 at high noon, is to dedicate a tablet to the memory of the late State Senator John P. Harris, on the site of the world's first all-moving picture theater at 433-435 Smithfield Street, Pittsburgh, which he conceived and in partnership with Harris Davis, established in June 1905; and

Whereas, this may be rightly considered the genesis of the entire moving picture business which has become the fourth largest industry in all America; and

Whereas, the name of this theatre, the Nickelodeon, which has found its way into nearly all the languages of the civilized world, was coined by Senator Harris' business associate and fellow townsman, Eugene L. Connelly; and

Whereas, these facts all redound to the glory, the fame, the prestige, and the material advancement of the City of Pittsburgh among the great metropolises of the world, as well as having conduced to the recreation and wholesome amusement of our people; Therefore, be it

Resolved, By the Council of the City of Pittsburgh, that we express our felicitations to the widow, Mrs. Eleanor May Harris, the sons, John H. and Harry D. Harris, the daughters, Mrs. Edward W. zurHorst, Miss Mary Harris and Miss Geneva A. Harris and the brothers and sisters of the late Senator John P. Harris,, Dennis A. Harris, Senator Frank J. Harris, Miss Ellie Harris, Mrs. Christopher T. Durham and Mrs. John Tay-

lor Wertz, and to his lifelong friend and partner, Harry Davis, as well as to his friend and business associate, Mr. Isaac Libson of Cincinnati, Ohio, a former Pittsburgher, who was the first manager of this theater, and we do hereby acknowledge the grateful appreciation of the people of the municipality expressed by their representatives in Council assembled, for the part they played in the highly constructive service rendered by Senator Harris to the community in which he was born and in which he won his well-deserved success.

We also highly and unreservedly commend the Historical Society of Western Pennsylvania for its interest in all things which make for the perpetuation of the notable achievements of the City of Pittsburgh, and its distinguished citizens, and particularly for its enterprise in sponsoring the magnificently-sculptured bronze tablet which is to mark for posterity, the site on which was located this modest little "acorn from which has grown the giant oak" of the cinema.

We moreover, commend the Mayor of our City, the Hon. Charles H. Kline, the Director of the Department of Public Safety, Mr. James M. Clark, the Pittsburgh Railways Company, Messrs. Frank and Seder and all other officials, citizens and agencies which are co-operating with the Historical Society of Western Pennsylvania in commemorating this noteworthy epoch.

Council further respectfully requests the general public, as far as may be convenient, to assemble in orderly manner at the site on which the tablet is to be unveiled at the time of its unveiling so that by their presence they may give proof of their loyal support of all movements and events which give Pittsburgh its eminence among the thriving cities of the world. The newspapers of the City of Pittsburgh and the Press Associations which carry the news of the day to unnumbered millions of readers throughout the world, are respectfully requested to give the event the prominence on the printed

page which its historical significance deserves and be it further.

Resolved, That a copy of these minutes be made a part of the permanent record of the proceedings of Pittsburgh Council, and that an additional copy, suitably engrossed, be presented to the family of the lamented creator of the Nickelodeon—the Honorable John Paul Harris.

Captain William J. Snyder, of the United States Air Service, who repre-

sented the City of Pittsburgh on the Board having charge of Rodgers Field, was born in the City of Pittsburgh on May 24, 1896. He was educated in the Parochial and Public Schools of the City of Pittsburgh, and later attended Slippery Rock Preparatory School and Duquesne University and the University of Pittsburgh.

In 1917, he enlisted in the United States Army and was assigned to the Ground School as a Cadet at Austin, Texas. He later received flying training at Payne Field, Mississippi, and was there commissioned as a Lieutenant. He was later commissioned Lieutenant Pursuit Pilot at Carlstrom Field, Arcadia, Florida. He was later ordered to France, and was en route on the Atlantic Ocean, when the Armistice was signed.

After being mustered out of service, he continued his unflagging interest in the promotion of aviation in all its branches and became a Reserve Officer in the United States Army Air Service, and on June 20, 1928, he was commissioned Captain in the United States Air Service and assigned as Flight Commander of 324th Observation Squadron of the 99th Division.

When the County of Allegheny and the City of Pittsburgh, jointly, promoted the development of Rodgers Flying Field, and provided for a Board of three men to govern it, the Mayor of the City of Pittsburgh appointed Captain Snyder, because of his proven interest in aeronautics, his proven patriotism and his deserved reputation as a highly capable flyer, to represent the City of Pittsburgh upon that Board, in which capacity he served with distinction and loyalty until his untimely death, on June 20, 1929, while actively engaged in flying.

Because of his loyalty, patriotism and intelligent service rendered to the science of aeronautics and to the City of Pittsburgh in its endeavor to assist in the promotion of aeronautics, it is fitting that due recognition should be given to the splendid services of Captain William J. Snyder and that an expression of sympathy and condolence should be extended by the City to his mother and his family; Therefore, be it

Resolved, That the City of Pittsburgh, by its Mayor and the members of Council, does hereby publicly acknowledge the splendid service rendered it, and the science of aeronautics generally, by Captain William J. Snyder, and expresses the belief that the cause of the Air Service has lost a valuable exponent, and that the governing Board of Rodgers Field has lost an able, loyal and intelligent member, and that we extend to his bereaved mother, the sympathy and condolences of the City of Pittsburgh, and direct that an engrossed copy of this resolution be furnished to her, and a copy spread upon the records of the Council.

Whereas, At a mass meeting of the Jewry of the City of Pittsburgh, held at Soldiers and Sailors Memorial Hall, on Wednesday evening, September 4th, 1929, the following resolutions of protest against the Arab outrages, atrocities and massacres of Jews in Palestine were adopted:—

1. The punishment of all rioters and their accessories.

2. The dismissal and adequate punishment of the administrative officials who negligently and maliciously failed in their duty to protect Jewish life and property and the discharge of those not sympathetic to the Mandate.

3. The immediate release from arrest of Jews in possession of arms for self-defence.

4. Full liberty for Jewish communal self-defense and adequate participation in the local police and militia.

5. Full and adequate compensation by the British government for the loss of Jewish lives and property.

6. The expropriation by the Government of the Wailing Wall as a Place sacred to the Jewish people.

7. That the British Government actively encourage increased Jewish immigration to Palestine in the spirit of the Balfour Declaration and the Mandate.

8. Active facilitation by the British Government of the firm establishment of the Jewish National Home in Palestine in accordance with the Balfour Declaration and the Mandate; and

Whereas, The people of Pittsburgh, generally, are in full accord with the efforts of the Jewry to obtain relief from the existing conditions and to provide for the protection of the Jews in Palestine for the future; Therefore, be it

Resolved, That the Mayor and Council of the City of Pittsburgh, do hereby concur in the foregoing resolutions, and that a copy of this resolution be sent to the Secretary of State of the United States, and he be requested to use all facilities at his command to secure for the unfortun-

Whereas, The City of Pittsburgh has suffered a great loss by the death of its City Treasurer, Wallace Borland which occurred suddenly at Cincinnati, on Tuesday, October 22, 1929; and,

Whereas, Wallace Borland, a native Pittsburgher, being born in East Liberty on May 5, 1867 had long been a faithful employe and official of the City of Pittsburgh, having first served under Mayor Magee as inspector in the Bureau of Food Inspection and in 1914 was appointed a police magistrate by Mayor Armstrong, in which capacity he served for eight years, being reappointed by Mayor Babcock. In the fall of 1921 he was elected a member of City Council, serving in that capacity for four years, when he became City Treasurer; and,

Whereas, As a member of Council his services were particularly beneficial to the City, as he was always alert in promoting the best interests of the community, and as City Treasurer he was both capable and trustworthy, and endeared himself to all with whom he came in contact by his uniform courtesy and cheerfulness and by the tact and ability with which he discharged his duties; Therefore, be It.

Resolved, By the Mayor and the Council of the City of Pittsburgh, That in the death of Wallace Borland the City has lost a good and faithful official, and the members of this body suffered a great loss and be it further

Resolved, That these resolutions be spread in full upon the records of Council, and a duly engrossed copy be sent to the family.

Whereas, In accordance with a contract entered into between the City and Booth & Flinn Company for the grading, paving and curbing of Traymore Avenue from Sebring Avenue to Crimson Street, the contract was actually completed, as far as the physical work was involved, November 7, 1928 and the final estimate therefor was not accepted and approved by the Director of the Department of Public Works until March 8, 1929, and

Whereas, Booth & Flinn Company have filed a claim for interest at the rate of six (6%) per cent per annum, from November 7, 1928 to March 8, 1929 on the sum of \$29,096.44, the amount of the final estimate, amounting to \$586.77 on account of the delay in rendering the final estimate, and

Whereas, the delay in accepting the work and approving the final estimate was caused by the fact that the amount of the final estimate exceeded the estimated cost contained in the ordinance authorizing said improvement, which necessitated the enactment of an ordinance amending the original improvement ordinance by increasing the estimated cost of the work and the Director of the Department of Public Works could not accept and approve the final estimate

until the enactment of the amending ordinance and consequently approved the final estimate by his signature March 8, 1929, and

Whereas, the time involved under ordinary circumstances for the issuance of an estimate of this amount and character of the improvement would require thirty (30) days or until December 7, 1928 had no amending legislation been required and therefore payment of any interest should not be considered or computed for any delay previous to December 7, 1929, Now Therefore Be It

Resolved, that the Mayor and the City Controller be and they are hereby authorized and directed respectively, to issue and countersign a warrant in favor of Booth & Flinn Company in the sum of \$441.30 for payment of interest at the rate of six (6%) percent per annum on the total cost of \$29,096.44 for grading, paving and curbing of Traymore Avenue, from Sebring Avenue to Crimson Street for the period of ninety-one (91) days extending from December 7, 1928 until March 8, 1929 and charge same to Code Account 42, Contingent Fund.

E. Railroad re-

moved during the progress of the work and replaced on its completion, and

Whereas, in the agreement between the City and the P. & L. E. Railroad, covering the encroachment of the said West Carson Street over their right of way, no provision was made for the handling of these cables, and

Whereas, the general sense of the negotiations with the P. & L. E. Railroad, leading to the agreement, was to the effect that the P. & L. E. Railroad would be put to no expense in permitting the above referred to encroachment, and

Whereas, the P. & L. E. Railroad have submitted a detailed statement giving the costs to them of the removal of their high tensioned and signal wires, of their additional costs for purchasing power and of their estimated costs in restoring their original service, in the amount of twenty-five Hundred Fifty-five and 34/100 (\$2,555.34) Dollars, Now, Therefore, Be It
